100 Days Drive Aaron Lauritsen,2016-01-24 In the fall of 2013, while at a crossroads in life after a divorce, Aaron Lauritsen, did what many of us dream of doing but few ever will, he put his problems in the rearview mirror and headed out the door. After selling his business and all his possessions, he and his trusty K9 companion, Athena-bear, jumped in his Toyota pick-up truck, then ventured into the heart of North America for a road trip to end all road trips. Because he hoped that by getting lost out there he would somehow find himself again, he left without a plan or even a map, then for one hundred glorious days journeyed the continent carefree, via secondaries that were not only off the beaten track, but that were often all but forgot. On them he traversed some 30,000 zig-zagging miles through thirty eight of the lower forty eight states and seven of the ten Canadian provinces. And yielded in the process an untold number of encounters weaved by confronting personal fears, history, worldly cities, eccentric people and adventurous activities. The real prize afforded by the time, distance and space however, was his spiritual awakening. Follow along as he paints that epic voyage of discovery and experience the same unexpected serendipity that awaited them around each bend of the open road.

But upon failing even to do that, he staggers back to his old house, only to make an astonishing discovery. His mother--who died eight years earlier--is still living there, and welcomes him home as if nothing ever happened. What follows is the one ordinary day so many of us yearn for, a chance to make good with a lost parent, to explain the family secrets, and to seek forgiveness. Somewhere between this life and the next, Charley learns the astonishing things he never knew about his mother and her sacrifices. And he tries, with her tender guidance, to put the crumbled pieces of his life back together. Any Ordinary Day Leigh Sales, 2019-02 As a journalist, Leigh Sales often encounters people experiencing the worst moments of their lives in the full glare of the media. But one particular string of bad news stories--and a terrifying brush with her own mortality--sent her looking for answers about how vulnerable each of us is to a life-changing event. What are our chances of actually experiencing one? What do we fear most and why? And when the worst does happen, what comes next? In this wise and layered book, Leigh talks intimately with people who've faced the unimaginable, from terrorism to natural disaster to simply being in the wrong place at the wrong time. Expecting broken lives, she instead finds strength, hope, even humor. Leigh brilliantly condenses the cutting-edge research on the way the human brain processes fear and grief, and poses the questions we too often ignore out of awkwardness. Along the way, she offers an unguarded account of her own challenges and what she's learned about coping with life's unexpected blows. Warm, candid, and empathetic, this book is about what happens when ordinary people, on ordinary days, are forced to suddenly find the resilience most of us don't know we have.

The Long Loneliness Dorothy Day, 2017-06-27 The compelling autobiography of a remarkable Catholic woman, sainted by many, who championed the rights of the poor in America's inner cities. When Dorothy Day died in 1980, the New York Times eulogized her as "a nonviolent social radical of luminous personality . . . founder of the Catholic Worker Movement and leader for more than fifty

years in numerous battles of social justice.” Here, in her own words, this remarkable woman tells of her early life as a young journalist in the crucible of Greenwich Village political and literary thought in the 1920s, and of her momentous conversion to Catholicism that meant the end of a Bohemian lifestyle and common-law marriage. The Long Loneliness chronicles Dorothy Day’s lifelong association with Peter Maurin and the genesis of the Catholic Worker Movement. Unstinting in her commitment to peace, nonviolence, racial justice, and the cause of the poor and the outcast, she became an inspiration to such activists as Thomas Merton, Michael Harrington, Daniel Berrigan, Cesar Chavez, and countless others. This edition of The Long Loneliness begins with an eloquent introduction by Robert Coles, the Pulitzer Prize-winning author and longtime friend, admirer, and biographer of Dorothy Day.
