Seatac Seacrets: Navigating the Seattle Airport Dale Stubbart, The Seattle-Tacoma International Airport (SEA) or Seatac is one of my favorite airports. I'll reveal the secrets about what makes it so great in this book. These are secrets I've gleaned from my many trips through the airport and from doing some additional research. Seattle is a prime West Coast destination. Seatac has direct flights to Alaska, Hawaii, and several continental US states, not to mention International flights. Seatac is a great place to relax, eat, shop, and get onto or off of your plane. You just might see me in at Seatac. Look for the sideburns. And I'll be wearing a smile because Seatac is a happy airport.
