Best of R/ Dan Chambers,2019-08-18 She actually said 'or else', like a damn cartoon villain.-You are going to date my daughter and that's final! Look how ridiculous you are! Let my son make your daughter sick! Ever been stuck in a situation where your mind simply refuses to believe that the person you're dealing with can possibly be real? You are not alone. All over the world people have had that same experience and worse, posting their tales on Reddit that are so shocking and hilarious they've become internet sensations-garnering untold millions of readers, upvotes and views on video platforms. Perfect for quick reads during a lunch break or on the train to work, *Best of R/* is an anthology series of some of the most bizarre people and situations you could ever encounter in everyday life, and how best to deal with them including: *Entitled Parents*: paternal figures who believe their child is a special, unblemished snowflake too good for this world while the rest of us just exist to serve. *Choosing Beggars*: people who want to have their cake, eat it too and to take home your silverware while they're at it. *Pro Revenge*: all your daydreams about that one crazy ex or giving your boss just what he deserves carried out to perfection

Mentis and Ethos R. Henry Price,2023-09-08 About the Book Meet Solly, a likeable PhD with a weakness for cars, self-doubt, and interests spanning belles-lettres to physics. He becomes a rhetoric/literature teacher and RA at CalTech. Unwittingly, Solly gets involved with his students, especially brilliant Darryl, and with the attempt of local mobsters to recruit Darryl to hack into local municipal databases to demand ransom. Darryl's partner in hacking, Fang Lou, has quit school and is working with the mob. Early in his RA role, bachelor Solly meets and falls for Ewa ('Mia') Kulpa, the RA of another undergrad house. The relationship of Mia and Solly develops as the mob ransom hacking escalates until the threads come together in a violent denouement. The cast of characters also includes Clarence, a 300-pound gay pro wrestler and philosopher; FBI forensic expert Xi Luk; Solly's previous mate, Sweet Caroline; the ambitious criminal leader Sashi; and several unusual undergraduates, Toobee, Zonker, and more. As the book progresses, Solly experiences how life confronts us with choices and how difficult it is to be honest with ourselves. About the Author R. Henry Price is a scientist

As Cole and Amy become closer to one another, the harsh reality of separation looms over them when Amy's self-destructive behavior all but guarantees her a lifetime spent in a psychiatric facility. Celebrity Ghosts and Notorious Hauntings Marie D. Jones, 2019-09-01 Rich. Famous. Glamorous. Dead ... and Immortal! From old Hollywood silent film stars to rock stars to athletes, past presidents, and famous generals, celebrated individuals sometimes become celebrity ghosts, and they haunt their homes, workplaces, and even burial places. In turn, those places become famous, even notorious, thanks to the ghost that is haunting it! *Celebrity Ghosts and Notorious Hauntings* looks at many famous ghosts—dead celebrities that haunt old Hollywood locales, famous generals that appear to witnesses at great battlefields, and noted politicians that roam the hallways of courthouses, statehouses, and even the White House! Plus, this fascinating frightfest examines the famous haunted locations themselves, such as the Hollywood Roosevelt Hotel, the Hotel del Coronado, Gettysburg, the Stanley Hotel (which inspired Stephen King's *The Shining*) and so many others that claim the supernatural as part of their heritage and history. This riveting look at the unexplained also investigates movie lore, including the unsettling incidents on the Amityville Horror set; "The Dark Knight" curse that includes on-set accidents from the horrible death of Heath Ledger, who played the Joker, to the mass shooting at a midnight screening of *The Dark Knight Rises*; the deaths and curse surrounding *The Matrix*; the Infamous Stage 28 at Universal Studios; and Paramount Studios' long history of hauntings and strange goings-on. Elvis Presley, John Lennon, Frank Sinatra, and Hank Williams. Presidents John Adams, Abraham Lincoln, Andrew Jackson, and Harry Truman. Henry VIII, beheaded Sir Walter Raleigh, and Prince Edward V. Rudolph Valentino, Mary Pickford, Marilyn Monroe, and "Superman" actor George Reeves. Houdini, Redd Foxx, Liberace, and serial-killer Ted Bundy. They all lurk in this riveting book. Haunted graveyards (of course), haunted historical landmarks and battlefields, plus haunted libraries, courthouses, ships, submarines, lighthouses, hotels, roadways, byways,

bridges, prisons, and hospitals are all gathered together in this comprehensive look at the ghastly afterlife of the renowned. From famous faces to famous places, if it involves fame and celebrity, fortune and notoriety, legend and lore, *Celebrity Ghosts and Notorious Hauntings* covers it.

Metropolis Monsters Jason McLean,2020-10-05 In the metropolitan mosaic that joins Dallas and Fort Worth together into a brightly lit metroplex, some mysterious figures still manage to keep to the shadows and slip through the cracks. Even after the Lake Worth Monster inspired a rash of phone calls to the Fort Worth Police Department, the Goatman of Greer Island faded back into the haze of myth. Is Lake Granbury's Ol' One Eye an impossibly large catfish or a sidetracked sea serpent? Could pterosaurs really coexist with the region's congested skies? From the Lady of White Rock Lake to the Creature of Copper Canyon and the Chupacabras of Cedar Hill, Jason McLean methodically follows inexplicable events to their source and bizarre beasts to their lairs.

