

# Rage My Face

Minna Dubin

Ungodly Rage Donna Steichen,1991-01-01 Written by a Catholic journalist who has investigated feminism on its own ground, this remarkable book fully exposes the hidden face of Catholic feminism for the first time, revealing its theoretical and psychological roots in loss of faith. A definitive account of a movement impelled by vengeful rage to revolt against all spiritual authority.

**The Faces of Rage** David Damico,1992

**Rage Against the Minivan** Kristen Howerton,2020-06-09 “Howerton writes unflinchingly about what it means to be raising children in today’s world and how to liberate ourselves from the myth of perfect motherhood.”—Glennon Doyle, author of *Untamed* and *Love Warrior*, founder of Together Rising In this smart and subversively funny memoir, Kristen Howerton navigates the emotional and sometimes messy waters of motherhood and challenges the idea that there’s a “right” way to raise kids. Recounting her successes, trials, mishaps, and hard-won wisdom, this mother of four advocates for letting go of the expectations, the guilt, and the endless race to be the perfect parent to the perfect child in the perfect family. This book is for ● the parent who loves their kids like crazy but feels like parenting is making them crazy, too ● the parent who said “I will never . . .” and now they have ● the parent who looks like they have it all together but feels like a hot mess on the inside ● the parent who looks like a hot mess on the outside, too ● the parent who asks Am I good enough? Doing enough? Doing it right? What’s wrong with me? What’s wrong with these children? Are they eighteen yet? With her signature blend of vulnerability, sarcasm, and insight, Howerton shares her unexpected journey from infertility to adoption to pregnancy to divorce to dealing with the shock and awe of raising teens. As a mom of a multiracial family and as a marriage and family therapist, she tackles the thorny issues parents face today, like hard conversations about racism, disciplining other people’s kids, the reality of Dad Privilege, and (never) attaining that elusive work/life balance. *Rage Against the Minivan* is a permission slip to let it go and allow yourself to be a “good enough” parent, focused on raising happy, kind, loving humans.

*Rage Rising* Bonnie Lacy,2019-02-19 When life happens, how do you react? With anger? Rage? By shutting yourself away? Learn better ways of coping with what life throws at you. Bonnie Lacy is an author and artist who has walked through the trauma of a daughter with West Nile—people should be required to get a drivers license for operating wheelchairs, a son who abused drugs and alcohol, a husband who walked away from a tragic accident when the other guy did not, and a little mamma who was dying of lung cancer—all within two and a half years. She closed herself off from others—her family and friends—and stacked up every brick, slathering on the mortar of anger, to keep that wall up. Bonnie is brutally honest when she writes that when trauma hits again, she wants to go back into that awful tunnel of anger—not because she wants to, but because it’s home. In writing this book, she shows how she is learning to take down those walls: facing the truth, finding counseling, receiving prayer and adapting a different mind-set. She is learning to create a different pathway—a pathway of beauty, peace and better health. *Rage Rising: My Walk through the Dark Tunnel of Anger* holds honest and practical advice on how to emerge from the darkness into freedom. Buy *Rage Rising* to taste that freedom today!

**All the Rage** Ian McLagan,2000 Ian McLagan was the keyboard player with the Small Faces and Faces, then went on as a backing player with the Rolling Stones. This book looks at his 30 years in the rock'n'roll business, telling of his times with rock icons such as Rod Stewart, Mick Jagger and Keith Richard.

*a rage of angels* Blair Miller,2013-12-21 A story of love, anger, lust, romance, humor, grief, hope, sorrow, regret, and ultimately redemption. Angels neutral in the first war in heaven are given tasks by the angel Emekmiyahu to redeem themselves in the eyes of GOD.

*A Secret Rage* Charlaine Harris,2014-09-17 Author of the books that inspired *True Blood* on HBO and *Midnight, Texas* on NBC Dropped by her agent, New York City model Nickie Callahan decides to start over—moving back to the South to finish school at Houghton College in Knolls, Tennessee. But Knolls isn’t the quiet town Nickie remembers from her youth. A rapist is targeting the women of Houghton, growing bolder and more vicious with each brutal attack, leaving the community gripped by fear. When the violence affects Nickie personally, she moves from fear to fury—resolving to catch the rapist at any cost. After joining forces with another survivor, Nickie discovers that the attacks are not random—the rapist knows his victims. With that small clue, and an ironclad determination to stop him from striking again, Nickie begins the grim search for the relentless assailant hiding in plain sight. *A Secret Rage* is a gripping stand-alone mystery from Charlaine Harris, the #1 New York Times bestselling author of the Sookie Stackhouse vampire series, as well as the award-nominated Aurora Teagarden Series, Lily Bard Series, and Harper Connelly Series.

