New York Green Ngoc Minh Ngo, 2023-05-23 This beautifully photographed guidebook celebrates New York City's most exceptional—and often overlooked—parks and gardens, all open to the public! New York City is filled to the brim with beautiful, unique green spaces—if you know where to look. From the Church of St. Luke in the Fields in the West Village to the Brooklyn Grange rooftop farm in the Navy Yard, the Isamu Noguchi Foundation and Garden Museum in Queens to New York's Chinese Scholar's Garden in Staten Island, celebrated photographer Ngoc Minh Ngo takes readers on a tour of the most exceptional gardens and parks across the five boroughs in this lushly illustrated guidebook. Through Ngoc's beautifully photographed and well-researched profiles, readers will not only discover parks and gardens they never knew existed, but they will also learn the fascinating history of green spaces in New York and about the innovative new projects being undertaken to ensure we all can enjoy them for years to come. Head up to the nearly century-old Met Cloisters to discover a garden filled with plants depicted in the museum's medieval art collection, and an herb garden planted exclusively with species known in the Middle Ages. Then travel to Brooklyn to visit the Gil Hodges Community Garden, a tiny oasis along the Gowanus Canal and a critical piece of the city's green infrastructure: storm water is absorbed, filtered, and diverted to the garden, relieving pressure on the sewer system and thereby protecting the local waterways from contamination. The book features wildlife preserves and community vegetable patches, sprawling old-growth forests and vest-pocket parks of less than five thousand square feet. Each one tells a story, and offers a wonderful refuge from the hustle and bustle of the concrete jungle.

Managing Conflicts in Protected Areas Connie Lewis, 1996 This handbook was written for staff working in protected areas around the world (including parks, wilderness areas, research areas, and other types of protected landscapes) who encounter conflicts of all kinds. The Handbook can also be a resource for other interested parties who want to play a constructive role in protected area conflicts. A simple framework is offered and some strategies for responding to different types of conflicts in protected areas are explored. Case studies, which are the heart of the Handbook, describe a variety of both short and long term approaches for dealing with conflict.

Ride the Lightning Dietrich Kalteis, 2014-04-01 "Kalteis will be deservedly compared to Elmore Leonard, but he is an original voice . . . A great story filled with wonderfully flawed characters" (John McFetridge, author of the Toronto Series). Bounty hunter Karl Morgen went after Miro Knotts on a skipped bond, finding the dope dealer wrapped around an underage girl at a rave in Seattle. Dragging Miro in the hard way gets Karl's license revoked—while Miro gets off with a suspended sentence. So Karl finds some work as a process server in Vancouver, thinking it's the kind of place where people settle things with middle fingers instead of guns. But the city is teeming with two-bit criminals, drug dealers, and gangsters, and Miro seizes an opportunity to settle his score with Karl while working a major drug deal. What follows is a ride through Vancouver's underbelly, with a cast of characters whose ambition exceeds their criminal acumen, in a crackling novel marked by both gritty realism and a sharp comedic touch.
