My Weekly School Homework Planner Anthea Peries,2016-07-25 ABOUT THIS BOOK You know how at the very beginning of term you always intend to keep up with assignments but somehow as time goes on it becomes harder to do so because you write the details on scraps of paper, your notebook, you get distracted and forget about it? Or perhaps you simply cannot fit in the time to complete it all on time? It takes planning and organisational skills right? There is no better way to develop great planning and organisational skills than to begin with scheduling your time with homework tasks and assignments. Whether you are in school, college or university this book will enable you to plan ahead, keep track and deliver your assignments in on time. This decorative 8x10 inch, portable, planner is the perfect revision tool, study aid and keepsake or gift for someone who is studying. Inside there is a class or lecture timetable for you to personalise, and blank weekly assignment schedules to complete. There is space to write a few important notes at the back of the book and it is available in several different cover designs.

Homework Planner Book Executive Journal Books,2018-07-13 The homework planner is a great one to have on hand for those larger homework projects. It allows students to keep track of important information for the project and gives room to record the criteria the teacher wants to be met. It also allows a student to break a large project down into smaller, easy to manage steps. Sometimes the assignments a student is given can be a little overwhelming, but with a homework planner like this one that huge project can be broken up into smaller steps making it feel much more achievable. This Homework Planner is suitable for College and School with spaces for date, class, assignment, due date, criteria, what to do, when to do and done. This Planner is filled with motivational quotes. Perfect size 8.5 x 11 inches with over 130 pages. Great homework Planner to keep you organized in the new academic year!

My Homework Planner Purple Ybbit Books,2020-01-06 This daily homework planner is specifically designed to help elementary and early middle school students practice and work through the executive functioning skills of staying organized. Each daily spread contains two sides; one side for the student to complete during the school day and another side for the student to complete at home during homework time. Each side contains a checklist of questions that help the student create and implement routines to ease the transitions between home and school. This homework planner also makes homework time a little less stressful for the student and the parents. At the end of a long day at school, students with executive function difficulties sometimes have trouble getting started with homework because the task of finishing that science assignment can seem too daunting. This homework planner prompts the student to break down the particular task into simple action steps, such as read over the assignment. Before they know it, the student is engaged in the assignment and all it took was a little reminder to pick up the homework! At 8 x 10 and 105 pages, this homework planner has enough space for any student to keep track of homework, take notes, and track progress.
