I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Kindle seems to work well, particularly with children.A specific selection of those WoW facts combined with some pretty awesome pictures, if I say so myself! Words and images combined to stimulate the brain and absorb the reader using an interactive formula. At the end there is a short True or False quiz to check memory recall. Don't worry though, it's a bit of fun but at the same time, it helps to check understanding. Remember, Everyone's a Winner! EnjoyMatt.

Firsts, Lasts & Onlys Paul Donnelley,2015-09-02 Firsts, Lasts & Onlys is a rugby fan's delight, chock-full of astonishing events, time-honoured anecdotes and distinctly unlikely facts. Beginning in 1823 with an event that probably didn't happen, the book charts the history of the sport to the present day. Did you know that Wasps were not included at the formation of the Rugby Football Union because their representative went to the wrong venue and got drunk? Or that the first international was won by Scotland because the umpire, a Dr Almond, adjudged: 'When an umpire is in doubt, I think he is justified in deciding against the side which makes the most noise. They are probably in the wrong'? Do you know which was the first novel to mention rugby? When the last 20-a-side rugby match was played? Or why a fan cut off his testicles to celebrate a win? All this, and so much more.

The Rugby Union Quiz Book Matthew Jones,2015 Here's an opportunity to test the old grey matter. This rugby quiz book contains fifty rounds of ten questions. These reflect some of the fantastic or maybe more unusual moments of rugby from all over the world.
