**Rediscover Jesus** Kelly Matthew,2015-08-17 How well do you know Jesus? I think about this often, and I always come to the same realization. I don't know Jesus anywhere near as well as I would like to know him. The desire is there, but life gets in the way. There are times when I seem to be making great progress, and other times when I wonder if I know him at all. But I always arrive back at the same inspiring and haunting idea: If there is one person that we should each get to know in a deeply personal way, it is Jesus the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls. The best time to rediscover Jesus is right now. You are holding this book in your hand at this very moment for a reason. I don't know what God has in store for you, but I am excited for you.

**Rediscover Church** Collin Hansen,Jonathan Leeman,2021-07-28 “A Christian without a church is a Christian in trouble.” Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In Rediscover Church, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

*Rediscover the Power of Your Identity* Johnstone Kayandabila, 2010 Rediscover the Power of your Identity is a remarkable book about remarkable life written by a remarkable young man. In the world where most people are unaware of the secret of knowing their identity, this book stands as a noble answer. In the world where lies replace righteousness and the search for power to replace the pursuit of purpose, this book offers both the recipe for a better understanding on the purpose of your existence and the road map to your destiny. The author of this book will help you to discover your inner potential and role as an agent of change in your relationship, occupation, home, village, and your entire country. Emphasizing the importance of identity the author argues that 'Whenever there is a change in an individual's identity there should be a change in determination This is all about a change from inside out. Before you start changing your village and the world, you must change your inner person first. This is a starting point. Smart and successful people know this secret. Rediscover the Power of your Identity is not about making lots of money rather about knowing God's purpose in your life. Furthermore, it is about knowing the redemption power, your potential and how to constructively influence people around you and the sort of impact you want to make in the world. Paul said, I can do all things through Jesus Christ. He meant all things because he was fully aware of his new-identity. To know what counts and what doesn't in your life, you must read this Christ-centered book- Rediscover the Power of your Identity. This book is for

**REDISCOVER YOURSELF TO BE DISCOVERED** Adanne Chukwudi Udejiofor,2020-08-16 Self rediscovery is NOT a one-day or a one-week thing. In fact, it can take a lifetime to discover who you truly are. Do you feel like you have lost yourself? Have you forgotten your old passions? Do you want to develop your career? have you given up on your hobbies and interests in pursuit of someone or something else? It happens, and you're never alone on this. If you feel unhappy with what you're doing every day, it could be time to re-evaluate where you feel the best parts of yourself have gone--and how exactly to rediscover them again. \*Remember when you were happiest When were you the most content in your life? Was it in university, when you were finally free from your parents and able to thrive socially? Was it in the professional world, where you realized how much you loved your job and the people you worked with for the very first time? The secret is not lamenting the good times past, but rather to figure out why exactly you had been so happy--and to re-incorporate those aspects back into your life. Once you know which things make you happy, you will be able to figure out where you want to go from here.

*My Journey to Rediscover Relationships* Johnie Hinson,2018-01-12 Johnie Hinson's journey to rediscover relationships took him to a new level in his understanding of relationship dynamics. The Lord opened a door of opportunity allowing Johnie to glean precious knowledge about the greatest gift He gave to humanity. The Lord's revelations provided keen insight into how He views relationships and His expectations of how Johnie should approach them. The first revelation or divine insight Johnie discusses in his book reveals the significance of our connections. Life is all about relationships, and relationships are all about life. Johnie discovered that nothing in life promotes greater satisfaction than meaningful connections with family, friends, and the Lord who made life possible. As a result, Johnie chose to make his relationships a priority. Johnie's journey also provided him with a greater understanding of marriage and his role in the home. He learned that marriage isn't a contract between a man and a woman but a covenant designed to connect them in a lifelong union. Johnie is constantly reminded by the Lord that Your marriage isn't about you, it's about what you promised in your

vows. Although a painful reality, the author is learning that fulfilling his promise to his wife, Rene, is the only way to make their house a home. Johnie chose to become her husband, now he chooses to fulfill his responsibilities. Johnie is convinced that life is a journey, and if he intends to enjoy the ride, vertical and horizontal connections will play a significant role. As a minister serving the Lord for 47 years and traveling around the globe, I can attest that everything rises and falls on relationships. As a minister, military officer, husband and father, Johnie Hinson's story can teach us a lifetime of lessons about relationships that we can all learn from. I highly recommend this book to you. Rev.
