Wings That Shine Lisa Ann Scott,2017-01-31 In this fantasy tale, a magical pony must find the courage within herself to step forward and save her school. Welcome to the Enchanted Pony Academy, where glittery ponies learn how to use their magic! Skydancer can talk to any animal with wings—a very useful Glitter Gift, and one she's always enjoyed (having your mane braided by birds is fun!). But when she stumbles upon a dragon at the edge of the Enchanted Pony Academy grounds, Skydancer is terrified. Can she be brave enough to use her Gift and convince the dragon to go away . . . before everything goes up in flames?

Back in the Saddle Catherine Hapka,2016-08-16 Haley and her pony, Wings, enter a prestigious competition in this seventh book in a contemporary middle grade series in the tradition of Marguerite Henry's Misty of Chincoteague. Haley has been focused on one goal with her pony Wings: entering an upcoming competition in the fall and winning. She's so busy trying to make that happen that her grades drop and her family is worried. And then, when the big day finally arrives, Haley falls off Wings and is eliminated! It's the worst thing she can imagine after all her hard work and sacrifice. Can she get back on her horse and regain her self-confidence?

Chasing Gold Catherine Hapka,2014-11-04 When all of Haley's time goes to training her pony, keeping an eye on the prize causes problems in this third book in a contemporary middle grade series in the tradition of Marguerite Henry's Misty of Chincoteague. For months, Haley Duncan has been saving up to ride with her pony Wings in a clinic with a world-famous event rider. On top of that, she wants to make sure Wings is as fit and ready as he can be, which means extra trot sets before school and training and cleaning tack all weekend. So what if Haley's friends complain that she doesn't have time for them anymore? So what if she has to miss her very first ever school dance, or skip a favorite family tradition, or leave early from her BFF's first boy-girl party? Everyone will get it when they see her in the Olympics someday. But when Haley's overscheduled existence and exhaustion causes an accident, she may have to say good-bye to her dreams...

The Girl with the Chicken-House Pony Doris Anderson,2015-11-03 Twelve-year-old Annie Thompson used to be friendly and cheerful. She loved her home in Southern California, and she loved school. Now Annie has a secret--one that makes her feel shamed and all alone. When she was nine, an older boy named Lonny molested her more than once, threatening to kill her and her parents if she told. Now in seventh grade, Annie is withdrawn, suspicious, and depressed. Her parents don't understand where the girl they once knew has gone, and she can't tell them. It was her fault, she tells herself. Kids at school sense she's in pain, and they bully her. And then, Precious, a six-year-old brown-and-white Welsh pony with a white star on her forehead, appears in Annie's life. The pony, too, despite the neglect it has received, is a survivor. Together, Annie and Precious embark on a journey that takes them both to a better place.

Information about these collectible toys, released through Hasbro's Kenner Toys arm, was scattered, confused and incomplete. . . until now! With the release of The My Little Pony G2 Collector's Inventory, Summer Hayes has compiled the first illustrated guide of its kind with large, full-color photos detailing all the ponies, playsets and accessories to give many collectors and fans their first look into the lost generation of MLP. With checklists so collectors can keep track of their want lists as well as a price guide for both loose and mint in box sets to help with buying and selling G2 items, Hayes has collected all of the knowledge about this 6 year span together for the very first time. This new release is the perfect companion piece to the G1 and G3 guides from The My Little Pony Collector's Inventory series.
