

Places Ive Seen

Jackson Mathews-Mitchell

Things I've Seen Places I've Been Ann Mihkelson,2019-02-13 Travelling to a new place, or revisiting, is an adventure. Besides the guides that tell you where to stay and what to see, there are the personal discoveries that make trips memorable. Ann Mihkelson, in her new book, shares her experiences to 26 destinations including Christmas in Germany, seeing the Aurora Borealis in Norway, searching for elves in Iceland, meeting ancient ancestors in the Basque Country, envisioning grim life in a Russian gulag, getting lost at night in Venice and experiencing a hamman in Turkey. The reader also encounters some of the complexities of culture, history, mythology and life in locations that more recently, have become accessible to English speakers - Albania, Georgia, Bulgaria and Romania as well as little know islands of the Baltic off the coast of Estonia. This book can be read by dipping in to chapters by the traveller looking for inspiration for the next trip, by the armchair traveller, or a seasoned one comparing notes. The travellers' eyes are opened ... to look and see.

Pharrell Pharrell Williams,2012 Lavishly illustrated with over 400 sketches, concept renderings and photographs, this book features Pharrell William's prolific body of work in his unique graphic language, including apparel from his Ice Cream/Billionaire Boys Club clothing Line (which he developed with *A Bathing Ape® founder NIGO®), his jewellery and accessories designs for Louis Vuitton, his furniture designs for Domeau & Pérès, as well as other product design, limited-edition toys; graphic designs, skate graphics and collaborations with Moncler, Marc Jacobs, the artist KAWS, and with architects Zaha Hadid and Masamichi Katayama/Wonderwall. This comprehensive book also explores Pharrell William's musical career in depth, from his role as producer for the Neptunes to the band N.E.R.D, and his collaborations with friends Kanye West, Jay-Z, Snoop Dog and other hip-hop royalty. One of the few artists to successfully weave together his varying talents and interests, Pharrell's unique body of work uses elements of music, fashion, street art and product design to create an industry, with one segment both supporting and inspiring the others. Critical essays lend context and position Pharrell's work within contemporary visual and material culture. With sections examining his design work, his music career, his collaborations and his inspirations, this volume gives readers insight into the synergetic process which has brought the artist such success.

The Places I've Been and the Things I've Seen Daniel Roberts,2005-05-13 Young readers are introduced to many familiar storybook in this colorfully illustrated children's book. They meet such beloved characters as Little Red Riding Hood, The Three Bears and the Gingerbread Man as they discover the fun of reading.

Oh! the Places I've Been Bernice Livingston Youtz,2014-03-05 Oh! the Places I've Been is a memoir Bernice Livingston Youtz has written primarily for her family and a few friends. She relates childhood in the Depression of the 1930s (she always knew that it was spelled with a capital D), adolescence during World War II, young adulthood, marriage, children in the post-war 1950s. She recalls an early love of reading which led, not surprisingly, to an aspiration for travel, although there was no opportunity for that until she was an adult, no study abroad programs or summers hosteling in Europe. She made up for that in work and travel in post-war Europe, and--after her marriage--she and her husband lived in Beirut, Lebanon, for three years. She writes of the great pleasure she took in raising her three children and in the travel she has been privileged to enjoy in recent years. She is grateful for the privilege of having lived in Lebanon and on two occasions in France, has traveled in some sixty countries. She still reads, thinks often of the many people she has known throughout the world.

The Places I've Been. The Things I've Seen Starfish LLama,2019-11-18 A journal to catalogue the places you have visited and the things you saw there, why they are important and the impact they have had on you. 100 lined pages with a glossy cover. For individual use or as a gift.

Oh! the Places I've Been EUGENE WEISBERGER,2013-06-17 Oh! The Places Ive Been is another of the many travel books I have written in the last fifteen years. It does not nearly cover the many countries I have visited but I thought the title would be a cute one nevertheless. In the last four decades I have visited over sixty countries in six continents, but this book will take you some interesting places which I missed writing about along the way. I especially loved the little country of Wales which most travelers seem to miss along their way. In thinking back about those fun places, I especially liked California and the Hearst Castle and I would invite anyone who can take the time to visit there. Yes, it is true that it is not in the main stream of places to see, but if you have traveled to the many popular places of the world, take a few extra days and try to see the Hearst magical home

Places I've Been, Things I've Seen Ken Shaw,2023-10-04 Much of the subject matter in this book can be attributed to early childhood accounts of family history and simple family travel adventures. Addition writings are tributes to the natural beauty of the Bashakill wetlands, Common Sense, and Personal Opinions on the many outlooks of life.

All the Places I've Seen Faces Heather Stephenson,2012-08-10 From morning to night, the world is full of friendly faces. This is a colorful picture book for kids of all ages.

Good Poems, American Places Various,2011-04-14 Another wonderful poetry anthology from Garrison Keillor-rooted in the American landscape. Greatness comes in many forms, and as Garrison Keillor demonstrates daily on The Writer's Almanac, the most affecting poems in the canon are in plain English. Third in Keillor's series of anthologies, Good Poems, American Places brings together poems that celebrate the geography and culture that bind us together as a nation. Think of these poems as postcards from the road, by poets who've gotten carried away by a particular place-a town in Kansas, a kitchen window in Nantucket, a Manhattan street, a farm in western Minnesota. Featuring famous poets and brash unknowns alike, the verses in this exhilarating collection prove that the heart can be exalted anywhere in America.

