🔍 IT NEVER ENDS Tom Scharpling,2021-07-06 From cult comedy icon and beloved radio host Tom Scharpling, an inspiring, funny, and thoughtful memoir It Never Ends is Tom Scharpling’s harrowing memoir of his coming of age, a story he has never told before. It’s the heartbreaking account of his attempt at suicide, two stays in a mental hospital, and the memory-wiping electroshock therapy that saved his life. After his rehabilitation, Scharpling committed himself to reinvention through the world of comedy. In this book he will lift the curtain on the turmoil that still follows him, despite all of his accolades and achievements. In the vein of candid memoirs from comedians like Mike Birbiglia’s Sleepwalk with Me and Norm Macdonald’s Based on a True Story, It Never Ends is a revealing book by a beloved comedy icon.

🔍 HIGH SCHOOL JOURNALISM Jim Streisel,2016-04-14 High school journalists share the same objectives as professional reporters—finding the story, writing the story, and packaging the story so that it appeals to an audience. Understanding how to best accomplish these objectives is key to the student on the newspaper, yearbook or Web site staff, but the fundamental art of storytelling and story presentation are not always at the center of high school journalism classes. Student journalists must first understand that storytelling, at its most basic level, is about people, and that understanding the audience is essential in deciding how to present the story. This handbook for high school journalists and teachers offers practical tips for all elements of school journalism. The author covers the essential components that students must understand: information gathering, writing, standard and alternative coverage and packaging. Students will find valuable information about identifying news, interviewing, research, narrative writing style, editing, visual presentation and layout. The book also covers the legal rights of student journalists, objective vs. opinion writing, staff planning and organization and Web-based journalism. Each chapter includes study guides for practical applications of the concepts discussed. Instructors considering this book for use in a course may request an examination copy here.

Guitar World has never failed to offer the best coverage of this enduring and explosive scene, and the collected pieces here are a must for every metal fan.
