Real Estate Investing with Lease Options Jim Pellerin, 2015-10-14

Get started in real estate with no money, no job or no credit. All you need is the desire to learn and the willingness to take massive action. Like many people, you have probably thought about getting into Real Estate Investing yet, like many people, you have always thought that you needed the down payment to purchase that property. Nothing could be further from the truth. In fact, I would recommend that you NEVER use any of your own money when getting started in real estate investing. Sure you have seen all the TV Shows showing you how you can make big bucks buying and flipping houses. However, what they don't show you is all the investments that fail'. Unless you know what you are doing and have the time and money to do it properly, there is a high probability that you will lose money. Yes, the upside is that you make more money, but the risk is still there. This book provides you with all the strategies you would need to get started in real estate investing without using any of your own money. There are a lot of books out there that claim to show you how to get started in real estate investing with no money down but none of them, that I have found, focuses specifically on Lease Options as a strategy to do it. In this book you will learn the various ways you can acquire properties using none of your own money. You will learn the different types of Lease Option strategies and when to use each one. You will learn the different ways to make money in each Lease Option transaction. You will learn the different types of exit strategies and how to protect yourself from losing money when you sell. You will Learn about all the contracts that are required for a lease option transaction.
