The King in the Tree Steven Millhauser, 2007-12-18 A master of literary transformation, the Pulitzer Prize-winning author of *Martin Dressler* turns his attention to the transformations of love in these three hypnotic novellas. • “No one alive writes better about yearning and heartbreak.... Before such mastery, a reader can do nothing but bow his head.” —The Washington Post Book World While ostensibly showing her home to a prospective buyer, the narrator of “Revenge” unfolds an origami-like narrative of betrayal and psychic violence. In “An Adventure of Don Juan” the legendary seducer seeks out new diversion on an English country estate with devastating results. And the title novella retells the story of Tristan and Ysolt from the agonized perspective of King Mark, a husband who compulsively looks for evidence of his wife’s adultery

yet compulsively denies what he finds. Combining enchantment as ancient as Sheherezade's with up-to-the-minute acuity and unease, *The King in the Tree* is Millhauser at his best.

One in Three Tess Stimson, 2020-07-09 'O!M!G! This just blew me away.... Gripping, compelling... I could not put this down... Be prepared to be amazed... 5 very excited stars.' Goodreads reviewer, □□□□□

The Complete King Lear William Shakespeare, 1989

In Sunlight And In Shadow Mark Helprin, 2012-10-02 An epic love story set in post-war New York, by the best-selling author of *Winter's Tale*. In the summer of 1946, New York City pulses with energy. Harry Copeland, a World War II veteran, has returned home to run the family business. Yet his life is upended by a single encounter with the young singer and heiress Catherine Thomas Hale, as each falls for the other in an instant. They pursue one another in a romance played out in Broadway theaters, Long Island mansions, the offices of financiers, and the haunts of gangsters. Catherine's choice of Harry over her longtime fiancé endangers Harry's livelihood and threatens his life. In the end, Harry must summon the strength of his wartime experience to fight for Catherine, and risk everything. "In its storytelling heft, its moral

rectitude, the solemn magnificence of its writing and the splendor of its hymns to New York City, [In Sunlight and in Shadow] is a spiritual pendant to Winter's Tale and every bit as extraordinary...Even the most stubbornly resistant readers will soon be disarmed by the nobility of the novel's sentiments and seduced by the pure music of its prose."—Wall Street Journal

The Emigrants George Lamming, 1994 A compelling and intricate novel of emigration and the effects of colonialism on a people

Shylock Is My Name Howard Jacobson, 2016-02-09 Man

Booker Prize-winner Howard Jacobson brings his singular brilliance to this modern re-imagining of one of Shakespeare's most unforgettable characters: Shylock Winter, a cemetery, Shylock. In this provocative and profound interpretation of *The Merchant of Venice*, Shylock is juxtaposed against his present-day counterpart in the character of art dealer and conflicted father Simon Strulovitch. With characteristic irony, Jacobson presents Shylock as a man of incisive wit and passion, concerned still with questions of identity, parenthood, anti-Semitism and revenge. While Strulovitch struggles to reconcile himself to his daughter Beatrice's "betrayal" of her family and heritage—as she is carried away by the excitement of Manchester high society, and into the arms of a footballer notorious for giving a Nazi salute on the field—Shylock alternates grief for his beloved wife with rage against his own daughter's rejection of her Jewish upbringing. Culminating in a shocking twist on Shylock's demand for the infamous pound of flesh, Jacobson's insightful retelling examines contemporary, acutely relevant questions of Jewish identity while maintaining a

poignant sympathy for its characters and a genuine spiritual kinship with its antecedent—a drama which Jacobson himself considers to be “the most troubling of Shakespeare’s plays for anyone, but, for an English novelist who happens to be Jewish, also the most challenging.”

The Cordelia Dream Marina Carr,2014-09-04 Haunted by her dream of Cordelia and Lear, a woman confronts an elderly man, her lifelong antagonist and rival. During their passionate altercation he dismisses her success as a composer and demands she make the ultimate sacrifice: for him to flourish she, his protégée, must be silent. Five years later, she returns for a final and devastating encounter. Marina Carr's *The Cordelia Dream* premiered in December 2008 at Wilton's Music Hall, London, in a production by the Royal Shakespeare Company.
