BIRDS OF FREEDOM PARK - IT IS CHRISTMAS John Mungai,

The Feder Guide to Where to Park Your Car in Manhattan (and Where Not to Park It!) Erik Feder,2005-06 The Feder Guide lists street parking regulations for every street in the downtown area of Manhattan (30th Street - Battery Park) as well as over 150 parking facilities in this same area including their locations, hours of operation, contact information and rates. This book also provides street maps, gives helpful hints as to the best and worst places for street parking and offers tips for what to do if a car is missing, towed or ticketed. If this book helps a Manhattan motorist avoid just one parking ticket, itll pay for itself up to six times over. If it helps a driver in Manhattan to avoid being towed, it pays for itself at least fourteen times over.

It's an Amusement Park Thing Michael Burkes,2017-05-31 This book is about having fun. It's about enjoying a pastime and taking pictures, which you may not have thought about before. It's about searching for that particular angle and shot that will be remembered by you and will be yours always. It's about having the patience and the knowledge to prepare to take a particular picture and the joy of the hunt to find that photo. I hope that this book will inspire you to get out and learn your camera to the many possibilities of functions it offers, to travel to your home amusement park as well as outside your realm to find that one particular photo that has an angle you did not see before—whether it's a roller coaster, spin ride, pastoral scene, or an architectural wonder— and to beam and smile as you take photos during the dusk of morning, late afternoon, early evening, and late at night. This book will try to cover all those facets and more.

And so far Cheryl's had no problem hiding her age—her husband only has eyes for her. That is, until twenty-one-year-old Sexy Sanchez comes on the scene. Sexy blatantly goes after Cheryl's man, and a series of catfights ensue between them. Cheryl realizes she's in the battle of her life to keep her man and plots to get rid of her nemesis. But when she hires a private investigator to dig up some dirt on Sexy, she discovers that getting rid of her rival might not be easy, and could also reveal some devastating secrets she'd rather keep to herself...
