

Russia Today

Ilya Yablokov, Precious N. Chatterje-Doody

Russia, Today and Tomorrow Pavel Nikolaevič Milûkov,1922

The View from the Vysotka Anne Nivat,2014-03-11 Completed shortly before Joseph Stalin's death in 1953, the vysotkii, or sky houses, still dominate the Moscow skyline today. Seven in all, they were the Soviet answer to the American skyscraper, transforming the Soviet capital from a feudal backwater into the city of the future. With their soaring towers and gothic architectural details, the vysotkas were intended to be enduring monuments to the workers state and to the glories of Communism--though they were built on the backs of slave laborers and, initially, the prerogative only of the Soviet elite. Now these imposing giants lie on the fault line between a world that has vanished and one still emerging from its ruins. When she moved to Moscow several years ago, journalist and Russia expert Anne Nivat settled into one of the vysotkas, the one that happens to overlook the Kremlin. She became fascinated by the building and learned everything she could about its history. As she got to know her neighbors and fellow tenants, Nivat discovered that they included some of the building's original inhabitants or their descendants, hand-chosen by Stalin and his henchman Lavrenti Beria (arrested and executed for high treason shortly after Stalin's death)--KGB operatives, Bolshoi ballerinas, and artists of Soviet agitprop. Living side by side with them were representatives of the new Russia--entrepreneurs, foreign investors, and oligarchs; as any Moscow real estate agent will tell you, Stalin-era buildings in today's market are some of the most coveted addresses in the city. By means of this decaying but still elegant Soviet icon, Nivat gives us a way of grasping the complexities of a country struggling to come to terms with its past and define its future. She allows the tenants of her vysotka to speak for themselves, to offer their perspectives on where Russia has been and where it is going. Some are keenly nostalgic for the days when the State dictated life. Others have prospered in the confusion that has reigned since the Evil Empire's fall and look to a market-driven economy to guide Russia to the Promised Land. Still others fall some place between the two, anxious but hopeful, longing for yet also fearful of change. Taken together, the portraits of the vysotka's inhabitants provide a panorama of Russia today. The View from the Vysotka shows us life from the inside, evoking both the forces that have swept through this vast and fascinating nation over the course of the last half-century, as well as a building that has managed to endure them.

Inside Russia Today ,1958

Russia Pavel Nikolaevich Miliukov,1922

Return to Putin's Russia Stephen K. Wegren,2012-10-26 Now in a thoroughly revised, expanded, and updated edition, this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency. Leading scholars explore the daunting domestic and international problems confronting Russia today. Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse, the contributors consider a comprehensive array of economic, political, foreign policy, and social issues. Clearly written and organized, this text is an indispensable guide for anyone wanting to understand Russia today.

Russia Today and Conspiracy Theories Ilya Yablokov,Precious N. Chatterje-Doody,2021 The Russian international media outlet Russia Today (RT) has been widely accused in the Western world of producing government propaganda and conspiracy theories. This book explores for the first time what role conspiracy theories actually play in the network's broadcasts. More than this, it provides the first ever study of how the Russian government engages with conspiracy theories in the international arena, with a particular focus on the use of conspiracy theories as an instrument of public diplomacy. RT was established in 2005 to represent Russia to the world, and to present a Russian perspective on global events. Whilst some of RT's more overtly conspiratorial output has been taken off the air, the network remains a source of significant concern for governments and intelligence agencies in Europe and North America. Now, more than ever, policymakers, journalists, academics and intelligence services alike seek to understand the role RT plays in the Russian government's foreign policy agenda. The authors use RT as a case study to investigate how global communication technologies influence the development and dissemination of conspiracy theories, which are also an important component of the post-Soviet Russian intellectual landscape and Kremlin-sponsored political discourse. This book will appeal to students and scholars of Politics and International Relations, Russian Studies, and Conspiracy Theories--

Understanding Russia Marlene Laruelle,Jean Radvanyi,2018-08-16 This timely book provides a comprehensive overview of the geographical, historical, political, cultural, and geostrategic factors that drive Russia today. Explaining Russia's perspective, it offers a much-needed analysis that will help readers understand how the country deals with its domestic issues and how these influence Russian foreign policy.

Elusive Russia Katlijn Malfliet,Ria Laenen,2007 Since President Putin came to power, Russia's domestic political process underwent continuous changes. Up till now it remains unclear whether Russia is on the road towards becoming a fullfledged democracy or if it is diverting from this path.Elusive Russia brings together the views of four leading Russia experts on Russian state identity and institutional reform. Marie Mendras, Luke March, Irina Busygina and Andrei Zakharov share their original approaches on some key components of today's russian politics and bring their own perspective to the complex and ongoing process of Russia's nation.

Russia Today Clyde Lyndon King,Thomas Warner Mitchell,2018-10-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of

keeping this knowledge alive and relevant.

With Or Without You Maxim Shrayer,2017 In his captivating new book, author and scholar Maxim D. Shrayer offers a richly journalistic portrait of Russia's dwindling yet still vibrant Jewish community. This is simultaneously an in-depth exploration of the texture of Jewish life in Putin's Russia and an émigré's moving elegy for Russia's Jews.

Thank you very much for downloading **Russia Today**. As you may know, people have look numerous times for their favorite readings like this Russia Today, but end up in infectious downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they cope with some harmful virus inside their desktop computer.

Russia Today is available in our digital library an online access to it is set as public so you can download it instantly. Our books collection saves in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Merely said, the Russia Today is universally compatible with any devices to read

Table of Contents Russia Today

Table of Contents Russia Today		customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia Today PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to
