David Allan Reeves

Run Away Harlan Coben,2019-03-19 A perfect family is shattered when their daughter goes missing in this brilliantly executed New York Times bestselling thriller from a master storyteller (Providence Sunday Journal). You've lost your daughter. She's addicted to drugs and to an abusive boyfriend. And she's made it clear that she doesn't want to be found. Then, by chance, you see her playing guitar in Central Park. But she's not the girl you remember. This woman is living on the edge, frightened, and clearly in trouble. You don't stop to think. You approach her, beg her to come home. She runs. And you do the only thing a parent can do: you follow her into a dark and dangerous world you never knew existed. Before you know it, both your family and your life are on the line. And in order to protect your daughter from the evils of that world, you must face them head on.

The Beginner's Guide to Running Away from Home Jennifer Huget,2013-06-25 What kid hasn't wanted to make their parents feel sorry for treating him badly? And how better to accomplish this than to run away? Here's a guide showing how, from what to pack (gum--then you won't have to brush your teeth) to how to survive (don't think about your cozy bed). Ultimately, though, readers will see that there really is no place like home. Like Judith Viorst's *Alexander and the Terrible, Horrible, No Good, Very Bad Day*, here's a spot-on portrait of a kid who's had it. And like Maurice Sendak's *Where the Wild Things Are*, it's also a journey inside a creative kid's imagination: that special place where parents aren't allowed without permission.

Away Running David Wright,Luc Bouchard,2016-04-12 Matt, a white quarterback from Montreal, Quebec, flies to France (without his parents' permission) to play football and escape family pressure. Freeman, a black football player from San Antonio, Texas, is in Paris on a school trip when he hears about a team playing American football in a rough, low-income suburb called Villeneuve-La-Grande. Matt and Free join the Diables Rouges and make friends with the other players, who come from many different ethnic groups. Racial tension erupts into riots in Villeneuve when some of their Muslim teammates get in trouble with the police, and Matt and Free have to decide whether to get involved and face the very real risk of arrest and violence.

Running Away from Me David Allan Reeves,2009-09 Take a journey in one young man's real-life nightmare as he battles his self-destructive obsession with drugs, which leads him on a roller coaster ride through hell on earth!

Running Away to Home Jennifer Wilson,2011-10-11 A middle class, Midwestern family in search of meaning uproot themselves and move to their ancestral village in Croatia. We can look at this in two ways, Jim wrote, always the pragmatist. We can panic and scrap the whole idea. Or we can take this as a sign. They're saying the economy is going to get worse before it gets better. Maybe this is the kick in the pants we needed to do something completely different. There will always be an excuse not to go... And that, friends, is how a typically sane middle-aged mother decided to drag her family back to a forlorn mountain village in the backwoods of Croatia. So begins author Jennifer Wilson's journey in *Running Away to Home*. Jen, her architect husband, Jim, and their two children had been living the typical soccer- and ballet-practice life in the most Middle American of places: Des Moines, Iowa. They overindulged themselves and their kids, and as a family they were losing one another in the rush of work, school, and activities. One day, Jen and her husband looked at each other--both holding their Starbucks coffee as they headed out to their SUV in the mall parking lot, while the kids complained about the inferiority of the toys they just got--and asked themselves: Is this the American dream? Because if it is, it sort of sucks. Jim and Jen had always dreamed of taking a family sabbatical in another country, so when they lost half their savings in the stock-market crash, it seemed like just a crazy enough time to do it. High on wanderlust, they left the troubled landscape of contemporary America for the Croatian mountain village of Mrkopalj, the land of Jennifer's ancestors. It was a village that seemed hermetically sealed for the last one hundred years, with a population of eight hundred (mostly drunken) residents and a herd of sheep milling around the post office. For several months they lived like locals, from milking the neighbor's cows to eating roasted pig on a spit to desperately seeking the village recipe for bootleg liquor. As the Wilson-Hoff family struggled to stay sane (and warm), what they found was much deeper and bigger than themselves.

