100 Days Drive Aaron Lauritsen,2016-01-24 In the fall of 2013, while at a crossroads in life after a divorce, Aaron Lauritsen, did what many of us dream of doing but few ever will, he put his problems in the rearview mirror and headed out the door. After selling his business and all his possessions, he and his trusty K9 companion, Athena-bear, jumped in his Toyota pick-up truck, then ventured into the heart of North America for a road trip to end all road trips. Because he hoped that by getting lost out there he would somehow find himself again, he left without a plan or even a map, then for one hundred glorious days journeyed the continent carefree, via secondaries that were not only off the beaten track, but that were often all but forgot. On them he traversed some 30,000 zig-zagging miles through thirty eight of the lower forty eight states and seven of the ten Canadian provinces. And yielded in the process an untold number of encounters weaved by confronting personal fears, history, worldly cities, eccentric people and adventurous activities. The real prize afforded by the time, distance and space however, was his spiritual awakening. Follow along as he paints that epic voyage of discovery and experience the same unexpected serendipity that awaited them around each bend of the open road.

Every Day David Levithan, 2012-08-28 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Reviews Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls wise, wildly unique--from the bestselling co-author of Nick and Norah's Infinite Playlist--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous." —Los Angeles Times

Carpe Diem Linda Picone, 2016-04-02 "Dum loquimur, fugerit invida Aetas: carpe diem, quam minimum credula postero." —Horace The full translation of the Roman poet Horace's Odes is "While we're talking, envious time is fleeing: pluck the day, put no trust in the future." It's been boiled down most famously to one stark piece of advice: "Carpe diem," or, "Seize the day." In other words: Life is fleeting, don't waste the time you have. It's an easy thing to say, and we've all heard it. But how do you actually make sure that you're living life to its fullest? That's where Carpe Diem comes in. In this helpful guidebook you will find hundreds of carefully curated and inspirational quotations from a diverse selection of writers and thinkers. Selected by Linda Picone (The Daily Book of Positive Quotations) and organized by chapters such as "Richer and Poorer" and "The Art of Living," these quotes serve as a daily reminder to never take life for granted. With this book at your side, you never will.

The Use and Misuse of Children Mokokoma Mokhonoana,2017-07-28 Using his wit, his rare ability to see through the lies that we sane human beings tell each other in order to hide our selfishness, and his courage to call a spade a spade, which is without a doubt rarely found in someone who makes a living from speaking or writing, Mokokoma Mokhonoana, author of *Divided & Conquered* and writer of not a few worldview-altering aphorisms, lucidly explores the use and misuse of children by human beings and things such as Mother Nature, religions and churches, countries, and companies. Among other things, Mokokoma, using brief and potent sentences, touches on the real reason or reasons why you were intentionally brought into this troubled world. Or why your mother, if you were conceived unintentionally, did not order, ask, or beg someone to end your life way before you had to be pushed or pulled out of her womb.
