Oh Crap! Potty Training Jamie Glowacki,2015-06-16 From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? - My kid was doing so well—why is he regressing? -And what about nighttime?! *Oh Crap! Potty Training* can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and

there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.

Diary of an Alcoholic Housewife Brenda Wilhelmsen, 2011-03-01 A gripping first-hand story of personal triumph and recovery by a wealthy American housewife who appeared to have it all but who was, in reality, losing life's most important moments in an alcohol-induced haze. Brenda Wilhelmsen was like a lot of women in her neighborhood. She had a husband and two children. She was educated and made a good living as a writer. She had a vibrant social life with a tight circle of friends. She could party until dawn and take her children to school the next day. From the outside, she appeared to have it all together. But, in truth, alcohol was slowly taking over, turning her world on its side. Waking up to another hangover, growing tired of embarrassing herself in front of friends and family, and feeling important moments slip away, Brenda made the most critical decision of her life: to get sober. She kept a diary of her first year (and beyond) in recovery, chronicling the struggles of finding a meeting she could look forward to, relating to her fellow alcoholics, and finding a sponsor with whom she connected. Along the way, she discovered the challenges and pleasures of living each day without

alcohol, navigating a social circle where booze is a centerpiece, and dealing with her alcoholic father's terminal illness and denial. Brenda Wilhelmsen's *Diary of an Alcoholic Housewife* offers insight, wisdom, and relevance for readers in recovery, as well as their loved ones, no matter how long they've been sober.

The Poop Diaries Abby Ross, 2020-02-06 They come into our homes. They see us in our most fragile moments. Plumbers are a fixture in our lives. When a toilet clogs, a faucet leaks, or a sewer line plugs, we call those unsung heroes, desperately seeking help. They scoop out our poop and pull underwear, toothbrushes and cotton balls out of our toilets, doing whatever it takes to get the job done. On a late Wednesday evening, after my toilet clogged, I asked our plumber to share his top five "greatest hits." The stories were so hilarious, I had to share them with the world. The Poop Diaries features true stories told by my plumber, and many other plumbers, about the most memorable service jobs they have worked on and most unique people they have helped. Whether it's nudity, rats, fake vaginas, dildos, snakes, weapons and so much more, these plumbers have seen and smelled it all.
