Think Like a Monk Jay Shetty,2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his ré sumé , he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

a Heaven is for Real Deluxe Edition Todd Burpo,2011-10-31 #1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. Heaven is For Real details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery-and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned

to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how “really, really big” God is, and how much God loves us How Jesus called Todd, Colton’s father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton’s uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, “Nobody is old and nobody wears glasses.” Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for Heaven is for Real: “A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe.” –Ron Hall, coauthor of Same Kind of Different as Me

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. –Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Busting Loose From the Money Game Robert Scheinfeld, 2006-09-11 Real people, real transformations! Absolutely amazing! It completely shifts your paradigm for life. One of the most wonderful things about it is that the results are immediate. My whole perception and relationship to money has undergone a major, substantial change. –Chris Attwood, writer and teacher, California I've spent most of my life trying to figure out what's true and what's real. I have to say I now have a clear glimpse into what it really is. –Tom Hill, Colorado Before Busting Loose from The Money Game, I was very unhappy and frustrated in my life. I was driven to find more ways to make money. I changed jobs, cities, countries, went back to school, read books. Financially, the stress was causing anxiety attacks and migraines so severe I stayed in bed. The joy I feel now is priceless. Money is there when I need it, in the amount that's needed, no matter what occurs (car repairs, unplanned trips, etc.). It's absolutely amazing! –Suresh Thakoor, Texas As a retired professor on a fixed and limited income, I always lived from a tight budget and felt compressed by it—especially at the end of the year. I don't use a budget anymore and have opened up new streams of income that were always closed to me in the past. –Howard Rovics, Connecticut It opened a whole new dimension for me and shifted my perspective on life completely. I especially love how practical it is. The application is so simple, so effective . . . and fun! –Doris Kahle, Hagen, Germany I'd had a lot of success in the corporate arena, made a ridiculous amount of money and lost a ridiculous amount of money. But I was caught in a cycle of making it, losing it. I needed to break that cycle—for myself and my family—and this gave me the keys to do that. Busting Loose from The Money Game opened a window I had no clue even existed. This is very cutting-edge, a revolutionary approach to unwrapping yourself from limitations. If you're not satisfied with where you are financially and you're concerned about your future, get this book! –Ben Coleman, Texas

River of Fire, River of Water Taitetsu Unno, 2010-01-13 With great spiritual insight and unparalleled scholarship, Dr. Taitetsu Unno—the foremost authority in the United States on Shin or Pure Land Buddhism—introduces us to the most popular form of Buddhism in Japan. Unique among the various practices of Buddhism, this new form of spiritual practice is certain to enrich the growing practice of Buddhism in the United States, which is already quite familiar with Zen and Tibetan traditions. River of Fire, River of Water is an introduction to the practice of Pure Land Buddhism for readers with or without prior experience with it. The Pure Land tradition dates back to the sixth century c.e., when Buddhism was first introduced in Japan. Unlike Zen, its counterpart which flourished in remote monasteries, the Pure Land tradition was the form of Buddhism practiced by common people. Consequently, its practice is harmonious with the workings of daily life, making it easily adaptable for seekers today. Despite the difference in method, though, the goal of Pure Land is the same as other schools—the awakening of the true self. Certain to take its place alongside great works such as Three Pillars of Zen, The Miracle of Mindfulness, and Zen Mind, Beginner's Mind—River of Fire, River of Water is an important step forward for American Buddhism.
