Unguarded Moments Julie E. Soper, M. L. Broome, 2019-06-11 From the Moment We Met, the first book in the romantic saga, A Series of Moments, introduced us to Jacob Edmonton and Lilly Staver, and a love neither believed possible. But life is all about the choices you carry with you and those you leave behind. Love is no different. Now, in Unguarded Moments, Jacob realizes that his actions have consequences, and his heart is paying the price. Jacob made a choice. Now, in Unguarded Moments, he realizes he's made the wrong one. The lights of Hollywood do shine, but not nearly as bright as the light of love. He's ready to fight tooth and nail to bring Lilly back into his life but is it too late to undo the damage? Lilly saw the writing on the wall, but she chose to follow her heart instead. Her foolish, naïve heart. She's learned her lesson many times over-loving Jacob was a bad idea in every sense of the word. She vows to never make the same mistake again...but can she resist the one man who still holds all the pieces of her shattered soul? She gave him her love, but instead of loving her back-he watched her walk away. Thousands of kilometers lie between them now, but the distance isn't Jacob's toughest hurdle. It will be far more difficult to convince Lilly that loving him wasn't the gravest mistake she's ever made. The heart wants what the heart wants-but can Lilly believe in Jacob again, or will her fears end any chance of their reconciliation? This is the second of three books in 'A Series of Moments', chronicling the timeless and heart-wrenching love story of Jacob Edmonton & Lilly Staver. Subjects include: modern-day romance, London, Hollywood, celebrity love-story

Armored of Lyonesse: A Romance of To-day Sir Walter Besant, 2020-09-28 It was the evening of a fine September day. Through the square window, built out so as to form another room almost as large as that which had been thus enlarged, the autumn sun, now fast declining to the west, poured

in warm and strong; but not too warm or too strong for the girl on whose head it fell as she sat leaning back in the low chair, her face turned towards the window. The sun of Scilly is never too fierce or too burning in summer, nor in winter does it ever lose its force; in July, when the people of the adjacent islands of Great Britain and Ireland venture not forth into the glare of the sun, here the soft sea mists and the strong sea air temper the heat; and in December the sun still shines with a lingering warmth, as if he loved the place. This girl lived in the sunshine all the year round; rowed in it; lay in it; basked in it bare-headed, summer and winter; in the winter she would sit sheltered from the wind in some warm corner of the rocks; in summer she would lie on the hillside or stand upon the high headlands and the sea-beat crags, while the breezes, which in the Land of Lyonesse do never cease, played with her long tresses and kept her soft cheek cool. The window was wide open on all three sides; the girl had been doing some kind of work, but it had dropped from her hands, and now lay unregarded on the floor; she was gazing upon the scene before her, but with the accustomed eyes which looked out upon it every day. A girl who has such a picture continually before her all day long never tires of it, though she may not be always consciously considering it and praising it. The stranger, for his part, cannot choose but cry aloud for admiration; but the native, who knows it as no stranger can, is silent. The house, half-way up the low hill, looked out upon the south—to be exact, its aspect was S. W. by S.—so that from this window the girl saw always, stretched out at her feet, the ocean, now glowing in the golden sunshine of September. Had she been tall enough, she might even have seen the coast of South America, the nearest land in the far distance. Looking S. W., that is, she would have seen the broad mouth of Oroonooque and the shores of El Dorado. This broad sea-scape was broken exactly in the middle by the Bishop's Rock and its stately lighthouse rising tall and straight out of the water; on the left hand the low hill of Annet shut

out the sea; and on the right Great Minalto, rugged and black, the white foam always playing round its foot or flying over its great black northern headland, bounded and framed the picture. Almost in the middle of the water, not more than two miles distant, a sailing ship, all sails set, made swift way, bound outward one knows not whither. Lovely at all times is a ship in full sail, but doubly lovely when she is seen from afar, sailing on a smooth sea, under a cloudless sky, the sun of afternoon lighting up her white sails. No other ships were in sight; there was not even the long line of smoke which proclaims the steamer below the horizon; there was not even a Penzance fishing-boat tacking slowly homewards with brown sails and its two masts: in this direction there was no other sign of man.

