Your friends will say "Tell us a pirate joke." Then you'll tell your friends your favorite pirate joke (the one from page 43). The hills will be filled with roars of laughter as you deliver the punch line. Your grouchy neighbor will stick their head out the window and demand to know what all this noise is about. Once your friends have regained their composure they'll tell your neighbor that you have just told them the best joke ever (not just the best pirate joke, but the best joke). The Pirate Dictionary Breverton, Terry,2004-07-31 We hear the terms steer clear of, hit the deck, don't rock the boat , and to harbor a grudge and give little thought to their origin. Left together on ships for months, and often for years, pirate crews developed expressions that made their way into common usage. Terms for things related to life at sea became idioms used by land lubbers, a term derived from the holes in the platforms surrounding the mast that allowed sailors to avoid climbing the rigging around the platforms. A lubber was someone who was very clumsy, so a land lubber is someone who knows nothing about sailing and rigging.Centuries ago, men wore wigs of length denoting their wealth and importance. Soon, many naval captains, including Sir Henry Morgan and Captain Chaloner Ogle, who killed Black Bart Roberts, began to adopt the style. A law was passed in England declaring that only nobility, judges, and bishops could wear full-length wigs and so was born the term bigwig .Reading through these words and phrases is an abbreviated trip through history, with lists of major naval mutinies, a summary of the slave trade, and even jokes. This dictionary is written to be entertaining as well as informative, to give a flavor of the interesting times from the fifteenth to the eighteenth centuries when pirates controlled many sealanes. It also contains a treasure trove of factual information about life aboard the ship, important pirate haunts, and technical terms.