*Rage* ,2018-04-17 Have you ever wondered what in the mythical world keeps all the dark and malevolent beings in check? Have you ever thought, with all the monsters that feed on humans (such as werewolves, ghouls, vampires, and so on) do any beings exist that feed on them? Maybe with there being so many creatures at war with each other in the mythical world, you’ve wondered which is truly the greatest and the most powerful. Well, *Rage* is not only the title of this book, but it is also a race of mythical creatures that supersede all others. Set in our modern world this story follows the lives of a group of *Rage* who are outcast and exiled due to their personal attachments and downfalls. One character, in particular, is the focus of the story. Due to falling in love with a human he must battle within himself to decide whether to follow the traditions of his people and his family or to be with her. The lives of many will be changed due to the love of these characters as war impends in the mythical world.

**All the Rage** Andrea Miller,Editors of the Shambhala Sun,2014-10-07 Anger. For all of us, it’s a familiar feeling—jaw clenching, face flushing, hands shaking. We feel it for rational and irrational reasons, on a personal and on a global level. If we know how to handle our anger skillfully, it is an effective tool for helping us recognize that a situation needs to change and for providing the energy to create that change. Yet more often anger is destructive—and in its grip we hurt ourselves and those around us. In recent years scientists have discovered that mindfulness practice can reduce stress, improve mood, and enhance our sense of well-being. It also offers us a way of dealing with strong emotions, like anger. This anthology offers a Buddhist perspective on how we can better work with anger and ultimately transform it into compassion, with insight and practices from a variety of contributors, including Thich Nhat Hanh, Sharon Salzberg, Sylvia Boorstein, Carolyn Gimian, Tara Bennett-Goleman, Pat Enkyo O’Hara, Jules Shuzen Harris, Christina Feldman, Mark Epstein, Ezra Bayda, Judith Toy, Noah Levine, Judy Lief, Norman Fischer, Jack Kornfield, Stan Goldberg, Yongey Mingyur Rinpoche, Dzigar Kongtrül, and many others.

**Men Behind the Monstrous Rage** Alexei W.M Tan,2012-08-27 A columnist was sent to Romania to report about the medieval era in a local travel journal and the Alamo in United States. When he arrived in Romania, there was something unpleasant roaming in some areas and soon he realized that zombies are residing in them. Besides, it is more furious to learn that werewolves and vampires were also terrorizing some part of Romania. He performed some investigations with his newly arrived partner, Sarah and learnt about the origins of these three creatures and also the similarities in them. From the investigations, he found out that someone is behind triggering the fury of those creatures and putting them into enemies. Hence he is tasked to put this chaos to an end with the assistance of some really helpful residents and his partner.

Black Rage Confronts the Law Paul Harris,1997-05-01 In 1971, Paul Harris pioneered the modern version of the black rage defense when he successfully defended a young black man charged with armed bank robbery. Dubbed one of the most novel criminal defenses in American history by *Vanity Fair*, the black rage defense is enormously controversial, frequently dismissed as irresponsible, nothing less than a harbinger of anarchy. Consider the firestorm of protest that resulted when the defense for Colin Ferguson, the gunman who murdered numerous passengers on a New York commuter train, claimed it was considering a black rage defense. In this thought-provoking book, Harris traces the origins of the black rage defense back through American history, recreating numerous dramatic trials along the way. For example, he recounts in vivid detail how Clarence Darrow, defense attorney in the famous Scopes Monkey trial, first introduced the notion of an environmental hardship defense in 1925 while defending a black family who shot into a drunken white mob that had encircled their home. Emphasizing that the black rage defense must be enlisted responsibly and selectively, Harris skillfully distinguishes between applying an environmental defense and simply blaming society, in the abstract, for individual crimes. If Ferguson had invoked such a defense, in Harris’s words, it would have sent a superficial, wrong-headed, blame-everything-on-racism message. Careful not to succumb to easy generalizations, Harris also addresses the possibilities of a white rage defense and the more recent phenomenon of cultural defenses. He illustrates how a person’s environment can, and does, affect his or her life and actions, how even the most rational person can become criminally deranged, when bludgeoned into hopelessness by exploitation, racism, and relentless poverty.

**Mom Rage** Minna Dubin,2023-09-19 A frank, feminist examination of the hidden crisis of rage facing American mothers—and how we can fix it Mothers aren’t supposed to be angry. Still, Minna Dubin was an angry mom: exhausted by the grueling, thankless work of full-time parenting and feeling her career slip away, she would find herself screaming at her child or exploding at her husband. When Dubin pushed past her shame and talked with other mothers about how she was feeling, she realized that she was far from alone. Mom Rage is Dubin’s groundbreaking work of reportage about an unspoken crisis of anger sweeping the country—and the world. She finds that while a specific instance of rage might be triggered by something as simple as a child who won’t tie her shoes, the roots of the anger go far deeper, from the unequal burden of childcare shouldered by moms to the flattening of women’s identities once they have kids. Drawing on insights from moms across the spectrum of race, sexual orientation, and class, she offers practical tools to help readers disarm their rage in the moment, while never losing sight of the broader social change we need to stop raging for good.