Put Another Pin in the Map George S. Fleetwood,2016-09-08 With decades of experience and a true zeal for travel, join George as he takes you through Europe. Often times pursuing off-the-tourist-path destinations and always adhering to a value conscience approach to travel, you may learn tips from him on where to visit and how to cut corners in doing so. His Midwestern view of the world comes through clearly as he endeavors to tell his son about his travels. Additionally, he introduces you to the food and drink of the areas he visits. As someone who grew up in a household with a strong appreciation for culinary pleasures, he shares with you his favorite dining experience in each country he visits. He has also made an effort to include recipes for these flavorful meals. So, if you are a bit of an adventurer you can prepare these dishes at home for your family and friends.

Things, Beings & Places I've Seen Parker Winans,2017-04-17 Underground artist Parker Winans shares with you the forbidden unseen realms, blissfully doomed people and anthromorphs, and repugnant magical objects and forms from the depths of his mind.

O' the Places I've Been Charles Classen,2012-04-12 This book captures the memorable elements of the record-making aerial adventure around the world. This trip was made by my partner, Phil Greth, and me in his 1955 Beechcraft, G35 Bonanza. It took place from the May 27, 1988, liftoff at 6:00 a.m. in Waukegan, Illinois, and ended twenty days later on June 16, at the 4:37 p.m. flyby at Waukegan. It became a day of infamy to my youngest son whose birthday was that day, but was forgotten by his father until days later. The book regales the reader with details of the trip, that are expected to be enlightening to a pilot as the craft headed westbound to San Jose, Honolulu, Majuro, Guadalcanal, Cairns Adelaide, Alice Springs, Darwin, Bali, Singapore, Madras, Dubai, Cairo Palma, Santa Maria, St. Johns, and home to Waukegan, but somewhat repetitive and bordering on boring to the non-pilot except for those moments that become exciting due to uncertainties of outcome. This will tantalize most. Details of preparation and afterglow are both mixed in and explored to provide the reader with a "cradle to grave" perspective. Further, it will introduce the author's father to the extent of giving an explanation of motivations and personalities. Since this was somewhat of a second attempt on the part of these two pilots, there will be the inclusions of two planning and preparation times. It will include many of those friends and relatives who played sub-orbital roles, either knowingly or otherwise. It will give significant background to a lot of decisions and animosities that surfaced on occasion. The planning was intended to be sufficient to cause repeated memories of something told to me early on . . . If the planning is done adequately, the trip will be a lot of sheer boredom, except for the interjection of sheer terror at the moments when something begins to go wrong. The book concludes with a look back as the twenty years of record holding is celebrated and then closes with the setting of new records and the bittersweet finish to the living of a dream.

Places I've Peed Jackson Mathews-Mitchell,2007 Jackson Mathews-Mitchell is a pampered dog in a world suddenly gone awry. Places I've Peed is the journey that Jackson takes with his mom and dad-peoples. Puns are made, people and things are made fun of, and beautiful pictures all motivate the reader to keep up with Jackson on his hilarious cross-country trek from Oklahoma to Alaska. Readers of Places I've Peed will beg for more 'Jackson stories' once they see and hear from him. Jackson is witty. He's cute, charming, and rotund; and he's a ladies man. Everyone loves Jackson.

Home and Other Places I've Yet to See Daniel J. Flore III,2018-11-04 Home and Other Places I've Yet to See is a book constantly raising its lights to their fullest intensity, glaring in the eyes of its reader, and its bulbs not only burn out but explode and shatter across its pages. With poems like headaches and cold compresses, like hell, earth, and heaven, Flore navigates subjects like God, love, sickness, health, travel, benches to stop for rest, and destinations. Daniel Flore lived in seven different locations and had two stints at homeless shelters in the three years it took him to write Home and Other Places, and the collection shows the sheer living Flore accomplished in that time. Climb into a secret crawlspace in your mind and open up Home and Other Places.

The Places I've Cried in Public Holly Bourne,2019 A powerful, vital gut-punch - Laura Bates Funny and sad, this book urges girls to know their own worth - The Guardian Tackles abusive relationships with a compassionate and authentic voice - The I It looked like love. It felt like love. But this isn't a love story. Amelie fell hard for Reese. And she thought he loved her too. But she's starting to realise that real love isn't supposed to hurt like this. So now she's retracing their story, revisiting all the places he made her cry. Because if she works out what went wrong, perhaps she can finally learn how to get over him.

Oh, the Places I've Been! Journal Dr. Seuss,2015-03-24 A journal for sophisticated Seuss fans! This all new hardcover journal inspired by Dr. Seuss's Oh, the Places You'll Go! features inspirational quotes and color artwork throughout! A blank book that is not quite blank, it's 160 mostly-lined pages are the perfect place for reflecting on the Great Balancing Act (aka Life) and all the places you've been. With a linen-textured matte laminated cover and peel-off stickers on the front and back cover, it makes a sophisticated gift for high-school or college graduates--or anyone wanting to be inspired on the Road of Life!

A Prince of Mischance Tom Gallon,1898
Places I've Seen Faeries Elisabeth Contreras-Moran,2019-07-03 Do you still believe in the magic of the natural world? If so, welcome to the wonder of the faerie finding journal. This faerie finding journal is a great place to describe the mystery of faerie dwellings, to keep the magic alive in both written and artistic form. Inside this large journal (8.5x11), there is plenty of space on its double page prompted format to describe a particular site where faeries are thought to live, to write about the signs of faerie life seen and ample space for various drawings, sketches or to stick in photographs. Included are 25 double pages for writing and drawing different environments as well as one page with some hints and suggestions for finding possible faerie dwellings. This journal would be perfect for children (and adults) to take on nature walks. Good luck faerie spotting!

Motor Age ,1924
