Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

**Russians** Gregory Feifer,2014-02-18 From former NPR Moscow correspondent Gregory Feifer comes an incisive portrait that draws on vivid personal stories to portray the forces that have shaped

the Russian character for centuries-and continue to do so today. *RUSSIANS* explores the seeming paradoxes of life in Russia by unraveling the nature of its people: what is it in their history, their desires, and their conception of themselves that makes them baffling to the West? Using the insights of his decade as a journalist in Russia, Feifer corrects pervasive misconceptions by showing that much of what appears inexplicable about the country is logical when seen from the inside. He gets to the heart of why the world's leading energy producer continues to exasperate many in the international community. And he makes clear why President Vladimir Putin remains popular even as the gap widens between the super-rich and the great majority of poor. Traversing the world's largest country from the violent North Caucasus to Arctic Siberia, Feifer conducted hundreds of intimate conversations about everything from sex and vodka to Russia's complex relationship with the world. From fabulously wealthy oligarchs to the destitute elderly babushki who beg in Moscow's streets, he tells the story of a society bursting with vitality under a leadership rooted in tradition and often on the edge of collapse despite its authoritarian power. Feifer also draws on formative experiences in Russia's past and illustrative workings of its culture to shed much-needed light on the purposely hidden functioning of its society before, during, and after communism. Woven throughout is an intimate, first-person account of his family history, from his Russian mother's coming of age among Moscow's bohemian artistic elite to his American father's harrowing vodka-fueled run-ins with the KGB. What emerges is a rare portrait of a unique land of extremes whose forbidding geography, merciless climate, and crushing corruption has nevertheless produced some of the world's greatest art and some of its most remarkable scientific advances. *RUSSIANS* is an expertly observed, gripping profile of a people who will continue challenging the West for the foreseeable future.

*Literary Biographies in The Lives of Remarkable People Series in Russia* Carol Ueland, Ludmilla A.

Trigos,2022-03-14 This book examines the Russian biography series, The Lives of Remarkable People, and its role in Russian culture. The contributors examine the interplay of research and imagination in biographical narratives, the changing perceptions of what constitutes literary greatness, and the subversive possibilities of biography during eras of censorship.

*Russia: Its People and Its Literature* condesa de Emilia Pardo Bazán,

Putin's People Catherine Belton,2020-06-23 A New York Times and Sunday Times bestseller | A New York Times Book Review Editors' Choice Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph [Putin's People] will surely now become the definitive account of the rise of Putin and Putinism. —Anne Applebaum, The Atlantic This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades. —Peter Frankopan, Financial Times Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In Putin's People, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of

KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—Putin's People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

**The Russians** Robin Milner-Gulland, 2000-04-07 This book examines the history of the Russian peoples from the time of the first inhabitants of Old Russia, or Rus, up to the present day.

Literary Biographies in The Lives of Remarkable People Series in Russia Carol Ueland, Ludmilla A Trigos, 2024-03-22 This book examines the Russian biography series, The Lives of Remarkable People, and its role in Russian culture. The contributors examine the interplay of research and imagination in biographical narratives, the changing perceptions of what constitutes literary greatness, and the subversive possibilities of biography during eras of censorship.

the people, taste the food and enjoy the culture too. It's an imaginary adventure that you will never forget so grab a copy now!

**Russia and the Russians** Geoffrey A. Hosking, 2001 Chronicles the history of the Russian Empire from the Mongol Invasion, through the Bolshevik Revolution, to the aftereffects of the Cold War.

