

# Pay Me Back

RJ Shavelson

*Pay Me, Bug!* C. B. Wright, 2012-07-18 Grif Vindh, Captain of the Fool's Errand, just pulled off the job of a lifetime: against all odds, he and his crew smuggled a rare anti-aging drug out of Ur Voys, one of the most secretive and secure facilities in the Empire of the Radiant Throne. It was every smuggler's dream, the Big Score, and they find themselves filthy rich as a result. But their good fortune attracts exactly the wrong kind of attention: the Alliance of Free Worlds has been trying to infiltrate Ur Voys without success, so they conscript the only man who has: Grif Vindh. The Radiant Throne, desperate to know how their security was so easily thwarted, send one of their best to track him down and learn the truth... by any means necessary. Grif and his crew must perform the impossible a second time: break into Ur Voys, steal something so secretive their employers don't really know what it is, and get away clean. Along the way they'll have to deal with deadly spies, psychotic telepaths, vicious cyborgs, inconvenient family ties... and a hyperintelligent bug who always bets against its captain.

**They Don't Pay Me To Say No** Dean Goodine, 2022-05-18 Props are integral to the success of any movie or TV show. Weapons, books, newspapers, eyeglasses, military gear, medical equipment—virtually anything that a character holds, reads, uses, or shoots on screen is provided by the props department. The right prop can become an iconic plot point on which the entire story pivots, turning that item into a fabled piece of Hollywood history. The wrong prop can expose a film or a TV show as a shoddy production, making the story more laughable than believable. Even worse is a prop breaking, or not showing up when the cameras are ready to roll. Such a scenario is the worst nightmare for someone like Dean Goodine, who has spent nearly four decades putting props into the hands of actors and using these items to help bring imaginary worlds to life. Dean has worked on everything from Oscar-nominated feature films like *Unforgiven* to network TV shows like *Stargate SGI* to streaming hits like *A Series of Unfortunate Events* to small independent films. In this book, Dean details the highs and lows of his thirty-six years in props, giving readers a firsthand look at what it takes to deliver the goods on screen. It's full of humorous stories and hair-raising moments, and it features many names that you will recognize along the way. When it comes to recognizing excellence in the film industry, no awards are ever given for props, but by the time you reach the end of this book, no doubt, you'll agree there should be.

*Pay Me In Flesh* K. Bennett, 2011-08-01 Hungry For Justice-And Brains Meet Mallory Caine. Attorney at law. Zombie at large. She's not like those Living Dead losers you see in the movies. She doesn't slobber, drool, or lurch-she's smart, stylish, and sexy. Sure, she's a zombie and a lawyer but, hey, a girl's got to eat. When Mallory's not in the courtroom, going head to head with her ex-boyfriend, killer-prosecutor Aaron Argula, she's in the seedy streets of Hollywood, hunting brain after brain. That is, until some psycho starts hunting zombie after zombie. . . The Defense Never Rests-In Peace The undead are decapitated, a letter Z carved in their flesh. Mallory doesn't want to lose her head, but she's worried. Like a lot of lawyers in L.A., she doesn't have a soul-a side effect of being a zombie, not a defense attorney. If Mallory dies before she gets her soul back, she goes straight to hell. No appeals. Objection overruled. If the killer isn't stopped, it's case closed for zombies everywhere. But Mallory is an undying champion of justice. And she won't go down-without a bite. . .

**Love Me Back** Merritt Tierce, 2015-06-09 Sharp and dangerous and breathtaking.... A defiant story about a young woman choosing the life and motherhood that is best for her, without apology.” —Roxane Gay, bestselling author of *Bad Feminist* Marie is a waitress at an upscale Dallas

steakhouse, attuned to the appetites of her patrons and gifted at hiding her private struggle as a young single mother behind an easy smile and a crisp white apron. It's a world of long hours and late nights, and Marie often gives in to self-destructive impulses, losing herself in a tangle of bodies and urgent highs as her desire for obliteration competes with a stubborn will to survive. Pulsing with a fierce and feral energy, *Love Me Back* is an unapologetic portrait of a woman cutting a precarious path through early adulthood and the herald of a powerful new voice in American fiction.

The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**The Love Series Complete Box Set** Melissa Collins,2015-04-21 The entire series is together for a limited time.
