

Once Upon A Time

Frank L. Baum, L. Frank Baum

Once Upon a Time Vivian French, 1996-09 A bored boy's world is suddenly populated by three house-building pigs, a girl wearing a red hood, and other familiar nursery characters.

Once Upon a Time Marina Warner, 2014-10-23 From wicked queens, beautiful princesses, elves, monsters, and goblins to giants, glass slippers, poisoned apples, magic keys, and mirrors, the characters and images of fairy tales have cast a spell over readers and audiences, both adults and children, for centuries. These fantastic stories have travelled across cultural borders, and been passed on from generation to generation, ever-changing, renewed with each re-telling. Few forms of literature have greater power to enchant us and rekindle our imagination than a fairy tale. But what is a fairy tale? Where do they come from and what do they mean? What do they try and communicate to us about morality, sexuality, and society? The range of fairy tales stretches across great distances and time; their history is entangled with folklore and myth, and their inspiration draws on ideas about nature and the supernatural, imagination and fantasy, psychoanalysis, and feminism. Marina Warner has loved fairy tales over a long writing life, and she explores here a multitude of tales through the ages, their different manifestations on the page, the stage, and the screen. From the phenomenal rise of Victorian and Edwardian literature to contemporary children's stories, Warner unfolds a glittering array of examples, from classics such as *Red Riding Hood*, *Cinderella*, and *The*

Sleeping Beauty, the Grimm Brothers' Hansel and Gretel, and Hans Andersen's The Little Mermaid, to modern-day realizations including Walt Disney's Snow White and gothic interpretations such as Pan's Labyrinth. In ten succinct chapters, Marina Warner digs into a rich hoard of fairy tales in their brilliant and fantastical variations, in order to define a genre and evaluate a literary form that keeps shifting through time and history. Her book makes a persuasive case for fairy tale as a crucial repository of human understanding and culture.

Once Upon a Time, There Was You Elizabeth Berg, 2011-04-05 BONUS: This edition contains a Once Upon a Time, There Was You discussion guide. Even on their wedding day, John and Irene sensed that they were about to make a mistake. Years later, divorced, dating other people, and living in different parts of the country, they seem to have nothing in common—nothing except the most important person in each of their lives: Sadie, their spirited eighteen-year-old daughter. Feeling smothered by Irene and distanced from John, Sadie is growing more and more attached to her new boyfriend, Ron. When tragedy strikes, Irene and John come together to support the daughter they love so dearly. What takes longer is to remember how they really feel about each other. Elizabeth Berg's immense talent shines in this unforgettable novel about the power of love, the unshakeable bonds of family, and the beauty of second chances.

The Wonderful Wizard of Oz Frank L. Baum, L. Frank Baum, 2010-07-01 The

Wonderful Wizard of Oz has been enchanting audiences since it was first published in 1900. While many fans may know the work only by its movie counterpart, the world L. Frank Baum built within the books is much more elaborate. Since the more recent publication of Gregory Maguire's *Wicked: The Life and Times of the Wicked Witch of the West* and the Broadway play of the same name, fans have had a rekindled interest in Baum's original works from which the retellings draw heavily. Anyone interested in fantasy, magic, and silliness is sure to love this American classic. L. Frank Baum (1856-1919) is one of the most recognized and beloved children's authors, though he is often recognized for only one of his many stories. *The Wonderful Wizard of Oz* is easily his most popular work, though Baum actually wrote 13 sequels in Oz. His writings consist of practically every genre: Baum wrote 55 novels in total, 82 short stories, more than 200 poems, as well as scripts, and other miscellaneous writings. Interestingly, many of his non-Oz works were published under pseudonyms. Baum made many attempts to bring his work to stage and screen, but the most successful productions were not made until after his death.

Once Upon Another Time James Riley, 2022-07-26 Lena has a problem: she is a twelve-year-old giant child, but she is still only the size of a human: rejected by the giant king, she and her enormous talking cat, Rufus, go down to the human world seeking some magic that will restore her to her rightful status; Jin is a twelve-year-old genie, not yet allowed his full powers, and

at the moment tied, for two more wishes, to the Golden King, an annoying, nasty tyrant who has sent him on a quest--and when these two children meet all the kingdoms may be changed forever.

Once Upon A Time Kalinda Vazquez, Corinna Bechko, 2015-04-01

Once Upon a Time Machine Lee Nordling, 2012-10-23 Fairy tales have fueled our dreams and fired our imaginations for centuries. Step inside a time machine built by a collection of today's finest storytellers, and enter a range of futures where familiar tales are reimagined in an astonishing variety of styles. Editors Andrew Carl and Chris Stevens bring you the next wave of leading writers and illustrators working alongside superstar creators like Farel Dalrymple (Pop Gun War), Ryan Ottley (Invincible), Khoi Pham (Daredevil), and Brandon Graham (King City) to deliver a reading experience that will delight generations young and old. * Ageless stories become tales for a new age!