**A Terrible Country** Keith Gessen, 2018-07-10 A New York Times Editors' Choice Named a Best Book of 2018 by Bookforum, Nylon, Esquire, and Vulture This artful and autumnal novel, published in high summer, is a gift to those who wish to receive it. —Dwight Garner, The New York Times Hilarious, heartbreaking . . . A Terrible Country may be one of the best books you'll read this year. —Ann Levin, Associated Press The funniest work of fiction I've read this year. —Christian Lorentzen, Vulture.com A literary triumph about Russia, family, love, and loyalty—from a founding editor of n+1 and author of Raising Raffi When Andrei Kaplan's older brother Dima insists that Andrei return to Moscow to care for their ailing grandmother, Andrei must take stock of his life in New York. His girlfriend has stopped returning his text messages. His dissertation adviser is dubious about his job prospects. It's the summer of 2008, and his bank account is running dangerously low. Perhaps a few months in Moscow are just what he needs. So Andrei sublets his room in Brooklyn, packs up his hockey stuff, and moves into the apartment that Stalin himself had given his grandmother, a woman who has outlived her husband and most of her friends. She survived the dark days of communism and witnessed Russia's violent capitalist transformation, during which she lost her beloved dacha. She welcomes Andrei into her home, even if she can't always remember who he is. Andrei learns to navigate Putin's Moscow, still the city of his birth, but with more expensive coffee. He looks after his elderly—but surprisingly sharp!—grandmother, finds a place to play hockey, a café to send emails, and eventually some friends, including a beautiful young activist named Yulia. Over the course of the year, his

grandmother's health declines and his feelings of dislocation from both Russia and America deepen. Andrei knows he must reckon with his future and make choices that will determine his life and fate. When he becomes entangled with a group of leftists, Andrei's politics and his allegiances are tested, and he is forced to come to terms with the Russian society he was born into and the American one he has enjoyed since he was a kid. A wise, sensitive novel about Russia, exile, family, love, history and fate, *A Terrible Country* asks what you owe the place you were born, and what it owes you. Writing with grace and humor, Keith Gessen gives us a brilliant and mature novel that is sure to mark him as one of the most talented novelists of his generation.

*The Russian People* Maurice Baring, 2015-06-05 Excerpt from *The Russian People* When the average man, in search of information on a subject which he knows little or nothing of, has recourse to the best-known authorities, his enthusiasm will often be damped by finding that the author have taken for granted a certain foundation of elementary knowledge on his part, which he lacks. He finds himself at sea; he is met at every turn by allusions to things which he is supposed to know, and which he is ignorant of. The authors he has consulted have not thought it worth while to repeat what they suppose any one interested in the subject is bound to know. Thus the student sometimes finds himself in the position of a foreigner to whom an Englishman talks of the game of cricket under the impression that he is talking to a fellow Englishman. Hopelessly puzzled, he will abandon his study of this particular subject and turn his attention to other things. This is especially true with regard to the study of Russian affairs. The authorities as a rule know so much more than the people who are likely to consult them that the student is confused and baffled. If he reads books dealing with Russian commerce, politics, administration, or literature, he will often find that a certain minimum knowledge of Russian history is taken for granted. Now, it is just this knowledge that he lacks. If, on the other

hand, he takes up a volume of Russian history, he will often come across allusions to Russian life and literature which mean nothing to him. I am far from blaming writers of such books for not supplying the lack. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

**Russian Literature: A Very Short Introduction** Catriona Kelly, 2001-08-23 This book is intended to capture the interest of anyone who has been attracted to Russian culture through the greats of Russian literature, either through the texts themselves, or encountering them in the cinema, or opera. Rather than a conventional chronology of Russian literature, the book will explore the place and importance of literature of all sorts in Russian culture. How and when did a Russian national literature come into being? What shaped its creation? How have the Russians regarded their literary language? The book will use the figure of Pushkin, 'the Russian Shakespeare' as a recurring example as his work influenced every Russian writer who came after him, whether poets or novelists. It will look at such questions as why Russian writers are venerated, how they've been interpreted inside Russia and beyond, and the influences of such things as the folk tale tradition, orthodox religion, and the West ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective,

