Michael Barrett

Companion to the Calendar, Second Edition Kathy Coffey, Mary Ellen Hynes, Corinna Laughlin, 2012-02-16 Companion to the Calendar, Second Edition has been revised to include the additional saints added to the proper calendar for the dioceses of the United States of America. While still including biographical information about the saints that are celebrated on the Roman Catholic liturgical calendar in the dioceses of the United States, the theological meaning of the various liturgical seasons, and explanations of secular days and Jewish and Muslim feasts, this Second Edition has also been revised to include additional Catholic days such as Marian and sanctoral observances, devotions from particular cultures (Hispanic, Vietnamese, etc), and other observances such as Catholic Schools Week and the World Day of the Sick.

Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World Enzo Lodi, 2018-03-20 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints. In the first Preface of the Mass for Holy Men and Women we read: In their lives on earth you give us an example. In our communion with them you give us their friendship. In their prayer for the Church you give us strength and protection. Moreover, as the Second Vatican Council put it, every act of love offered by us to those who are in heaven tends to and terminates in Christ, 'the crown of all the saints, ' and through him in God who is wonderful in his saints and is glorified in them. This book, then, should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints. With the addition of feast days proper to the United States, it is offered to the English-speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation.

A complementary volume to Exciting Holiness which provides scripture readings and prayers for the calendar, this is now updated to include the additional commemorations in the Church of England’s calendar of saints.

Holy Women, Holy Men Church Publishing,2010 Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and in-church activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.
