*We Sold Our Souls* Grady Hendrix, 2018-09-18 "A gloriously over-the-top scare fest that has hidden depths. Readers will root for Kris all the way to the explosive, poignant finale."—Publishers Weekly From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires*. Only a girl with a guitar can save us all. Every morning, Kris Pulaski wakes up in hell. In the 1990s she was lead guitarist of Dü rt Wü rk, a heavy-metal band on the brink of breakout success until lead singer Terry Hunt embarked on a solo career and rocketed to stardom, leaving his bandmates to rot in obscurity. Now Kris works as night manager of a Best Western; she's tired, broke, and unhappy. Then one day everything changes—a shocking act of violence turns her life upside down, and she begins to suspect that Terry sabotaged more than just the band. Kris hits the road, hoping to reunite Dü rt Wü rk and confront the man who ruined her life. Her journey will take her from the Pennsylvania rust belt to a celebrity rehab center to a satanic music festival. A spine-tingling horror novel, *We Sold Our Souls* is an epic journey into the heart of a conspiracy-crazed, pill-popping, paranoid country that seems to have lost its very soul.

**Save Our Souls: Rescues Made by U.S. Submarines During World War II** Douglas E. Campbell, 2016-04-02 At last count, nearly 2,400 people can claim that their lives were saved by a U.S. submarine during World War II. Of that number, 523 Allied aviators could claim that distinction after crashing their

aircraft into the sea and being saved by a submarine operating in the Lifeguard League. The remaining number were a collection of other military and civilian personnel, each with a story to tell and now able to tell their grand-children. Some of those rescued went on to retire as senior military officers including U.S. Navy Admirals, some back to missionary work, some to manage large companies in later years, some to philanthropic endeavors to pay everyone back for saving their lives. Appendix A is an intensely-researched index of nearly 2,200 names of those saved.

**The Secrets of the SOS Society** Peggy

McGee, 2021-03-16 Duchess Lana Courtney's days were numbered and she wanted to spend her remaining life helping young women in the Regency era in England escape from an abusive situation, similar to what she endured during her marriage. Now a widow and an heiress to her maternal grandfather's shipping business, she had the independent wealth with the support of her two younger sons, despite her first son's constant meddling in her affairs. Through forming the secretive SOS Society (Save our Souls), a network of trusted contacts befriended those in total desperation to assist these women in their struggles. Many personal stories are enumerated of the countless women she aided. But one in particular, Bridget O'Rourke, is highlighted because of her high-spirited personality who went on to continue the duchess' legacy while seeking her one true love. This is an inspirational novel that emphasizes, through faith and fortitude, how one can make a difference to those who are in dire need.

*Save Our Souls: a Situation Comedy* Keith

Matthews, 2016-04-18 ....'Dear Gotonov.... I am count-ing the h-ours when we are togeth-er.... You are in my h-eart...' (To himself) Mmm.... I em

wonder-who write-me this...? Hmmm.... (Continuing to read) '.....When we link-ed up in your bur-ger van, you expan-ded my wur-rld. I al-ways love you and wait for you to be released, Ra-pi-do..... Kiss.... Kiss.... Kiss....' (To himself) Huh...? Could, this be.... Lit-tle rub-ber man.... Or, man with hair of-girl...?! Keith Matthews was a vastly talented actor, musician, theatre director, performed playwright and charity bookshop manager. He performed in many plays and his artistic career lasted over forty five years. As well as being an expert on the UK radio game show Just a Minute (on which he contributed to two published books) he also found time to write a large number of plays, sitcom episodes, poems, short stories and novel length works. 'Save Our Souls' (or SOS) is the first of a collection of sit-com screenplays set in a charity shop that show his talent, his outrageous sense of humour, and his ability to create huge yet deep characters. In this (the last) edition of Save Our Souls: Volume Seven, we have the Christmas special, which would have slotted in between series one & two, plus two beginning episodes of what would have been the fourth series, a stage play which he intended for the Edinburgh festival: and a number of incomplete episodes, scenes and ideas. Included in this bumper edition are the episodes: 'All I want For Christmas is an SOSNativity', 'The Sweet Birds of No Man's Land', 'Winifred's Wailing Whales Went to Kosovo', 'Up And Away.... And Where Are We?' Once again we follow volunteer charity shop workers Norma, Cherie, Rapido, Francesco, Garry, Edgar and Nathaniel, Sally, Delford, Rocky, Minnie & Sister Maria perform their own interpretation of the Christmas Nativity on the Saint Saviours stage. Expect raucous behaviour and a God called Rufus Van Jizz, as you hiss and boo with the humble church audience to help the save the church fund. A surprising old dog won't lie down and soon it is

clear that old enemies are never far away from the SOS gang. And a man with more than a little extra in the trouser department has gotten quite a few or the team hot under the collar. Will our gang be able to keep the shop going and deal with external forces and each other...?

