Included in your purchase you have Russia- Its People and Its Literature in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Russia- Its People and Its Literature: Look inside the book: Turning from the authoress to the work, I will only add that I hope the American reader may find it to be what it seemed to me as I read it in Spanish, -an epitome of a vast and elaborate subject, and a guide to a clear path through this maze which without a guide can hardly be clear to any but a profound student of belles-lettres; for classicism, romanticism, and realism are technical terms, and the purpose of the modern novel is only just beginning to be understood by even fairly intelligent readers. ...The modern phenomenon of the resurrection of local literatures, and the reappearance of forgotten or amalgamated races, bears no analogy to this Russian movement; for apart from the fact that the former represents a protest by race individualism against dominant nationalities, and the latter, on the contrary, bears the seal of strong unity of sentiment (which distinguishes Russia), it must be borne in mind that local literatures are reactionary in themselves, -restorers of traditions more or less forgotten and lost sight of, -while Russian literature is an innovation, which accepts the past, not as its ideal, but as its root. About Emilia Pardo Bazan, the Author: Pardo

Bazan was born in A Coruna, a city in the region of Galicia, Spain, and the culture of that area was incorporated into some of her most popular novels, including *Los pazos de Ulloa* ('The Manors of Ulloa') and its sequel, *La madre naturaleza* ('Mother Nature'). ...Probably the best of Emilia Pardo Bazan's work is embodied in *Los pazos de Ulloa* (1886), the painfully exact history of a decadent aristocratic family, as notable for its portraits of types like Nucha and Julian as for its creation of characters like those of the political bravos, Barbacana and Trampeta.

Russians Gregory Feifer, 2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped the Russian character for centuries-and continue to do so today. *RUSSIANS* explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. *RUSSIANS* is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

Russia: Its People and Its Literature Emilia condesa de Pardo Bazán, 2022-09-04 DigiCat Publishing presents to you this special edition of *Russia: Its People and Its Literature* by Emilia condesa de Pardo Bazán. Literary Biographies in The Lives of Remarkable People Series in Russia Carol Ueland, Ludmilla A. Trigos, 2022-03-14 This book examines the Russian biography series, *The Lives of Remarkable People*, and its role in Russian culture. The contributors examine the interplay of research and imagination

in biographical narratives, the changing perceptions of what constitutes literary greatness, and the subversive possibilities of biography during eras of censorship.

Putin v. the People Samuel A. Greene, Graeme B. Robertson, 2019-06-11 A fascinating, bottom-up exploration of contemporary Russian politics that sheds new light on why Putin's grip on power is more fragile than we think. What do ordinary Russians think of Putin? Who are his supporters? And why might their support now be faltering? Alive with the voices and experiences of ordinary Russians and elites alike, Sam Greene and Graeme Robertson craft a compellingly original account of contemporary Russian politics. Telling the story of Putin's rule through pivotal episodes such as the aftermath of the For Fair Elections protests, the annexation of Crimea, and the War in Eastern Ukraine, Greene and Robertson draw on interviews, surveys, social media data, and leaked documents to reveal how hard Putin has to work to maintain broad popular support, while exposing the changing tactics that the Kremlin has used to bolster his popularity. Unearthing the ambitions, emotions, and divisions that fuel Russian politics, this book illuminates the crossroads to which Putin has led his country and shows why his rule is more fragile than it appears.

Putin's People Catherine Belton, 2020-06-23 A New York Times and Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph [Putin's People] will surely now become the definitive account of the rise of Putin and Putinism. —Anne Applebaum, The Atlantic This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades. —Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In *Putin's People*, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—*Putin's People* is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

The Russians Robin Milner-Gulland, 2000-04-07 This book examines the history of the Russian peoples from the time of the first inhabitants of Old Russia,

or Rus, up to the present day.

A Terrible Country Keith Gessen, 2018-07-10 A New York Times Editors' Choice Named a Best Book of 2018 by Bookforum, Nylon, Esquire, and Vulture This artful and autumnal novel, published in high summer, is a gift to those who wish to receive it. –Dwight Garner, The New York Times Hilarious, heartbreaking . . . A Terrible Country may be one of the best books you'll read this year. –Ann Levin, Associated Press The funniest work of fiction I've read this year. –Christian Lorentzen, Vulture.com A literary triumph about Russia, family, love, and loyalty—from a founding editor of *n+1* and author of *Raising Raffi* When Andrei Kaplan's older brother Dima insists that Andrei return to Moscow to care for their ailing grandmother, Andrei must take stock of his life in New York. His girlfriend has stopped returning his text messages. His dissertation adviser is dubious about his job prospects. It's the summer of 2008, and his bank account is running dangerously low. Perhaps a few months in Moscow are just what he needs. So Andrei sublets his room in Brooklyn, packs up his hockey stuff, and moves into the apartment that Stalin himself had given his grandmother, a woman who has outlived her husband and most of her friends. She survived the dark days of communism and witnessed Russia's violent capitalist transformation, during which she lost her beloved dacha. She welcomes Andrei into her home, even if she can't always remember who he is. Andrei learns to navigate Putin's Moscow, still the city of his birth, but with more expensive coffee. He looks after his elderly—but surprisingly sharp!—grandmother, finds a place to play hockey, a café to send emails, and eventually some friends, including a beautiful young activist named Yulia. Over the course of the year, his grandmother's health declines and his feelings of dislocation from both Russia and America deepen. Andrei knows he must reckon with his future and make choices that will determine his life and fate. When he becomes entangled with a group of leftists, Andrei's politics and his allegiances are tested, and he is forced to come to terms with the Russian society he was born into and the American one he has enjoyed since he was a kid. A wise, sensitive novel about Russia, exile, family, love, history and fate, *A Terrible Country* asks what you owe the place you were born, and what it owes you. Writing with grace and humor, Keith Gessen gives us a brilliant and mature novel that is sure to mark him as one of the most talented novelists of his generation.

