Blue Period 2 Tsubasa Yamaguchi, 2021-01-05 Art has changed the course of Yatora's once dull life, and now he's aiming for Japan's most competitive art school. With entrance exams a year away, he'll need to expand his limited eye for art, and quickly. He turns to new peers and the masters to envision pieces only he can produce, and soon dives into his first competition—the same one where his Art Club role model nearly scored last place. Among geniuses and lifelong art kids, does Yatora even stand a chance...?

Judaism of the Second Temple Period David Flusser, 2007-10-26 Translated by Azzan Yadin Foreword by David Bivin David Flusser was a very prolific scholar of the Dead Sea Scrolls, and his contributions to Scrolls research, apocalypticism, and apocalyptic literature are inestimable. With this English translation of many of his essays, Flusser's insights are now available to a wider audience than ever before. Here Flusser examines the influence of apocalypticism on various Jewish sects. He states that the teachings of Jesus, while reflecting first and foremost the views of the sages, were also influenced by Jewish apocalypticism. Examining the Essenes, their effect on Hebrew language, the split of sects, and much more, Flusser's collected essays offer an important source of study for any Dead Sea Scrolls scholar.
