The Progress Principle Teresa Amabile,Steven Kramer,2011-07-19 What really sets the best managers above the rest? It’s their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees’ inner work lives. But it’s forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as

clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people’s performance.

Work in Progress Steve Ford, Leanne Ford, 2019-10-29 How did a couple of quirky siblings from suburban Pittsburgh end up as the king and queen of eclectic-design chic with their own HGTV show? They never let fear get in the way of a great idea. Leanne and Steve Ford share their secrets for how to turn dreams into reality. Leanne and Steve were middle-class kids growing up in Pittsburgh in the 80s and 90s. There was nothing particularly glamorous or unusual about their lives as kids. Leanne was a shy, stubborn child who lived a rich life in her own imagination. Steve was outdoorsy and offbeat and was bullied mercilessly at school for being different. Their parents, grounded in faith and always encouraging of both creativity and hard work, gave them the confidence and the encouragement they needed to pursue the often difficult creative life. Leanne’s slogan as a child was, “My name is Leanne. If I want to, I can.” Leanne studied clothing design and pulled gigs at fashion houses in New York and as a stylist to country music stars in Nashville before she found her true passion: interior design. Steve threw himself into kayaking and snowboarding and opening his own men’s clothing store in Pittsburgh. And then their individual passions converged when Leanne asked Steve to help renovate her bathroom. There was magic in their collaboration, and they began renovating for clients in Pittsburgh—creating unique, authentic spaces that manage to feel both chic and completely obtainable—before catching the eye of producers at HGTV. Leanne and Steve share the details of their journey, including the beliefs that have inspired them and the experiences that have challenged them along the way.
