The story that unfolds is one of doughty determination - the story of a young monarch who finds herself thrust into a new world of relentless public exposure, whose own family turns out to be as frail as everyone else's, but who somehow, for a full 60 years and counting, manages to steer the institution through the choppy waters intact. David Arscott provides an eccentric account of the trials and tribulations that have beset the Queen's reign, from the glamour of her coronation, through the gloom of her 'annus horribilis' to the impending dawn of her Diamond Jubilee.

Queen Elizabeth II and the Royal Family ,2021-06 A magnificent tribute to the life and reign of Queen Elizabeth II, and a celebration of the British royal family. This book is a stunning visual guide to the world's most famous royals, from the Queen's Norman predecessors to her great-grandchildren. This new edition is revised to include the most recent events and milestones, such as the retirement of the Duke of Edinburgh, the birth of Charlotte, Louis, Archie, and other new family members, Harry and Meghan's wedding, and their decision to step back as senior members of the royal family. Including rare, restricted, and exclusive photos, this book examines the Queen's life in detail from her childhood to today, but also goes back through more than 1,000 years of history to tell the story of the House of Windsor and the entire succession of kings and queens of England and Scotland. The Last Queen Clive Irving,2021-01-05 A timely and revelatory new biography of Queen Elizabeth (and her family) exploring how the Windsors have evolved and thrived, as the modern world has changed around them. Clive Irving's stunning new narrative biography The Last Queen probes the question of the British monarchy's longevity. In 2021, the Queen Elizabeth II finally appears to be at ease in the modern world, helped by the new generation of Windsors. But through Irving's unique insight there emerges a more fragile institution, whose extraordinarily dutiful matriarch has managed to persevere with dignity,

yet in doing so made a Faustian pact with the media. The Last Queen is not a conventional biography—and the book is therefore not limited by the traditions of that genre. Instead, it follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in our attitudes towards the royal family, with the critical eye of an investigative reporter who is present and involved on a highly personal level.

Forlorn. Fully conscious of the fact that she was Queen, and that she must tend to affairs immediately, but at the same time carrying the load of this new, awful news. A brave person. Gosh! If I loved her before, boy did I love her after that!' Queen Elizabeth II: The Oral History paints a spirited, detailed and global portrait of a life lived in service. Kings and Queens - A Very Peculiar History Antony Mason, 2012-01-11 Which king's guards massacred a group of his supporters by mistake? Who had an oversized tongue and had to slobber when

they ate food? Who was so large when they died that they had to be buried in a square coffin? Who survived seven assassination attempts? As you can tell from the bizarre questions above, it wasn't all thrones and sceptres for British kings and queens. Some of them were completely batty, and others were downright vicious. On the other hand, some monarchs were an icon to the people and represented the power and importance of Britain and England. 'Kings & Queens, A Very Peculiar History' explores some of the most marvellous monarchs to have ruled Britain and ekes out their bizarre habits and idiosyncracies, featuring quirky stories and fascinating facts and lists.

The Wicked Wit of Queen Elizabeth II Karen Dolby, 2017-11-14 A charming collection of quotes and anecdotes celebrating England's Queen Elizabeth II, the incomparable British monarch. When we think of the queen, we probably picture a serious, dignified personage complete with majestic hat and matching handbag. But The Wicked Wit of Queen Elizabeth II reveals a side of the monarch the public rarely sees, her healthy sense of humor: sometimes silly, sometimes sarcastic—and occasionally unintentional (to guitar legend Eric Clapton: “Have you been playing long?”)! This is a delightful celebration of the queen's humor revealed through her own words on topics from family and travel to pets and hobbies, as well as stories from the royal household of Britain's longest-serving monarch. In addition to the queen, other royals get in their two cents, including the famously filterless Prince Philip and the acerbic Princess Margaret, as well as

Prince Charles and Princess Anne.

The Tudors, A Very Peculiar History Jim Pipe, 2012-01-20 The Tudors were an odd bunch, even weirder than their subjects, perhaps. When they weren't beheading wives and enemies they were threatening to, or going around earning themselves nicknames like 'Bloody Mary' and 'The 9 Day Queen'. 'The Tudors: A Very Peculiar History' tells the story of the Tudor monarchs, their castles, their lives and their subjects in a time when it was fashionable to slash up your clothes for that 'fresh from battle' look. The book details each monarch's reign and casts light on the more bizarre elements of their time in power, right down to an analysis of their seals and signatures and the various torture and execution methods they liked to use.

Elizabeth II, 2021-10-12 ELIZABETH II: A QUEEN FOR OUR TIME is a lively and affectionate celebration of the beloved monarch and a beautiful visual record of her extraordinary reign over the past twenty years leading up to her platinum jubilee. For as long as many of us can remember, Queen Elizabeth II has been an omnipresent figurehead—an icon. As Head of the Commonwealth, she is respected and admired around the world in equal measure. Her stalwart presence has signaled stability, neutrality, and responsibility. Uniting all that is British as an ambassador and statesperson, Queen Elizabeth II has seen more of the planet and its people than any other head of state and has engaged with them like no other monarch in British history; she is unquestionably a global voice for our time. As a Getty Images royal photographer, Chris Jackson has been granted privileged access to the monarch and the British royal family. He has documented the Queen's official engagements over the past two decades, during a period of seismic changes in the British monarchy. Photographing Her Majesty the Queen has, and is, one of the biggest privileges of my career as Getty Images Royal Photographer. As we head towards the celebration of her Platinum Jubilee, she remains at the heart of a nation and Commonwealth's affections, and is hugely admired and respected around the world," says Jackson.. "This book is my personal perspective across the last, almost two decades, documenting many different facets of the Monarch's life, from the formal ceremony to family life and those unexpected and heartwarming moments that left me smiling behind the camera. In Jackson's photographs, documenting public and private moments and accompanied by warm and engaging text offering a personal perspective and behind-the-shot anecdotes, ELIZABETH II: A QUEEN FOR OUR TIME captures her majesty's great elegance and charm. From royal tours and state dinners to family time and equestrian triumphs, this book takes us to the heart of what it means to be the head of the British royal family. Much has also been made of the Queen's enduring style, and Jackson shines a spotlight on the coats, dresses, evening gowns, jewels, bags, and accessories that make up her coordinated wardrobe.