Broome, 2019-08-27 'A Series of Moments' follows the journey of Jacob Edmonton, a world-famous actor, and Lilly Staver, the nurse who saved him from himself. Beautifully Broken Moments is the stunning conclusion in the trilogy, but after all the upheaval, will Jacob and Lilly ever find their Happily Ever After? All it takes is a moment-one moment can change the course of your life-and love. With a single statement during a press conference, Jacob upended his world, destroying his happiness and heart in the process. When his ex-girlfriend Victoria claimed she was not only engaged to the acting legend but also expecting his child, Jacob went along with the charade. But his actions were not to salvage his reputation or career; they were to protect the only thing that mattered-his real fiancée, Lilly. To save her from the backlash of Victoria's jealousy and rage, Jacob let go of the only woman he had ever loved. As the truth behind the events of the last several months shifts into sharp focus, Jacob is left with one final choice-move on without Lilly or fight with everything in his being to reunite with the love of his life. For Jacob, it's the easiest decision he's ever made. Lilly watched her dreams crumble on international television when Jacob claimed she was a brief fling; too bad her heart never received the memo. Devastated by his most recent betrayal, she plans to flee England and Jacob forever, intent on escaping their tempestuous romance, until she learns the reality behind Jacob's

actions. Just as their plans start falling back into place, the wheel of life doles out a tragedy that will test them on every level. And she is, at first. But Gospel has a way of softening people up. One of those ways is Rob Sutter. He's a spectacular-looking former hockey player with a wild past of his own, who now lives a quiet (albeit slightly macho) life running his sporting goods store and fly-fishing. From the Moment We Met Julie E. Soper, M. L. Broome, 2019-06-16 Sometimes you're interested. Sometimes you can't be bothered. Sometimes love doesn't give you a choice. In Jacob and Lilly's case, love isn't letting either of them go. Jacob Edmonton has a plan for his life, but it doesn't include love. He was Hollywood's quintessential golden boy-until a flash-in-the-pan fling with a high-profile singer upended his world-and his reputation. Now he's nursing more than a wounded ego and his only goal is to repair the damage. But his return to superstardom is shot to hell when his sister winds up undergoing emergency surgery. There he meets Lilly Staver, a straight-shooting nurse who's as brutally honest as she is beautiful. She sees through his suave façade and he wants to hate her until he realizes he can't resist her. Lilly knows all about men like Jacob Edmonton-if you've seen one pretentious, egocentric celebrity-you've seen them all. She's unimpressed with his Hollywood pedigree and his belief that love is reserved solely for maniacs. So why can't she stop thinking about him? Her mind tells her to run as fast as she can from Jacob-but her heart isn't listening. Love as they know it just took a hairpin turn into uncharted territory, but when Jacob's former girlfriend shows up with an opportunity to salvage his career, will he choose the life he knows or the love he never knew existed? This is the first of three books in 'A Series of Moments', chronicling the timeless and heart-wrenching love story of Jacob Edmonton & Lilly Staver.

A surprising and exhilarating look into Patience Bloom's unexpected real-life love story. At some point, we've all wished romance could be more like fiction. Patience Bloom certainly did, many times over. rock star. Not exactly her reality, but Bloom kept reading books that fed her reveries. Years later she moved to New York and found her dream job, editing romances for Harlequin. Every day, her romantic fantasies came true--on paper. Bloom became an expert when it came to fictional love stories, editing amazing books and learning everything she could about the romance business. But her dating life remained uninspired. She nearly gave up on love. Then one day a real-life chance at romance made her wonder if what she'd been writing and editing all those years might be true. A Facebook message from a high school friend, Sam, sparked a relationship with more promise than she'd had in years. Present Day Romance Tragedy David D E Evans PhD OAM, 2022-06-30 1993 Reports from India of parents killing their children in public because of social shame related to forbidden marriage began coming to world attention. 1993 Admira Ismi (Bosniak) and Boko Brki (Serb) were killed by sniper fire while fleeing the besieged city of Sarejevo on Vrbanja bridge, now known as the 'Romeo and Juliet Bridge.' Their bravery 'became a symbol for the suffering of the people on all sides of the conflict.' The challenge of young people for rights to options is highlighted by the phenomenon and imperative of romance tragedy within and across cultures. Globalisation brings

awareness of other cultures: of their legends and real life heroic stories; of their struggles and sacrifices; and of their social progress. This study focuses on the time period from 1993 to the present time during which romance tragedy in India especially, began attracting world attention through the media. The first pillar of Gandhi's 'Satyagraha' is truth, claiming that openness to, and awareness of the greater community – the world community – is a necessity of peace, both at the family level and for the world community. Nonviolence (the second pillar) is seen as the first step in the path of peace, using the word 'peace' here to equate with 'the enjoyment of good relationships'. Principles for the attainment and maintenance of good relations apply to individuals at the local level and to states and nations at the government level. Martyrdom of romantic lovers choosing Gandhian-like self sacrifice (the third pillar) continues today. Reflecting hugely intense joy and sorrow, storytelling of romance tragedy through the arts and media brings compelling heroism to our attention. It leaves us with a message of hope for the new generation.
