Judy Bodmer

**I Don't Want a Divorce** Dr. David Clarke, William G. Clarke, 2009-09-01 What could be good about a bad marriage? The good news is, you can get beyond that old marriage and its destructive habits, and build a brand-new one with the same spouse. And you can do it in just 90 days, even if only one spouse is committed to change. Thousands of couples in marriages that are on the brink will never enter a therapist's office, and for others it's too late by the time they do agree to come. But for more than 20 years, David Clarke has seen marriages turn around in just 12 weeks. Here he takes his 90-day plan and presents it using humor, Scripture, and personal stories to help couples turn difficult marriages into great ones. Whether the issue is communication, the kids, negative attitudes, or even serious sin, Clarke's personalized approach will put readers on the road to a great marriage.

Honest to the core and laugh-out-loud funny, Dave and Ann Wilson share the one secret that brought them from the brink of divorce to a healthy and vibrant relationship. If you had asked Dave how their marriage was doing on the night of their tenth wedding anniversary, Dave would have rated it a 9.8 out of 10, and he would have even guaranteed that Ann would say the same. But instead of giving him a celebratory kiss, Ann whispered, I've lost my feelings for you. Divorce seemed inevitable for the Wilsons, but starting that night, God began to reveal to Dave and Ann the most overlooked secret of getting the marriage we are looking for: a horizontal marriage relationship just doesn't work until your vertical relationship with Christ is first. As founders of a multi-campus church and marriage coaches with 30 years of experience, Dave and Ann share the hard-earned but easy-to-apply biblical principles that ensure a strong marriage. Written in a highly relatable dialogue between both husband and wife, *Vertical Marriage* will guide you toward building a vibrant relationship at every level, giving you the tools you need to embrace: Effective communication Fair conflict True romance A deeper connection Through their unique perspectives, Dave and Ann share an intimate, sometimes hilarious, and at times deeply poignant narrative of one couple's journey to reconnecting with God and discovering the joy and power of a vertical marriage.

**First, Kill All the Marriage Counselors** Laura Doyle,2015 Every marriage has its rough patches. If you're wondering how to repair yours, step away from the therapist, put down the magazine, and pick up this book. If you want to build a long, happy, fulfilling marriage, why not learn from the women who've done it? Laura Doyle's marriage was in trouble. After five years, her husband had become distant. He seemed checked out of their relationship, preferring watching TV to making love. There were frequent fights that ended with tense silences and even threats of divorce. Marriage counseling actually made their problems worse. Each session seemed to reinforce the feeling that she and her husband were just too far apart. Desperate to avoid divorcing the man she loved, Laura tried something different. Rather than consulting with experts or professionals, she simply started talking to women who'd been happily married for more than fifteen years. What she discovered shocked her. Everything she had heard in marriage counseling was wrong. Laura realized that there are some basic truths to relationships that can help women maintain loving, intimate marriages, such as: The happiness of your relationship is up to you! Women hold the keys to a happy relationship 95 percent of the time (and will learn what to do the other 5 percent). What men want most of all is to be treated with respect. Treat your man with respect (even if you aren't feeling it), and he will treat you with love and care. Your man wants to know he has your trust. Give it to him, and he'll realize you are special . . . because you will be! After seeing her own marriage transform, Laura set out to help other women do the same. In this book, you'll learn Laura's Six Intimacy Skills," which have been used by over 50,000 women who have transformed their previously unhappy marriages into blissful unions. Stop reading articles about how important it is to schedule date night, and learn how to transform your relationship into one bursting with energy, intimacy, and love. First, Kill All the Marriage Counselors will put you on the path to having the marriage you want with the man you love.

**How to Save Your Marriage Alone** Ed Wheat,1983 Help for troubled marriages, especially for the person whose spouse is seeking a divorce, is here at last. Dealing with emotions, planning, decision-making, and the need to love, this book also contains two chapters excerpted from Love Life for Every Married Couple.

**The Proper Care and Feeding of Marriage** Dr. Laura Schlessinger, Laura Schlessinger,2007-01-02 In the long-awaited follow-up to her groundbreaking, million-copy bestseller The Proper Care and Feeding of Husbands, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive.

**Anatomy of an Affair** Dave Carder, 2017-09-05 When it comes to adultery, never say, "It won't happen to me." Just when you think your marriage is safe from adultery is when you may be the most vulnerable. With eye-opening stories, clinical insights, and up-to-date data, Dave Carder reveals what adulterers learned the hard way—and what they want the rest of us to know to save us the pain. Dave Carder, counselor and author of the bestselling *Torn Asunder* (100,000 in print), is a sought-after expert on issues of adultery. Here he helps you make your marriage adultery-proof by showing you: How attractions can lead to affairs Ways you may be vulnerable to affairs The common ingredients of adultery How to restore intimacy to your marriage How to make wise, protective decisions Marriage is too sacred to be taken casually. Affairs are a very real threat, and they can destroy lives and families. For this reason, *Anatomy of an Affair* should be on every church leader's and marriage counselor's required reading list, and in the home of every married couple. Includes charts and assessments to understand and guard against affairs. This book is the revised edition of *Close Calls* (2008)

**An Impossible Marriage** Laurie Krieg, Matt Krieg, 2020-10-27 People say our marriage is impossible. Laurie and Matt Krieg are in a mixed-orientation marriage: a marriage in which at least one partner's primary attraction isn't toward the gender of their spouse. In the Kriegs' case, Laurie is primarily attracted to women—and so is Matt. Some find the idea of mixed-orientation marriage bewildering or even offensive. But as the Kriegs have learned, nothing is impossible with God—and that's as true of their marriage as anyone else's. In *An Impossible Marriage*, the Kriegs tell their story: how they met and got married, the challenges and breakthroughs of their journey, and what they've learned about marriage along the way. Christianity teaches us that marriage is a picture of Jesus' love for the church—and that's just as true in a mixed-orientation marriage as in a straight one. With vulnerability and wisdom, this book lays out an engaging picture of marriage in all its pain and beauty. It's a picture that points us, over and over again, to the love and grace of Jesus—as marriage was always meant to do.

**This Is How Your Marriage Ends** Matthew Fray, 2022-03-22 A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, *This Is How Your Marriage Ends* exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of *The Subtle Art of Not Giving a F\*ck*, and the practical insights of *The 5 Love Languages*, *This is How Your Marriage Ends* helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of

dysfunction and destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship.
