Sometimes it's hard to imagine our big dreams coming true. But what if someone saw all the amazing and spectacular parts of us—our winning smiles, our fancy feet, our warm hearts—and asked, “Why not you?” Whether it's becoming a football player or a pop star or the president or a scientist: Why not you? In this picture book debut, superstars Ciara and Russell Wilson encourage readers to see themselves achieving their dreams, no matter how outrageous they may seem. *Walk On* Ben Malcolmson, Patti McCord, 2018-07-17 In this true, compelling account of perseverance and hope from Seahawks Coach Pete Carroll's assistant, a young journalist walks on to a top-ranked USC football team and, guided by his faith, shares God's love, launching him on an unexpected journey with an amazing outcome. Had anyone told Ben Malcolmson that he'd someday be a wide receiver on the national champion USC football team--after not playing football since an unfortunate fifth-grade Pop Warner experience--he would have called them crazy. As a reporter for *The Daily Trojan*, in the spirit of George Plimpton, he participated in walk-on tryouts for the team and was dumbfounded to find himself listed on the roster. His position on the team never amounted to much in a game-time contribution, but Ben felt strongly that his faith was inextricably linked to his purpose. He felt called to anonymously place Bibles in each USC teammate locker on Christmas Eve--to resounding indifference and rejection from his friends. It wasn't until three years later, when his role at USC had

led to a role with Coach Pete Carroll at the Seahawks organization, that an old friend connected with Ben and told him that one of the Bibles had captivated the heart of a teammate in the three days before his death. With a humble spirit dedicated to consistent acts of discipleship, Ben Malcolmson is an authentic voice for the power of simple obedience and trust, for what can happen when a believer allows God to work in a life. Walk On is the result of God using his faithful people to work in the lives of others.

**No Excuses** Derrick Coleman,Marcus Brotherton,2015-06-02 Trailblazing Seattle Seahawks fullback Derrick Coleman Jr.—the first deaf athlete to play offense in the NFL—tells his inspirational journey of persevering through every obstacle, remaining dedicated to the hard work and a no-excuses attitude that ultimately earned him a Super Bowl victory. Great for readers of all ages. Even at a young age, if anyone told Derrick Coleman what he couldn't do, he'd just reply, "Watch me." Diagnosed as hearing-impaired at age three, he faced a potentially limited future, but neither he nor his family were going to let that happen. Now Derrick shares the story of his remarkable journey toward NFL stardom, of the friends and colleagues who cheered him on when skeptics tried to chip away at his confidence, and of how every challenge he faced only strengthened his resolve. At the heart of his story is his unconventional family, whose one constant was always love. When Derrick was misunderstood as "difficult," or bullied and laughed at by schoolmates, he removed his hearing aids and listened instead to his mother's advice: Never let anyone else tell you how far you can go. Playing football became an outlet for Derrick's restless energy and a way of proving he could forge his own path. As a senior at UCLA, he became a standout, an award-winning player who led his team with eleven touchdowns and demonstrated to the world what his heart had known all along: He had what it took to be a champion. No Excuses is more than just Derrick Coleman's story as a sports legend, inspirational role model, and icon. It's a motivating and unique testament to the human spirit, to the potential inside everyone who has ever faced difficult obstacles. It's about aiming high in life, giving it your all, and never ever settling for excuses.

**Why Should White Guys Have All the Fun?** Reginald F. Lewis,Blair S. Walker,2005-10 The inspiring story of Reginald Lewis: lawyer, Wall Street wizard, philanthropist--and the wealthiest black man in American history. Based on Lewis's unfinished autobiography, along with scores of interviews with family, friends, and colleagues, this book cuts through the myth and hype to reveal the man behind the legend.

Win Forever Pete Carroll,Yogi Roth,Kristoffer A. Garin,2011-08-02 I know that I'll be evaluated in Seattle with wins and losses, as that is the nature of my profession for the last thirty-five years. But our record will not be what motivates me. Years ago I was asked, 'Pete, which is better: winning or competing?' My response was instantaneous: 'Competing. . . because it lasts longer.' Pete Carroll is one of the most successful coaches in football today. As the head coach at USC, he brought the Trojans back to national prominence, amassing a 97-19 record over nine seasons. Now he shares the championship-winning philosophy that led USC to seven straight Pac-10 titles. This same mind-set and culture will shape his program as he returns to the NFL to coach the Seattle Seahawks. Carroll developed his unique coaching style by trial and error over his career. He learned that you get better results by teaching instead of screaming, and by helping players grow as people, not just on the field. He learned that an upbeat, energetic atmosphere in the locker room can coexist with an unstoppable competitive drive. He learned why you should stop worrying about your opponents, why you should always act as if the whole world is watching, and many other contrarian insights. Carroll shows us how the Win Forever philosophy really works, both in NCAA Division I competition and in the NFL. He reveals how his recruiting strategies, training routines, and game-day rituals preserve a team's culture year after year, during championship seasons and disappointing seasons alike. Win Forever is about more than winning football games; it's about maximizing your potential in every aspect of your life. Carroll has taught business leaders facing tough challenges. He has helped troubled kids on the streets of Los Angeles through his foundation A Better LA. His words are true in any situation: If you want to win forever, always compete.