**The Rage 3: Fight For Survival** Natica Brown,  
*All the Rage* Martin Moran,2019-01-15 A moving and surprisingly funny memoir about finding the right balance between anger and compassion “Why aren’t you angry?” people often asked Martin Moran after he told his story of how he came to forgive the man who sexually abused him as a boy. At first, the question pissed him off. Then, it began to haunt him. Why didn’t he have more anger? Why had he never sought redress for the crime committed against him? Was his fury hidden, buried? Was he not man enough? Here he was, an adult in mid-life, with an established acting career, a husband. A life. And yet the question of rage began to obsess him. As the narrative jumps from dream to memory to theory, from Colorado to New York to Johannesburg, Moran takes us along on his quest to understand the role of rage in our lives. Translating for an asylum seeker and survivor of torture, he wonders how the man is not consumed with the wrong done him, only to shortly thereafter find himself in a wild confrontation with his fuming stepmother at his father’s funeral. He admires a pedestrian’s furious put-down of a careless driver, and then, observing with a group of sex therapists at an S&M dungeon, he finds himself unexpectedly moved by the intimacy of the interchanges. Hiking the Rockies with his troubled younger brother, he’s confronted by the anger and the love that seem to exist simultaneously and in equal measure between them. With each encounter, we move more deeply into the human complexities at the heart of this book: into how we wrong and are wronged, how we seek redress but also forgiveness, how we yearn to mend what we think broken in us and liberate ourselves from what’s past. It is in this landscape of old wounds and complicated loves that Moran shows us how rage may meet compassion and our traumas unexpectedly open us to the humanity of others.

*Rebel Rage MC: The Complete Series* Addy Archer,2021-12-11 Escape into the world of Rebel Rage MC, where laws don’t apply, loyalty is everything, and love is worth fighting for. This boxed set contains the entire Rebel Rage MC trilogy. Fast-paced, romantic suspense with sassy women and the gritty outlaw bikers who can’t resist them. If you love motorcycle club romance, grab this complete collection today!

**All My Rage** Sabaa Tahir,2022-03-01 National Book Award WINNER Printz Award for Excellence in Young Adult Literature WINNER An INSTANT NEW YORK TIMES BESTSELLER! An INSTANT INDIE BESTSELLER! All My Rage is a love story, a tragedy and an infectious teenage fever dream about what home means when you feel you don’t fit in. — New York Times Book Review From #1 New York Times bestselling author Sabaa Tahir comes a brilliant, unforgettable, and heart-wrenching contemporary novel about family and forgiveness, love and loss, in a sweeping story that crosses generations and continents. Lahore, Pakistan. Then. Misbah is a dreamer and storyteller, newly married to Toufiq in an arranged match. After their young life is shaken by tragedy, they come to the United States and open the Clouds' Rest Inn Motel, hoping for a new start. Juniper, California. Now. Salahudin and Noor are more than best friends; they are family. Growing up as outcasts in the small desert town of Juniper, California, they understand each other the way no one else does. Until The Fight, which destroys their bond with the swift fury of a star exploding. Now, Sal scrambles to run the family motel as his mother Misbah’s health fails and his grieving father loses himself to alcoholism. Noor, meanwhile, walks a harrowing tightrope: working at her wrathful uncle’s liquor store while hiding the fact that she’s applying to college so she can escape him—and Juniper—forever. When Sal’s attempts to save the motel spiral out of control, he and Noor must ask themselves what friendship is worth—and what it takes to defeat the monsters in their pasts and the ones in their midst. From one of today’s most cherished and bestselling young adult authors comes a breathtaking novel of young love, old regrets, and forgiveness—one that’s both tragic and poignant in its tender ferocity. (Cover may vary)

**The Rage 2: The Lost Islands** Natica Brown,  
**Road Rage and Aggressive Driving** Leon James,2009-12-30 This authoritative book presents conclusions of recent studies on road rage, summarizes legislative and police initiatives, and redefines driver education for all drivers.  
Volcanoes: Child Abuse, Rage and Recovery Lindsey Fairfield,2024-03-01 “Volcanoes is searingly honest... a lucid probe into the devastating effects of childhood trauma. But it’s more than just an analysis - Volcanoes has a building-block process for recovery. It’s a must-read for any survivor battling with rage.” Rod Phillips, Chairman of the Board Advocates for Survivors of Child Abuse “This is an informative and comprehensive text for those who have suffered severe trauma and for those professionals in the healing sector. Using clear, detailed, and precise language, Lindsey takes us on a thorough and exhaustive analysis covering all aspects of the human journey through healing and back to wholeness.” Hetty Johnson, Founder and Director of Bravehearts Inc. “I enjoyed Reading this book very much. It integrates Tomkin’s affect theory into trauma work very nicely.” Gershen Kaufman, PhD. Author of The Psychology of Shame: The Power of Caring. “I found the group brilliant. It opened doorways to deal safely with emotional issue from the past. I was also able to pass on the skills to other survivors - with astonishing results.” Janelle Sansom, Group Participant and Support Counsellor.
