Author captures these great moments in Ohio State football history with the radio calls from the games on this 75-minute compact disc/book combination. Buckeye fans can listen back to the actual radio call of Howard Hopalong Cassidy's 88-yard interception return against Wisconsin in 1954; Jim Otis's touchdown run to make it 50-14 over Michigan in 1968; OSU's victory over Arizona State in the 1997 Rose Bowl; highlights from the 2002 national championship season, and many, many others. As an added bonus, the book/CD also

includes some of the only known audio of the infamous 1950 Snow Bowl, helping make it a must for all Ohio State football fans.

Ohio State Football Robert J. Roman, 2017 THE Ohio State University. That's how Buckeyes in the NFL introduce themselves on nationally broadcast football games. And this incredible history of the team will only increase that pride in Buckeye football for players, coaches, students, alumni, and fans who love the team. Author Robert J. Roman draws on extensive archival research to tell the untold story of the early days of football at Ohio's flagship public university. The game was different. Fields were rarely level and often rocky. Eleven men played both sides of the ball, quarterbacks were often the smallest men on the

team, and coaches were not allowed to communicate with the players during a game. The travel was different. The faculty of rival Ohio Wesleyan forbid their team from traveling to Columbus, where the vulgar, godless public university students might corrupt their young men. After Ohio State's first game outside the state-a victory in Kentucky-the team had to run for its life, chased by an angry mob of stone-throwing locals. But the students were the same. Eager to establish their school as the equal of older, wealthier, and more strictly religious colleges, Ohio State students saw intercollegiate athletics as their path to respectability. Do you not believe that our athletic clubs have generally represented the University with great credit to themselves and the University?, asked a student in the campus paper. Do you not believe they have spread abroad our good name and won friends for us all through the State? I tell you, in this day athletics are becoming just as much a part of a great University as Greek or mathematics. Ohio State Football: The Forgotten Dawn will not only fascinate readers interested in the school's team history, but also those interested in the early history of athletics at American public universities. Familiar debates over the construction of facilities, hiring of coaches, academic eligibility, and the authority of the faculty and the administration are all part of the story here. But above all, college football fans will see themselves, with pride, in this history of one of the sport's most famed programs. Includes forty rare photos from the Ohio State archives.

The 100-Yard War Greg Emmanuel, 2005-08-01 "A rough-and-tumble pop-culture look at the history of this storied game." --National Review Online
The 100-Yard War showcases two great football teams who want nothing more than to beat each other, celebrating their storied history and going behind the scenes with the players and the fans to reveal the bitterness, the passion, and the pride surrounding the Game. ESPN called it the number one sports rivalry of the century. It transcends the years, the standings, and all other distractions. And thanks to the countless remarkable football games between Michigan and Ohio State--and hundreds of thousands of devoted alumni and followers--the rivalry is now an enormous cultural event.

Full of interesting trivia, hilarious history, and inside scoops, the book relates the fantastic stories of legendary Buckeyes coaches and star players, as well as the numerous villains who have represented the maize and blue over the years. Game of My Life Ohio State Buckeyes Steve Greenberg,Laura Lanese,2013-08-01 A. J. Hawk can isolate the game of his life, the 2006 Fiesta Bowl against Notre Dame, not because of individual statistics, but because of what the game represented. "I think the fact that it was the end of an amazing four years—four big Bowl wins; three Michigan wins; lots of victories in those four years; and an amazing group of teammates and coaches—is why it felt like the game of my life," Hawk said. Jan White has a different reason for the game of his life: He scored his first touchdown as a Buckeye, playing a position he didn't necessarily want to play. "It became a footrace I was determined to win," White says of his 72-yard reception from Rex Kern against Northwestern in 1968. Whoever they are and whatever the reason, there always is "the" game in a player's memory bank. The folks, whose stories are chronicled in Game of My Life Ohio State Buckeyes, tell you why a certain game was the best, providing the detail, the color, and the

emotion that only a player can share. Football fans, most especially those card-carrying members of Buckeye Nation, will be enlightened and entertained by these stories. Buckeye greats such as Archie Griffin, Cris Carter, Mike Lanese, and Bob Hoying relive their legendary moments—from the sidelines to the huddle, from the depths of impending defeat to the pinnacle of glory. It just doesn't get any better.

Diary of an Unforgettable Season Steve Snapp, 2007-10-01 The expectations, and the stakes, are always sky-high when Ohio State University prepares to begin a new football season. For much of this decade, the Buckeyes have entered the season with very real and realistic national championship hopes. Those hopes became a reality in 2002, and in subsequent years were dashed only by the slightest of margins. Then came 2006, when the expectations again were nothing less than a perfect season and a BCS bowl berth for the national title. OSU's associate athletic director Steve Snapp knew this back in the spring of 2006, which is when he began to pen his personal diary

of one of the most memorable seasons in Buckeyes history. His insider's account of the magical 12-0 regular season and the stunning loss to Florida in the national championship game gives fans a rare birds-eye view of the blood, sweat, tears, and love that go into the making of a championship-caliber college football team. Follow the historic season from Snapp's personal accounts that recollect the preseason hype, the spring practices, the non-conference schedule, and then the rigorous, climactic Big Ten slate that ended dramatically with the annual showdown against Michigan. *Diary of an Unforgettable Season* also details the 51 days between games and OSU's mental and physical preparation for a national title game that went horribly awry. Readers will not only feel like they've been through a big-time college football season, they will also share the bumps, bruises, scars, triumphs, and disappointments that go along with being a player on the grand stage.