### **Plough Quarterly No. 13 - Save Our Souls**

Eberhard Arnold, Stephanie Saldaña, Ross Douthat, Simone Weil, Dana Gioia, Rod Dreher, Pawel Kuczynski, Meister Eckhart, Isaac Penington, Gerard Manley Hopkins, Jacqueline C. Rivers, 2017-06-24 In an age of distraction, this issue of Plough Quarterly looks at inwardness - how sustainable human community and social activism must be rooted in the spiritual life. How much of your day is spent in reality, and how much in a fake world? We've learned that screen time is bad for you, too much media consumption damages your heart, and Facebook can make you mentally ill. We're aware of the mind-altering power of advertising, the dehumanizing passions of our polarized politics, and the fact that millions of us have learned to multitask while watching footage of refugees drowning. But what are we to do about it? If this fake world is invading our souls, it's in our souls that we must find the cure. Only a return to inwardness can bring distracted moderns back to Jesus and to constructive work for his kingdom. Here activists may object: Isn't it the height of selfishness to retreat into our interior life when we ought to be out saving starving children? Yet Christians through the ages have insisted that inwardness is crucial to the life of discipleship. It's what keeps us from falling for demagogues and false gospels, from wasting life on superficialities, and from ignoring our neighbor. In fact, throughout history it has often been the mystics who were most active in serving others. In true Plough fashion, this issue brings together a colorful cast of examples: from medieval Beguines

and Benedictines to Gerard Manley Hopkins, Simone Weil, and Fannie Lou Hamer, to contemporary voices like Robert Cardinal Sarah, Johann Christoph Arnold, and three persecuted Syrian priests. These lives offer us glimpses of the real world from which our fake world seeks to distract us, and can guide us in our own refusal to conform. Also in this issue: \* Poetry from Gerard Manley Hopkins and Malcolm Guite \* Insights on inwardness from Meister Eckhart, Eberhard Arnold, Marguerite Porete, Simone Weil, and Isaac Penington \* A forum on the Benedict Option with Rod Dreher, Ross Douthat, Jacqueline C. Rivers, and Randall Gauger \* Artwork by Jason Landsel, Bruce Herman, Jane Chapin, Graham Berry, Fra Angelico, Francisco de Zurbarán, Eleanor Fortescue-Brickdale, Matthew J. Cutter, John August Swanson, Vittorio Matteo Corcos, and Leon Dabo Plough Quarterly features stories, ideas, and culture for people eager to put their faith into action. Each issue brings you in-depth articles, interviews, poetry, book reviews, and art to help you put Jesus' message into practice and find common cause with others.

**Sick Souls, Healthy Minds** John Kaag, 2021-03-02  
This is a compelling introduction to the life-affirming philosophy of William James. In 1895, William James, the father of American philosophy, delivered a lecture entitled Is Life Worth Living? It was no theoretical question for James, who had contemplated suicide during an existential crisis as a young man a quarter century earlier. Indeed, as John Kaag writes, James's entire philosophy, from beginning to end, was geared to save a life, his life and that's why it just might be able to save yours, too. This is an introduction to James's life and thought that shows why the founder of pragmatism and empirical psychology - and an inspiration for Alcoholics Anonymous - can still speak so directly and profoundly to anyone struggling to make a life worth living. Kaag tells how James's experiences as one of what he called the sick-souled, those who think that life might be meaningless, drove him to articulate an ideal of healthy-mindedness an attitude toward life that is open, active, and hopeful, but also realistic about its risks. In fact, all of James's pragmatism, resting on the idea that truth should be judged by its practical consequences for our

lives, is a response to, and possible antidote for, crises of meaning that threaten to undo many of us at one time or another. Along the way, Kaag also movingly describes how his own life has been endlessly enriched by James. Eloquent, inspiring, and filled with insight, this may be the smartest and most important self-help book you'll ever read.

*Save Our Souls* Valentina Basan, 2022-05-15 The beast lives in each of us. That's just for someone it is peacefully dozing, only occasionally baring its teeth at uninvited guests, and for someone it tears the soul from the inside with its fangs, tears the boundaries of everything human with its claws, tramples the feelings of love and happiness deep inside with its paws, leaves behind a scorched field. The beast is not invented, it is real. It feeds on our anger, hatred and rage day after day, provoking new sins. Each of my stories has its own beast, awakened and very hungry.
