Al-Quran Al-Kareem Maqdis Word-By-Word

Translation Daniel Harder, 2022-12-14 The Quran is the holy book which Muslims recite and turn to for guidance in all aspects of their lives. Its verses have remained intact since their original revelation by God in the 7th century. This brochure explains the divine origin of the Quran by elaborating upon its preservation, authenticity and miracles. It also discusses the Quranic message which has universal appeal and is relevant for all times. The Quran is the last testament in a series of divine revelations from God (Allah in Arabic). It consists of the unaltered and direct words of God, which were revealed through the Angel Gabriel to Muhammad, the final prophet of Islam, more than 1400 years ago. Islam is a continuation of the message received by previous prophets, such as Noah, Abraham, David, Moses and Jesus, peace be upon them all. Therefore, the Quran maintains the pure teachings of previous revelations, including the Torah and the Gospel. The Quran describes that all the prophets taught people to believe in the One God, the Creator. The messengers also instructed them to spend their lives with God-consciousness, doing good deeds and avoiding sins. Moreover, they warned their fellow humans of accountability in the afterlife, a subject which the Quran returns to again and again. Since its revelation, the Quran (also spelled 'Koran') has remained preserved in its exact, primary text. While numerous translations of the Quran exist, they are all based on the

single, original Arabic script, making the Quran unique from previous scriptures in its pure authenticity. Book Of Allah (AL QURAN AL KARIM Or The Holy Quran) ENGLISH TRANSLATION ﷻ ﷻ Muhammad Messenger of God, 2020-11-20 Book Of Allah (AL QURAN AL KARIM or The Holy Quran) The Quran (Arabic الْقُرْآنُ , al-Qur'ān, the recitation) is the sacred text of Islam . For Muslims, it takes verbatim the word of God (Allah). This book is to this day the first and oldest authentic literary document known in Arabic; Muslim tradition presents it as the first work in Arabic, with the specific character of inimitability in beauty and in ideas. For Muslims, the Koran groups together the words of God, revelations (āyāt) made to the last prophet and messenger of God Muhammad (مُحَمَّدٌ , Muḥammad, the praised) from 610-612 until his death in 632 by l ' archangel Gabriel (جِبْرِيلُ , jibril). The Koran is sometimes called simply al-kitāb (the Book), adh-dhikr (the Reminder) or al-furqān (the Discernment). In this sense, it is, for Muslims, the expression of an uncreated attribute of God addressed to the intention of all humanity .

Jesus In The Quran Abd Ar-Rahman bin Abd Al-Kareem Ash-Sheha, 2017-12-12 By God's grace, Islam is the fastest growing religion in our time, as confirmed by a study undertaken by the Pew Research Center, and our motive is to make this great divine faith known to all people. This book, *Jesus in the Qur'an*, speaks first about people's need to receive the divine message through prophets. They need this as much as they need food and drink to survive, if not more. God's messengers and prophets were assigned the task of giving people the right concept of God, their Creator, and explaining to them how to earn His pleasure and acceptance, and how to avoid incurring His anger. They put all this into practice so that their teachings would serve as a code by which to live, setting human life on the right course and ensuring their happiness in the life to come. The author relates the story of Jesus, son of Mary (peace be upon him), starting at a point well before his birth, when his virtuous mother was pregnant. He then reports the circumstances of his birth and speaks about Jesus's message and the opposition he had to endure. The author then discusses the Qur'anic

account of Jesus, which makes clear that he enjoys a very high position with God Almighty. We hope that readers will find this book useful in adding to their knowledge and understanding of Islam.