Novels, Tales, Journeys Alexander Pushkin, 2016-11-22 From the award-winning translators: the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers. The father of Russian literature, Pushkin is beloved not only for his poetry but also for his brilliant stories, which range from dramatic tales of love, obsession, and betrayal to dark fables and sparkling comic masterpieces, from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of *The Queen of Spades*. The five short stories of *The Late Tales of Ivan Petrovich Belkin* are lightly humorous and yet reveal astonishing human depths, and his short novel, *The Captain's Daughter*, has been called the most perfect book in Russian literature.

Dostoevsky and the Russian People Linda Ivanits, 2011-03-03 Russian popular culture and folklore were a central theme in Dostoevsky's work, and folklore imagery permeates his fiction. *Dostoevsky and the Russian People* is a comprehensive study of the people and folklore in his art. Linda Ivanits

investigates the integration of Dostoevsky's religious ideas and his use of folklore in his major fiction. She surveys the shifts in Dostoevsky's thinking about the Russian people throughout his life and offers comprehensive studies of the people and folklore in *Crime and Punishment*, *The Idiot*, *The Devils*, and *The Brothers Karamazov*. This important study will illuminate this unexplored aspect of his work, and will be of great interest to scholars and students of Russian and of comparative literature.

The Possessed Elif Batuman, 2010-02-16 One of The Economist's 2011 Books of the Year THE TRUE BUT UNLIKELY STORIES OF LIVES DEVOTED—ABSURDLY! MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS No one who read Elif Batuman's first article (in the journal *n+1*) will ever forget it. Babel in California told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport, uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for *The New Yorker*, *Harper's Magazine*, and the *London Review of Books*—have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In *The Possessed* we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford, Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in *The Possessed*. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

Russian Literature: A Very Short Introduction Catriona Kelly, 2001-08-23 This book is intended to capture the interest of anyone who has been attracted to Russian culture through the greats of Russian literature, either through the texts themselves, or encountering them in the cinema, or opera. Rather than a conventional chronology of Russian literature, the book will explore the place and importance of literature of all sorts in Russian culture. How and when did a Russian national literature come into being? What shaped its creation? How have the Russians regarded their literary language? The book will use the figure of Pushkin, 'the Russian Shakespeare' as a recurring example as his work influenced every Russian writer who came after him, whether poets or novelists. It will look at such questions as why Russian writers are venerated, how they've been interpreted inside Russia and beyond, and the influences of such things as the folk tale tradition, orthodox religion, and the West ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Putinism Walter Laqueur, 2015-06-30 There is no question that tensions

between Russia and American are on the rise. The forced annexation of Crimea, the downing of Malaysia Airlines flight 17, and the Russian government's treatment of homosexuals have created diplomatic standoffs and led to a volley of economic sanctions. Much of the blame for Russia's recent hostility towards the West has fallen on steely-eyed President Vladimir Putin and Americans have begun to wonder if they are witnessing the rebirth of Cold War-style dictatorship. Not so fast, argues veteran historian Walter Laqueur. For two decades, Laqueur has been ahead of the curve, predicting events in post-Soviet Russia with uncanny accuracy. In *Putinism*, he deftly demonstrates how three long-standing pillars of Russian ideology: a strong belief in the Orthodox Church, a sense of Eurasian manifest destiny and a fear of foreign enemies, continue to exert a powerful influence on the Russian populous. In fact, today's Russians have more in common with their counterparts from 1904 than 1954 and Putin is much more a servant of his people than we might think. Topical and provocative, *Putinism* contains much more than historical analysis. Looking to the future, Laqueur explains how America's tendency to see Russia as a Cold War relic is dangerous and premature. As the situation in Ukraine has already demonstrated, Russia can and will challenge the West and it is in our best interest to figure out exactly who it is we are facing—and what they want—before it is too late.

Africa For Kids: People, Places and Cultures - Children Explore The World Books Baby Professor, 2017-02-15 Africa is a big but very magical place. Russia Its People And Its Literature Introduction

In today's digital age, the availability of Russia Its People And Its Literature books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia Its People And Its Literature books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia Its People And Its Literature books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia Its People And Its Literature versions, you eliminate the need to

spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia Its People And Its Literature books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it

comes to accessing Russia Its People And Its Literature books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia Its People And Its Literature books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia Its People And Its Literature books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia Its People And Its Literature books and

manuals for download and embark on your journey of knowledge?

FAQs About Russia Its People And Its Literature Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
