[!\[\]\(0f848bbd71cef6b345273b16f905912a_img.jpg\) Pokémon Go](#) D. D. Daniels, 2016-08-01 Pokémon Go has in a matter of weeks become an internet phenomenon. It made \$14 million for its creators since launch, and it's breaking all sorts of records and topping download charts. But why? What is it? How can you get it? Here's the lowdown on everything you need to know about Nintendo and The Pokémon Company's latest smash hit. What's in this Ultimate Pokémon Go Guide? This is a comprehensive guide for Pokémon Go. All of a sudden it's like we've travelled back in time to the mid 1990s. Everybody has Pokémon fever again, and people are quite literally out on the streets catching Pokémon, which is something of a bizarre thing to think about. Topics covered in this guide include... * How to earn XP, level up, join gym teams and more * Getting started and catching Pokémon * Levelling up your trainer and Pokémon * Gyms, teams and Pokémon battles * Advanced tips and tricks for catching Pokémon * Hatching eggs and finding out which Pokémon are inside * Rewards, XP and unlockable items for every level * How to find rare and legendary Pokémon * Using incense correctly to catch Pokémon * How to easily tell if there's a problem with the Pokémon server and much more! What's the craze all about? To break it down to its simplest description, Pokémon Go uses your mobile phone's satellite GPS systems and built-in clock to figure out where and when you are when the game is open. When you've got the game open, the game then populates the world around you with Pokémon. You end up looking at the world through your phone's screen and camera, and Pokémon are dropped onto the top of the real world in a semi-convincing way - this is augmented reality. What happens then is much like the rest of the Pokémon games - you can catch various creatures and do battle with others, training Pokémon and working to 'catch them all' as well as build your strength in battle. The gimmick is that thanks to the GPS and augmented reality, the Pokémon available to you change based on your real-world location and the time of day, so players are encouraged to move around. Real-world locations are even marked as PokéStops and Pokémon Gyms, meaning you have to travel to them if you want the benefits of those locations. It's pretty cool stuff.

The Ultimate Guide to Learn Pokémon Go Fast (Pokémon Go secrets, user manual, hints, hacks, tips and tricks) Pokémon GO is a geographical-based augmented reality mobile game developed by Niantic for iOS and Android devices. Though the AR is what makes the game so much fun, this technology is far from new. The concept of having a view of the real-world where elements are layered (or augmented) with computer-generated images was introduced in 1990. Pokémon GO uses a combination of ordinary technologies built into smart phones, including GPS location tracking and cameras. This game has encouraged people to get out of the house and capture Pokémon (Pocket Monsters). In the process players get needed exercise and learn much more about their surroundings. In the game's first week of release it became the fastest game to top the App Store and Google Play. It became the most downloaded app from the App Store of all time. It has been referred to as a social media phenomenon and the surge in popularity has been referred to as Pokémon GO mania or simply Pokémon mania. The ultimate object of the game is to catch all 100+ types of Pokémon and, as a trainer, reach the highest level in the game. To reach that result you will need to understand each element of the game and how it works. In this book, we will introduce to you some tips and tricks to get you started quickly. Here is a preview of what you'll learn: Capture, train, power up and evolve your Pokémon gain and spend Pokémon coins Where each Pokémon type can be captured Training for and recovering your Pokémon from battle Gain items and at what level they become available to you Level up your trainer Battle and win ownership of gyms Download your copy of Pokémon Go by scrolling up and clicking Buy Now with 1-click button.