Running Away Leslie Thomas,2011-02-28 Written with the characteristic wit and good humour, Leslie Thomas's novel tells the story of a grown man who runs away from home, and the adventures that befall him in his quest for a new lease of life. His latest love affair discovered (thanks to an observant fifteen-year-old daughter who points out the still-wet suds of expensive soap lingering in his ear), bestselling author Nicholas Boulting sets off amid a torrent of abuse to see what else life can offer. After his fantasy escape to Luxor turns into a nightmarish excursion to Malaga, Nicholas returns hastily to London. He moves into a flat in Little Venice with Sol Solomon, a sex-mad writer of dubious reputation, and sits down to write his next novel, *Owls of Desperation*. Full of the qualities we have come to expect from his novels, *Running Away* is Leslie Thomas's eminently readable and enjoyable story of one man's mid-life crisis.

Itsy Mitsy Runs Away Elanna Allen,2011-05-03 Itsy Mitsy has had quite enough of bedtime. So tonight she's running away to the perfect place, where there are no more bedtimes ever (not even one). But running away isn't as easy as it seems. There's a lot to pack: Mitsy's friendliest dinosaur, Mister Roar; a snack for Mister Roar; Mitsy's dog, Pupcake (to keep the bedtime beasts away from said snack)....The list goes on and on. But with a helpful dad who makes sure Mitsy doesn't leave anything behind--especially not him--Mitsy might want to run away tomorrow night, too!

Run the World Becky Wade,2016-07-05 From elite marathoner and Olympic hopeful Becky Wade comes the story of her year-long exploration of diverse global running communities from England to Ethiopia--9 countries, 72 host families, and over 3,500 miles of running--investigating unique cultural approaches to the sport and revealing the secrets to the success of runners all over the world. Fresh off a successful collegiate running career--with multiple NCAA All-American honors and two Olympic Trials qualifying marks to her name--Becky Wade was no stranger to international competition. But after years spent safely sticking to the training methods she knew, Becky was curious about how her counterparts in other countries approached the sport to which she'd dedicated over half of her life. So in 2012, as a recipient of the Watson Fellowship, she packed four pairs of running shoes, cleared her schedule for the year, and took off on a journey to infiltrate diverse running communities around the world. What she encountered far exceeded her expectations and changed her outlook into the sport she loved. Over the next twelve months--visiting 9 countries with unique and storied running histories, logging over 3,500 miles running over trails, tracks, sidewalks, and dirt roads--Becky explored the varied approaches of runners across the globe. Whether riding shotgun around the streets of London with Olympic champion sprinter Usain Bolt, climbing for an hour at daybreak to the top of Ethiopia's Mount Entoto just to start her daily run, or getting lost jogging through the bustling streets

of Tokyo, Becky's unexpected adventures, keen insights, and landscape descriptions take the reader into the heartbeat of distance running around the world. Upon her return to the United States, she incorporated elements of the training styles she'd sampled into her own program, and her competitive career skyrocketed. When she made her marathon debut in 2013, winning the race in a blazing 2:30, she became the third-fastest woman marathoner under the age of 25 in U.S. history, qualifying for the 2016 Olympic Trials and landing a professional sponsorship from Asics. From the feel-based approach to running that she learned from the Kenyans, to the grueling uphill workouts she adopted from the Swiss, to the injury-recovery methods she learned from the Japanese, Becky shares the secrets to success from runners and coaches around the world. The story of one athlete's fascinating journey, *Run the World* is also a call to change the way we approach the world's most natural and inclusive sport.

