Have a Nice Day! Mick Foley,2000-10 This intimate glimpse into the passionate personality of a World Wrestling Federation champion is updated with a bonus chapter summarizing the past 15 months--from Foley's experience as a bestselling author to his parting thoughts before his final match.

Have a Nice Day Julie Halpern,2012-10-16 Anna Bloom has just come home from a three-week stay in a mental hospital. She feels...okay. It's time to get back to some sort of normal life, whatever that means. She has to go back to school, where teachers and friends are dying to know what happened to her, but are too afraid to ask. And Anna is dying to know what's going on back at the hospital with her crush, Justin, but is too afraid to ask. Meanwhile, Anna's parents aren't getting along, and she wonders if she's the cause of her family's troubles.

Have a Nice Day Dubravka Ugrešić,1995 From Croatia's finest living writer comes a lament for her anguished homeland and a critique of American culture. In the form of a fictional dictionary, Ugresic writes about our culture through the eyes of one whose country is being destroyed, forcing us to look at Balkan barbarism through our veil of Western obsessions.

Nice Day for Flyin' Daniel L. Lawrence,2008-09-23 In our lives, there are events that occur that change our lives forever, such as being drafted or getting married or having children. Sometimes even killing. Events that cant be changed or taken back. Nice Day for Flyin' is a story of one young boy, Ian McIntyre, who upon being drafted during the later part of the Vietnam War, his first real turning point, is forced to leave a life and future he has known and planned for all his short life. This is a story of lost innocence, betrayal, lost love, and, death. It is also a story of found love and life, friendship, and trust. This is a story based individual events,in many ways on my experiences and those of others I have served with, while other parts of the story are just plain and simple

fabrication. The characters are composites of many people, and the events are based on experiences and war stories of many people but have been changed in some ways. This is a story of how it might have been, not how it really was or is now. This is not a history lesson; it is a story and nothing more. The language in this work is, at times, rough as it should be. Real life is not G-rated. I started this book as a retelling of my own experience in Vietnam and after I returned; but it quickly turned into a long, technical, detail-filled and boring history, which I promptly deleted. Instead I took events and stories as separate entities and worked them into a piece of fiction, a story of how it could have been or perhaps how I would have liked it to have been. If you want a history lesson, read Stanley Karnows Vietnam:A History. If you want to laugh, cry, and be entertained, then give Nice Day for Flyin a read.

Have a Nice Day Ben Raiche,2013-05-07 The book stretches from classic to pun filled prose and Dittyography. This word has been invented in order to better explain the varied styles of rhymes interspersed along with the articles contained. Ben has written for many Free Press Papers primarily read by senior citizens across the country. AARP is just one of these. The book bases its content on a platform of human interest for anyone who might like to simply peruse positive content and maybe allow themselves to smile instead of what might otherwise be impending.

Never Tell an Infantryman to Have a Nice Day Robert "Bob" Reid,2010-01-01 Tells the experiences of the author in World War II. Includes his combat experiences in the 84th Infantry Division Company H, 335th Regiment in Europe.

Danger Quicksand - Have a Nice Day David St. Lawrence,2005-05 This book levels the playing field for you by providing insight on what you are actually facing in the corporate workplace. Find out why so many promising careers end up badly in spite of every effort made to do the right thing. 21st Century

employment requires a different kind of career advice, because dedication and hard work are no longer a guarantee of success. This book will validate what you knew to be true all along and may help you turn your career around.

Have a Nice Day H.B. Flay, 2022-04-06 *Have a Nice Day* By: H.B. FLAY In *Have a Nice Day*, three New York Telephone Company employees find a briefcase containing 300 (OTB) OFF-TRACK BETTING tickets worth \$1,000 each, for a total of three million dollars, which was absentmindedly left behind by a bumbling aid to a Mafia boss. A homeless man finds one of the tickets on the street that one of the Tel Co. guys loses. The homeless man's good fortune becomes fodder for a newspaper reporter's story, since the homeless man wants to use the money the ticket is worth to find his children, whom he hasn't seen in 20 years. Then the story unfolds—there's the cemetery worker who reveals the secret WW2 formula that is ingested by the racehorses, enabling them to win their respective races; the handsome Mafia lawyer who falls in love with the beautiful Mafia moll; the trail they follow through the New York Public Library computer's database of missing children; the series of unexplained murders connected to one individual; a tenacious N.Y.P.D. Lieutenant; the three New York Tel. wives; and of course, the poor unsuspecting robber that foolishly decides to mug one of the New York Tel. guys and inadvertently pulls the entire tale together.

A Nice Day for a Cowboy Wedding Nicole Helm, 2018-08-28 The sexy, sweet new novel by the national bestselling author of *Want You More* “shows that love and romance can occur in the most unexpected situations” (Publishers Weekly). Colorado's gorgeous Rocky Mountains set the stage for a breathtaking tale of small-town heart and big-time passion . . . As the oldest of three brothers, Shane Tyler takes his responsibility to the family ranch seriously—and it's clear to him that the younger man who wants to marry his widowed mother is only looking for a meal ticket. He's determined to stop the nuptials whatever it takes, but the shy

wedding planner his mom hired is harder to intimidate than he expected. When Cora Preston worked up the nerve to leave her abusive ex and move with her young son to Gracely, it was a huge step. Accepting the position as wedding planner at brand-new Mile High Weddings took even more courage. But Cora's biggest challenge is turning out to be the bride's handsome—and stubborn—oldest son, Shane, and the way the strong-willed cowboy makes her feel. Can the heat crackling between them warm two hearts suspicious of love? Praise for *Want You More*, the third Mile High Romance “An intimate, rewarding romance with a hot hero whose emotional growth is as sexy as his moves in the bedroom.” —Kirkus Reviews “Humorous familial schemes, solidarity, and snark make this a satisfying, intense romance.”—Publishers Weekly “Helm’s tale breathes fresh air into a satisfying second-chance-at-love story . . . Humor pervades the pages as conniving family members strive to bring the pair together.”—RT Book Reviews
