Salvation Peter F. Hamilton, 2018-09-04 Humanity's complex relationship with technology spirals out of control in this first book of an all-new series from "the owner of the most powerful imagination in science fiction" (Ken Follett). "How far 'space opera' has come! The Old Masters of sci-fi would admire the scope and sweep of Salvation."—The Wall Street Journal In the year 2204, humanity is expanding into the wider galaxy in leaps and bounds. Cutting-edge technology of linked jump gates has rendered most forms of transportation—including starships—virtually obsolete. Every place on Earth, every distant planet humankind has settled, is now merely a step away from any other. All seems wonderful—until a crashed alien spaceship of unknown origin is found on a newly located world eighty-nine light-years from Earth, carrying a cargo as strange as it is horrifying. To assess the potential of the threat, a high-powered team is dispatched to investigate. But one of them may not be all they seem. . . . Bursting with tension and big ideas, Peter F. Hamilton's *Salvation* is the first book of an all-new series that highlights the inventiveness of an author at the top of his game. Praise for *Salvation* "[A] vast, intricate sci-fi showstopper . . . The journey grips just as hard as the reveal."—Daily Mail (U.K.) "Exciting, wildly imaginative and quite possibly Hamilton's best book to date."—SFX "Dynamic, multifaceted characters, strong mind-expanding concepts, and impressive flair for language [make *Salvation* a] rare celestial event. . . . One of Britain's bestselling sci-fi authors has launched an addictive new book as the initial stage of what is sure to be an intriguing new series called the *Salvation Sequence*."—SyFyWire "Peter Hamilton just keeps getting better and better with each book, more assured and more craftsmanly adroit, and more inventive. [*Salvation* is] a bravura performance from start to finish. . . . Hamilton is juggling chainsaws while simultaneously doing needlepoint over a shark tank. It's a virtuoso treat, and I for one can hardly wait for *Salvation Lost*."—Paul Di Filippo, Locus "Peter F. Hamilton is known as one of the world's greatest sci-fi writers for a reason. . . . *Salvation* is well worth the effort and a great introduction to some good old-fashioned space opera."—Fantasy Book Review

Salvation in the New Testament Jan G. van der Watt, 2005-11-01 *Salvation in the New Testament* offers an analysis of the soteriological perspectives and language of the different books of the New Testament. Special attention is given to the exciting world of language and imagery used in expressing soteriological ideas.

Salvation for All Gerald O'Collins, 2008-03-21 This book examines in depth and at length what the Old Testament and the New Testament hold about the salvation of God's 'other peoples'. The Bible repeatedly witnesses to the universal scope of the divine love for all human beings and the chances of salvation that are available to them. Since the Israelites experienced for many centuries, both at home and abroad, the religion and culture of numerous other peoples, the Old Testament texts have much to say, both positively and negatively, about the religious prospects and destiny of these peoples. In its second half this book scrutinizes what Jesus, the evangelists, Paul and the Letter to the Hebrews indicate about God's loving designs for all human beings. At the end, the book breaks new ground by developing the universal presence of the risen Jesus (along with the Holy Spirit) and his role as universal Wisdom, and the full teaching of the Letter to the Hebrews on the possibility of faith for all people.

What You Need to Know About Salvation in 12 Lessons Max Anders, 1998-02-28 Christianity begins with the bad news that all are spiritually lost and then announces the good news that Jesus saves those who trust Him. *What You Need to Know About Salvation* explores the provision of salvation in Jesus Christ, its application today through the Holy

Spirit, and its consummation at the Second Coming.

Totally Saved Tony Evans, 2008-09-01 In his well known hard-hitting style, Tony Evans challenges readers to gain a deeper appreciation of their salvation by comprehending how sin offends and separates us from the Holy One. Get prepared to have your gratitude for salvation 'totally' deepened and your walk with Christ 'totally' transformed.

Defining Salvation in the Context of Black Theology James T. Murphy, Jr., 2012-08 An initial introduction to the study of Christian theology is both exciting and invigorating for students of its discipline. One can become enameled in the classic perspectives of theology without any consideration of a possible alternative. *Defining Salvation in the Context of Black Theology* is an exit from the classic conviction that trumpets the doctrine of soteriology attributing its substance to the posture of eternity while ignoring the importance of salvation in the existential. Careful not to reject the question of eternal life, but examining the nuances of the term salvation empowers this work to present the like manner essential that having salvation is just as much about now than it is in the here after.

One with Christ Marcus Peter Johnson, 2013 Foundational to believers' salvation is their union with Christ. In this accessible introduction, Johnson argues that this neglected doctrine is the lens through which all other facets of salvation should be understood.