The Inevitable Fall of Tommy Mueller R Tim Morris,2019-04-30 The four of them walked slowly towards the Canal Street Station. Tommy in his bulky Empire State Building costume; Kate in mint green hospital scrubs; Jesse disguised as a superhero; and Patrick dressed as a frog. It was Halloween night, and Tommy made note of all the other ghosts, spirits and specters drifting around them. He didn't feel all that different from any of them at that moment, haunting a world they were only temporarily part of. But what brought the four together in this place at this moment? *THE INEVITABLE FALL OF TOMMY MUELLER* tells the story of four friends - Tommy, Kate, Jesse and Patrick - and how New York City has watched closely as each of them hit their lowest points. *KATE PRINCE* had dreams of being a writer and living a life free of regrets. But she's been stuck for years in a dead-end editing job and married to a man she's never loved. *JESSE CLASSEN* aspired to be an artist with the hopes of one day meeting the girl of his dreams. Instead, he found himself lost, falling into an affair with an older woman and floating directionless through the miserable world of comic book retail. *PATRICK KOHN* thought he was making the right decision when he left New York to marry an old girlfriend. But now his wife has died, and Patrick must raise a son he's never been comfortable around while facing the reality of returning to the city and the friends he once left behind. And yet, whether by fate or simply good fortune, *TOMMY MUELLER* has managed to build the perfect life for himself. Since he was a child he had always dreamed of living in New York City and he did so upon graduating from high school. He became a published author and stumbled upon the perfect apartment in Morningside Heights. He met Rachel, his long-time girlfriend, during the catastrophe of September Eleventh. Tommy Mueller's life is exactly as he planned it. But the great city awaits the falling of all its inhabitants, because the fall is inevitable.

Autistic Community and the Neurodiversity Movement Steven K. Kapp,2019-11-07 This open access book marks the first historical overview of the autism rights branch of the neurodiversity movement, describing the activities and rationales of key leaders in their own words since it organized into a unique community in 1992. Sandwiched by editorial chapters that include critical analysis, the book contains 19 chapters by 21 authors about the forming of the autistic community and neurodiversity movement, progress in their influence on the broader autism community and field, and their possible threshold of the advocacy establishment. The actions covered are legendary in the autistic community, including manifestos such as "Don't Mourn for Us", mailing lists, websites or webpages, conferences, issue campaigns, academic project and journal, a book, and advisory roles. These actions have shifted the landscape toward viewing autism in social terms of human rights and identity to accept, rather than as a medical collection of deficits and symptoms to cure.

If I Catch You Reading This Jeremy R. Benjamin,2009-02 If what you're seeking are world-weary strippers, fractured office politics, amusing yet disturbing visions of the future, and lavish descriptions of male genitalia, then look no further. -Tim Josephs (author of *A Camouflaged Fragrance of Decency*) There is no suspense or horror to be found in Jeremy's stories. The suspense comes from knowing that he may continue to write, the horror is

that he does. -Doug Dean After reading Benjamin's work, I had to undergo two intensive surgeries to remove the hairs that doctors can only guess my eyeballs grew over themselves in a desperate act of mutation to shield themselves from these pages. I would rather spend a year living in a children's swimming pool full of my own vomit than pick up this book again. -Dr. Kate Nordbye, PhD Book Reviewing Jeremy Benjamin writes like no one else should, or would want to. -Matthew Corum, theologian Reading these stories is like peeing in a pair of clown shoes and wearing them around for three days. -Spencer Cushing, PFP Member Do NOT read this book. I'm serious. -Thea Stayton, violated womyn This collection of stories reads like someone puked in a bag and then poured it all over a sheet of paper. If George Bush, Charles Manson, The Olson twins, Stalin, and the cast of Look Who's Talking Now got together in a giant orgy and produced the world's ugliest baby; that baby's ugliest shit would be more palatable than these so-called stories. -Dr. Kate Nordbye, PhD Book Reviewing Jeremy Benjamin couldn't hit a stream of consciousness if he was rafting down it and he fell out of the boat. -Jacob Aiello, Man I used to have an I.Q. of 130, but after reading one of his stories, my brain crashed and now I have only 75 and my mom has to walk me to the bus or I get lost. I like butterflies. -Thea Stayton, Portland Fiction Project Jeremy Benjamin plays with dolls.-Jeremy Benjamin

The Nurse in Popular Media Marcus K. Harmes,,Barbara Harmes,Meredith A. Harmes,2021-10-28 The image of the nurse is ubiquitous, both in life and in popular media. One of the earliest instances of nursing and media intersecting is the Edison phonographic recording of Florence Nightingale's voice in 1890. Since then, a parade of nurses, good, bad or otherwise, has appeared on both cinema and television screens. How do we interpret the many different types of nurses--real and fictional, lifelike and distorted, sexual and forbidding--who are so visible in the public consciousness? This book is a comprehensive collection of unique insights from scholars across the Western world. Essays explore a diversity of nursing types that traverse popular characterizations of nurses from various time periods. The shifting roles of nurses are explored across media, including picture postcards, film, television, journalism and the collection and preservation of uniforms and memorabilia.