Once Upon A Time: Regina Rising Wendy Toliver, 2017-04-25 Sixteen-year-old Regina is very different from the Regina known by fans of ABC's *Once Upon a Time*. She seeks romance, adventure, and approval. Of course, getting approval from a mother like Cora is next to impossible. For Regina, friendships have always been a rare commodity. Could it be that Regina has finally found a true friend? Or is it too good to be true? As Regina struggles to find her own identity and create her own destiny, she discovers that her fate might just be to become everything she despises.

Reawakened Odette Beane,2013-04-23 Strangers don't come to Storybrooke. The town's residents are victims of a curse--trapped by an Evil Queen in a world without magic, they don't remember that they were once Snow White, Prince Charming, Jiminy Cricket, and other characters from a fairytale world. The curse keeps them in Storybrooke, and keeps everyone else out...until a dark stranger with a typewriter arrives on a motorcycle. August, the mysterious newcomer, claims to be in Storybrooke because, as a writer, the town inspires him. As the other characters discover, though, he knows more about fairytales than he lets on. With one foot in the nonmagical world, one foot in fairytale land, and both hands on a typewriter, August is the perfect narrator to tell fans the story of ONCE UPON A TIME's first season and ready them for a surprise in the next.

Once Upon a Time Nick Sharratt,2011 In this choose-your-own adventure novelty book, each double spread has six different cutouts to choose from, so that children can create their own story over and over again.

Once Upon a Time, the End (Asleep in 60 Seconds) Geoffrey Kloske,2005-10-01 Once upon a time there was a grown-up looking for a book with very short bedtime stories for a kid who wouldn't go to sleep. So the grown-up picked up this book and read this flap and took the book home and read it out loud and they both laughed and fell fast asleep fast. Just like you. The end.

Once Upon a Time Red's Untold Tale Wendy Toliver,2018-05-08 Red has a constant internal battle between her wild side and her strict, overprotective

upbringing, and the issue of control as she discovers she has a hot temper when the mean girls push her too far. (When we learn to control it, we needn't fear it, Rumpelstiltskin says in the series.) She has flashbacks to her 13th year when she received her cloak and the nickname Red. Plagued by nightmares she doesn't understand and a temper she can't control, Red struggles to save Granny's troubled business and to nurture her budding romance with Peter, even as the betrayal of her classmates awakens the wolf within.

Once Upon a Time Max Lüthi, 1976-09-22 This first paperback edition of the seminal work by the Swiss scholar Max Lüthi will be welcomed by folklorists for its informative survey of the various ways in which fairytales and related genres (local legends and saints' lives) may be read. Lüthi's lucid and intelligent book is refreshingly welcome. -Sewanee Review

Half Upon a Time James Riley, 2011-09-13 In the village of Giant's Hand Jack's grandfather has been pushing him to find a princess and get married, so when a young lady falls out of the sky wearing a shirt that says Punk Princess, and she tells Jack that her grandmother, who looks suspiciously like the long-missing Snow White, has been kidnapped, Jack decides to help her.

Once Upon a Time ... Online David Bedford, 2018 Once upon a time, a laptop arrived in Fairy-tale Land. Join Jack and his friends as they discover the ups and downs of going online!--Page 4 of cover

Once Upon a Time in Hollywood Quentin Tarantino, 2021-06-29 Quentin Tarantino's long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON—Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH—Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have got away with murder. . . . SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON—The ex-con's got a bunch of zonked-out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star.

Once Upon a Time , 2015-04-14 Return to the immersive world of ABC's hit television series ONCE UPON A TIME with an all-new sequel to the original graphic novel, ONCE UPON A TIME: The Shadow of the Queen. Welcome to the Enchanted Forest, where the characters from classic fairy tales have come to life and are locked in an epic struggle between good and evil! Plotted by series writer and co-executive producer, Kalinda Vazquez, and co-written by returning author Corinna Bechko, the release will tie into official show continuity and dive in to four never-before-told stories of fan favorite characters!

Once Upon a Time , 2013-09-03 The Evil Queen has, quite literally, captured

the Huntsman's heart -- and now he's her slave. Based on the world of ABC's hit primetime series ONCE UPON A TIME, this is the never-before-told tale behind their twisted relationship -- and what happens when a good man is forced to do bad. When Regina cooks up yet another devious plan to capture Snow White -- this time by allying with a pack of power-hungry werewolves -- the Huntsman comes face-to-face with his past...and an independent spirit in Red Riding Hood that just may match his own. Can these two break free of the forces that bind them and save Snow White? When put to the test, where will the Huntsman's loyalties lie? Has the Evil Queen stolen his heart in more ways than one?

Once Upon a Time Katharine Lee Bates, 1921

Once Upon a Time Gloria Vanderbilt, 1985

Reviewing **Once Upon A Time**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Once Upon A Time**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of

language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