Contemplating God in Salvation Lawrence Kimbrough, 2006 One book in a series of four, each offering fifteen lessons that encourage quality, heart-shaping quiet time to help readers grow in faith.

Jesus Our Salvation Christopher McMahon, 2007 *Jesus Our Salvation: An Introduction to Christology* is an innovative text designed with the introductory student in mind. The text is written in an engaging style and is enhanced by pedagogical elements which make the complex material accessible to the student reader. *Jesus Our Salvation* is both sensitive to the challenges of contemporary Christology and well grounded in Catholic identity. The book maintains a positive, though critical, dialogue with many voices in the Christian tradition including those of the classical tradition, historical Jesus research, the evangelical tradition, and contemporary theological thought. It addresses important issues of today such as Christology's capacity to promote social transformation and the questions that are raised about Jesus from the perspective of religious pluralism.

Understanding the Gift of Salvation Irpeel Ebenezer, 2012-03-01 What exactly did Jesus Christ save us from other than hell fire? That was the question a somewhat frustrated friend asked while going through a difficult period in his life. Many Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed. This book is a true seeker's manual on the Gift of Salvation. It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors. It is for those willing to build on what they've learnt, dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ. It not a book to rush or breeze through, like the Berean Christians, readers are encouraged to carefully study the Scripture references and dig out the truth for themselves. The promise of God is: You will seek Me and find Me, when you seek Me with all your heart.

THE CHRISTIAN DOCTRINE OF SALVATION GEORGE BARKER STEVENS, 1917

Lordship Salvation Charles C. Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy. There is no more important issue than how to become a Christian. Lordship Salvation is a view that has confused many people about the nature of the gospel itself. Based on a Ph.D. dissertation, this is an academic and biblical response to the Lordship view. - The crucial issues of faith, repentance, lordship, and discipleship - Over 65 important passages explained - A helpful Scripture index - Can

be used as a textbook - Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation. Read it, use it as a Bible study reference, or teach from it; it is a valuable resource in a critical and controversial issue. Charles C. Bing obtained his Ph.D. from Dallas Theological Seminary. As founder and president of GraceLife Ministries he is active as an author, conference speaker, and adjunct professor.

The Gift of Salvation Antonio N. Sherman, 2012-05-22 Salvation, what is it? Who needs it? Who all can have it? How do you get it? What is my assurance of it and that I truly have it? What is your assurance of your salvation? To put it simply, Gods Word is our assurance! His infallible Word, his unchanging Word. Its not a feeling. I have ministered to and have heard so many people say this. I dont feel saved. I am talking about those that say that they are Christian and have accepted Christ. And that is another reason for this book, to help these people to understand salvation. And to help those to understand salvation and to receive Jesus Christ as personal Lord and Savior. Let me share this experience with you. To help you understand your assurance of your salvation. And let no one or nothing shake or doubt your salvation, including yourself. Pray and walk through these chapters with me and find the answers to all these questions and more. *What Is Salvation? *No Other Name *Without Faith *Believe or Not! *The Seal, the Promise, and Your Guarantee *The Gift

Who Will be Saved? Paul R. House, Greg Thornbury, 2000 Some of the most significant figures in evangelical theology explore the traditional view of the doctrine of salvation and its impact on evangelism in this age. Beginning with the doctrine of God as the author of salvation, pressing issues such as the exclusivity of the gospel and modern evangelism strategies, are examined. It's a forceful, clear presentation of how to stay true to biblical doctrines and faithful to the Great Commission in postmodern times.

God of Salvation Murray A. Rae, 2016-04-15 The theology of salvation stands at the heart of the Christian faith. Very often the structure of Christian salvation is seen in terms of a single theme, such as atonement for sins, forgiveness, liberation or friendship with God. It is easy to reduce soteriology to a matter of merely personal experience, or to see salvation as just a solution to a human problem. This book explores a vital yet often neglected aspect of Christian confession - the essential relationship between the nature of salvation and the character of the God who saves. In what ways does God's saving outreach reflect God's character? How might a Christian depiction of salvation best bear witness to these features? What difference might it make to start with the identity of God as encountered in the gospel, then view everything else in the light of that? In addressing these questions, this book offers fresh appraisals of a range of major themes in theology: the nature of creaturely existence; the relationship between divine purposes and material history; the holiness, love and judgement of God; the atoning work of Jesus Christ; election, justification and the nature of faith; salvation outside the church; human and non-human ends; the nature of eschatological fellowship with God. In looking at these issues in the light of God's identity, the authors offer a stimulating and tightly-argued reassessment of what a Christian theology of salvation ought to resemble, and ask what the implications might be for Christian life and witness in the world today.