The Color of A Dog Running Away Richard Gwyn, 2007-03-20 When I opened the door of the flat there was a picture postcard lying in the hallway. It showed a reproduction of a painting by Joan Miró. I turned the card over. Neatly written, in green ink, was what appeared to be a date and time: 20 May-11:00. There was no explanatory message, no indication of who had written the card. The printed details told me that the reproduction was entitled "Woman of the Night." The painting could be found at the Miró Foundation. May 20 was the next day. Lucas, a musician and translator living in Barcelona's Gothic Quarter, comes home one day to find this cryptic invitation. When he appears at the appointed time, he sets in motion a series of bizarre, seemingly interconnected events that disrupt his previously passive existence. He meets the alluring Nuria and they begin an intense love affair. He is approached by a band of Barcelona's mythic roof dwellers and has a run-in with a fire-eating prophet. But when he and Nuria are kidnapped by a religious cult with roots stretching back to the thirteenth-century, Lucas realizes that his life is spinning out of control. The cult's megalomaniac leader, Pontneuf, maintains that Nuria and Lucas are essential to his plan to revive the religion. While Nuria is surprisingly open to Pontneuf and his theories, Lucas is outraged and makes his escape. Back in Barcelona, Lucas wanders the streets in a drug-and-alcohol induced haze, pining for Nuria and struggling to make sense of what happened to him. He recounts his improbable adventures to his friends, who are wholly entertained by the story and deeply dubious of its truth, an understandable skepticism as Lucas fast becomes the quintessential unreliable narrator. With the alluring and enchanting Barcelona as a vibrant backdrop, *The Color of a Dog Running Away* is a love story, tale of adventure and historical thriller all rolled into one unforgettable and mesmerizing package; a novel that will beguile and disturb in equal measure.

Running Away Ulysses Stephen King, Jr., 2015-03-12 "Ulysses' honest candor about the Christian journey is refreshing! He supports the body of Christ in developing spiritual veracity while applying practical truths. *Running Away* is an authentic discourse exploring life behind the pulpit." —Vita Jones, Ph.D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars, you are not forgotten. There is healing for the soul and spirit, even in the midst of pain and disappointment. Pastor King's daring memoir goes beyond the religious slogans and Christian jargon that is so often used by popular celebrity-preachers, and he examines some of the views and stereotypes cast on pastors' children who serve in the church. He shares his personal journey, emotions, and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church. He also attempts to answer the question, "Why do so many pastors' children leave the church and run away from the call to serve?" *Running Away* is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father. The book looks at Pastor King's personal tests, failures, and trials in ministry, and what it took for him to overcome some of the painful experiences of leadership. *Running Away* is not a memoir of triumph or failure, but of truth—his truth. Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community, hoping his readers will understand his heart and love for his father, and the local church he faithfully served for over thirty years. *Running Away* is a must-read for pastors with children and Christians who are often critical of them.

More Like Not Running Away Paul Shepherd, 2005-12-01 An "extraordinary first novel" about a father trying to escape the past and a son lost in a world of imaginary voices—winner of the Mary McCarthy Prize (Booklist). Levi Revel is a boy in danger of losing his family and maybe his mind. He's in awe of his father, Everest—a majestic dreamer, a master builder, a man with a violent, secret past. As the family moves from state to state, Levi hears solace in the voice of God, a voice that sends him preaching from treetops and roofs. But as the family begins to fall apart and Levi enters adolescence, he starts to hear more troubling things. When Everest takes him on a high-speed, cross-country chase to win back Levi's mother—by force if necessary—Levi realizes how much danger they all are in. Tender and frightening, *More Like Not Running Away* takes readers across America, through the eyes and ears of a child whose family is haunted by a past they can't outrun. "Shepherd's family-in-decline frames an impressive father-son character study." —Publishers Weekly "This extraordinary first novel about the blood ties that bind fathers and sons packs such emotional power that reading it is like sustaining repeated blows to the heart." —Booklist "Shepherd is a master craftsman, and the subtlety of his art, the unassuming elegance of its architecture, rendered me spellbound and finally grateful." —Bob Shacochis, author of *The Woman Who Lost Her Soul* "A riveting exploration of what it is to be an outsider even in your own head. Shepherd has written a gripping story of childhood angst—psychologically thrilling, lyrically exact." —Janet Burroway, author of *Writing Fiction*
