Brian Lamb, Susan Swain

**"To the Best of My Ability"** James M. McPherson, David Rubel, 2000 In this illustrated volume, edited by Pulitzer Prize-winner James M. McPherson, you will learn from Gordon S.

**The Presidents of the United States of America** Frank Freidel, White House Historical Association, 1985 Single-page biographies with portraits of the forty presidents of the United States.

**The Presidents** Brian Lamb, Susan Swain, 2019-04-23 The complete rankings of our best -- and worst -- presidents, based on C-SPAN's much-cited Historians Surveys of Presidential Leadership. Over a period of decades, C-SPAN has surveyed leading historians on the best and worst of America's presidents across a variety of categories -- their ability to persuade the public, their leadership skills, their moral authority, and more. The crucible of the presidency has forged some of the very best and very worst leaders in our national history, along with everyone in between. Based on interviews conducted over the years with a variety of presidential biographers, this book provides not just a complete ranking of our presidents, but stories and analyses that capture the character of the men who held the office. From Abraham Lincoln's political savvy and rhetorical gifts to James Buchanan's indecisiveness, this book teaches much about what makes a great leader -- and what does not. As America looks ahead to our next election, this book offers perspective and criteria to help us choose our next leader wisely.

The Complete Book of US Presidents, Fourth Edition Bill Yenne, 2021-03-02 Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of The Complete Book of US Presidents by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. The Complete Book of US Presidents is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders.

**The Presidents of the United States of America** Hugh Sidey, 1996-03 Single-page biographies with portraits of the forty-six presidents of the United States.

**Our Country's Presidents** Ann Bausum, 2017 National Geographic presents the 44 leaders of the United States of America in this fully up-to-date, authoritative, and lavishly illustrated family reference.--Page [4] of cover.

**Presidents of the United States of America Workbook** Okyere Bonna, MBA, 2007-11-15 The presidency of the United States has evolved, taking different shapes and form over the years since the Founding Fathers of the United States created the office at the Constitutional Convention in 1787. The Constitution which went into effect in 1787 then embodied a small, rural Republic of but 13 States located along the eastern seaboard of present day

United States. The population of the Union was only 4 million. However it carried slight weight in international affairs. During the following span of time, the Union has grown into an urbanized, industrial country of 50 States extending as far westward as Alaska and Hawaii. The population now exceeds 215 million, and the Nation ranks as a leading global super power. Along side the growth and power of the United has been a remarkable increase in the scope and influence of the Presidency over the years especially in the 20th and 21st centuries.

*Lives of the Presidents of the United States of America* John Stevens Cabot Abbott,1880

**The Complete Book of U.S. Presidents** William A. DeGregorio,2001 The perfect reference book for information on all of the chief executives the US people elected. It includes facts ranging from the time and place of birth to their political history and legacy as well as every imaginable detail of every president's life and work.

**Official History of the United States by the Presidents** ,1900

*The Autobiography of Calvin Coolidge* Calvin Coolidge,2023-10-17 It was my hope to produce a book that would not only have some historical interest, but would be useful for those in public life, in educational work, in preparation for citizenship, and would be especially a book that parents would wish their children to read. –President Calvin Coolidge on his autobiography Today Americans of all backgrounds are on the hunt for a different political model. In fact, such a model awaits them, if only they turn their eyes to their own past . . . to America's thirtieth president, Calvin Coolidge. Coolidge's masterful autobiography offers urgent lessons for our age of exploding debt, increasingly centralized power, and fierce partisan division. This expanded and annotated volume, edited by Coolidge biographer Amity Shlaes and authorized by the Coolidge family, is the definitive edition of the text that presidential historian Craig Fehrman calls the forgotten classic of presidential writing.

To read this volume is to understand the tragic extent to which historians underrate President Coolidge. The Coolidge who emerges in these pages is a model of character, principle, and humility—rare qualities in Washington, then as now. A man of great faith, Coolidge told Americans: Men do not make laws. They do but discover them. Although he emphasized economics, Coolidge insisted on the importance of things of the spirit. At the height of his popularity, he chose not to run again when his reelection was all but assured. In this autobiography, Coolidge explains his mindset: It is a great advantage to a President, and a major source of safety to the country, for him to know that he is not a great man. For all his modesty, Coolidge left an expansive legacy—one we would do well to study today. Shlaes and coeditor Matthew Denhart draw out the lessons from Coolidge's life and career in an enlightening introduction and annotations to Coolidge's text. To aid Coolidge scholars young and old, the editors have also assembled nearly three dozen photographs, several of Coolidge's greatest speeches, a timeline of Coolidge's life, and afterwords by former Vermont governor James H. Douglas and two of Coolidge's great-grandchildren, Jennifer Coolidge Harville and Christopher Coolidge Jeter. This autobiography combats the myths about one of our most misunderstood presidents. It also shows us how much we still have to learn from Calvin Coolidge.

*The Presidents of the United States of America* Frank Freidel, White House Historical Association, 1982 Single-page biographies with pictures of the 39 Presidents.

*Public Papers of the Presidents of the United States* United States. President, 1931 Containing the public messages, speeches, and statements of the President, 1956-1992.

**U.S. Presidents For Dummies** Marcus A. Stadelmann, 2011-05-12 Forty-three Americans have held the job of President of the United States. Each has a story, be it one of vision, accomplishment, conflict, scandal, triumph, or tragedy. And each story is at the center of the national story, a part of what we all experience. History buffs find endless fascination – and a greater understanding of America today – in the colorful personalities and momentous events that surround the Oval Office. If you want the complete take on U. S. presidents, from George Washington to George W. Bush, you'll appreciate U. S. Presidents for Dummies. Written in a lively style by a history professor at the University of Texas, this fun guidebook of chief executives is packed with information, factoids, and memorable quotes. Inside, you'll find out which president: Promised to only serve one term, and kept his word! Was a great person but a rotten president Campaigned on nothing but image – in the nineteenth century! May be the most underrated president in history Had his own distributor bringing liquor to the White House – during Prohibition! Appointed the first female cabinet member Pushed through the first civil rights legislation after the end of the Civil War Said of himself, "I am a man of limited talents from a small town. I don't seem to grasp that I am president" U. S. Presidents for Dummies offers a wealth of knowledge on what it takes to be the leader of the free world, and who has stepped up to the challenge. Dividing the ranks of presidents into chronological groups for a broader, historical understanding of the office, this book discusses: The birth and evolution of the presidency Ineffective presidents Forgettable presidents Working up to the Civil War

Reconstruction presidents Becoming a force in the world Instituting the Imperial Presidency Today's changing dynamics and the Presidency A treasury of information, this book features an easy-to-comprehend style and sharp historical analysis. Sidebars, photos, timelines, and best and worst lists make U. S. Presidents for Dummies a historical blast to read and a must-have for understanding the state of both yesterday's and today's union.