new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**Putinism** Walter Laqueur, 2015-06-30 There is no question that tensions between Russia and American are on the rise. The forced annexation of Crimea, the downing of Malaysia Airlines flight 17, and the Russian government's treatment of homosexuals have created diplomatic standoffs and led to a volley of economic sanctions. Much of the blame for Russia's recent hostility towards the West has fallen on steely-eyed President Vladimir Putin and Americans have begun to wonder if they are witnessing the rebirth of Cold War-style dictatorship. Not so fast, argues veteran historian Walter Laqueur. For two decades, Laqueur has been ahead of the curve, predicting events in post-Soviet Russia with uncanny accuracy. In *Putinism*, he deftly demonstrates how three long-standing pillars of Russian ideology: a strong belief in the Orthodox Church, a sense of Eurasian manifest destiny and a fear of foreign enemies, continue to exert a powerful influence on the Russian populous. In fact, today's Russians have more in common with their counterparts from 1904 than 1954 and Putin is much more a servant of his people than we might think. Topical and provocative, *Putinism* contains much more than historical analysis. Looking to the future, Laqueur explains how America's tendency to see Russia as a Cold War relic is dangerous and premature. As the situation in Ukraine has already demonstrated, Russia can and will challenge the West and it is in our best interest to figure out exactly who it is we are facing—and what they want—before it is too late.

*The Possessed* Elif Batuman, 2010-02-16 One of The Economist's 2011 Books of the Year THE TRUE BUT UNLIKELY STORIES OF LIVES DEVOTED—ABSURDLY! MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS No one who read Elif Batuman's first article (in the journal *n+1*) will ever forget it. Babel in California told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of

several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport, uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for *The New Yorker*, *Harper's Magazine*, and the *London Review of Books*—have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In *The Possessed* we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford, Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in *The Possessed*. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

**The Story of Russia** Orlando Figes, 2022-09-20 “This is the essential backstory, the history book that you need if you want to understand modern Russia and its wars with Ukraine, with its neighbors, with America, and with the West.” —Anne Applebaum, author of *Twilight of Democracy* and *Red Famine* Named a Most Anticipated Book of the Year by *Publishers Weekly* and *Kirkus Reviews* From “the great storyteller of Russian history” (*Financial Times*), a brilliant account of the national mythologies and imperial ideologies that have shaped Russia’s past and politics—essential reading for understanding the country today *The Story of Russia* is a fresh approach to the thousand years of Russia’s history, concerned as much with the ideas that have shaped how Russians think about their

past as it is with the events and personalities comprising it. No other country has reimagined its own story so often, in a perpetual effort to stay in step with the shifts of ruling ideologies. From the founding of Kievan Rus in the first millennium to Putin's war against Ukraine, Orlando Figes explores the ideas that have guided Russia's actions throughout its long and troubled existence. Whether he's describing the crowning of Ivan the Terrible in a candlelit cathedral or the dramatic upheaval of the peasant revolution, he reveals the impulses, often unappreciated or misunderstood by foreigners, that have driven Russian history: the medieval myth of Mother Russia's holy mission to the world; the imperial tendency toward autocratic rule; the popular belief in a paternal tsar dispensing truth and justice; the cult of sacrifice rooted in the idea of the "Russian soul"; and always, the nationalist myth of Russia's unjust treatment by the West. How the Russians came to tell their story and to revise it so often as they went along is not only a vital aspect of their history; it is also our best means of understanding how the country thinks and acts today. Based on a lifetime of scholarship and enthrallingly written, *The Story of Russia* is quintessential Figes: sweeping, revelatory, and masterful.

Right here, we have countless books **Russia Its People And Its Literature** and collections to check out. We additionally manage to pay for variant types and then type of the books to browse. The okay book, fiction, history, novel, scientific research, as without difficulty as various further sorts of books are readily friendly here.

## Russia Its People And Its Literature Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere.

The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia Its People And Its Literature PDF books and manuals is the internets largest free library. Hosted online, this catalog

compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from

experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics,

or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners,

promoting progress and innovation in various fields. It is worth noting that while accessing free Russia Its People And Its Literature PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of

Russia Its People And Its Literature free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Russia Its People And Its Literature Books**
