Sounders FC, Authentic Masterpiece Mike Gastineau, 2013 It sounds like the start of a great joke: A minor-league sports executive, one of the richest men in the world, a stand-up comedian, and a Hollywood movie producer conspire to start a soccer team. But what Adrian Hanauer, Paul Allen, Drew Carey, and Joe Roth did when they started the Seattle Sounders FC was no joke. They meticulously planned the launch of the Major League Soccer (MLS) franchise with an eye toward some lofty goals. Then they stood back in amazement as they rocketed far beyond those goals buoyed by a team that ignored its expansion label and a fan base that wildly embraced them. Through interviews with key executives, athletes and fans, author Mike Gastineau tells the story leading up to the launch of Sounders FC, the MLS expansion franchise whose seemingly overnight success has captured the attention of the Seattle sports community, sports and entertainment executives, soccer followers across the country and the national news media. In *Sounders FC Authentic Masterpiece*, readers will learn: * How a money-losing soccer club rocketed from the ranks of the minor leagues to Major League Soccer drawing sell-outs and regularly topping 50,000 fans per match.* The unique relationships between the eclectic group of seasoned sports executives, Hollywood celebrities and bar room soccer fans who came together to build a sports culture that validated Major League Soccer in Seattle and across the country.* The personalities of the players and coaches who took different paths to the team and turned their diversity into a winning team starting on opening night. Gastineau communicates to readers the entire history of events that led to the Sounders FC launch beginning with the role soccer fans played in securing a professional football stadium for the Seattle Seahawks. Also emphasized in the book are the soccer fans, bar owners and soccer subculture that existed in Seattle and was waiting to be acknowledged by mainstream professional sports leaders and media. The book also details how that soccer subculture directly impacted one of the biggest deals in MLS history, the signing of superstar Clint Dempsey in 2013. This is a story of sports, business, culture, timing, and luck. It demonstrates how powerful business people were able to check their egos and embrace their customers all for the sake of the fans, the city, and a soccer culture desperate to embrace a sports team that treated them with respect.

Seattle Sounders FC Anthony K. Hewson, 2021-08-01 This title introduces soccer fans to the history of one of the top MLS clubs, Seattle Sounders FC. The title features informative sidebars, exciting photos, a timeline, team facts, a glossary, and an index. Aligned to Common Core Standards and correlated to state standards. SportsZone is an imprint of Abdo Publishing, a division of ABDO.

Seattle Sounders FC ,

Seattle Sounders Jeff Savage, 2018-08-01 The Seattle Sounders are one of the most popular teams in Major League Soccer (MLS). Fans fill the stadium at every game, and the Sounders have broken many records for game attendance. Discover more about the team through photos of the action and engaging storylines in this thrilling title.

The United States of Soccer Phil West, 2016-11-01 "A brisk and informative look at Major League Soccer's first twenty years . . . West gives MLS fans a worthy chronicle." (Booklist). In 1988, FIFA decreed that the 1994 World Cup would be played in the United States – with the condition that the U.S. would start a new professional league. The North American Soccer League had failed just four years prior, and the prospects of launching a new league for Americans, who didn't share the rest of the world's love for soccer, were both exciting and daunting. The *United States of Soccer* is the engaging history of Major League Soccer's bootstrap origins prior to its 1996 launch, its near-demise in the early 2000s, and its surprising resilience and growth as it won recognition from soccer fans around the world. The book also explores the origin of MLS's superfans who set the tone within MLS stadiums and defining what it is to be a North American soccer fan. Phil West chronicles those fans' voices – intermingled with league officials, former players and coaches, journalists, and newspaper accounts – to detail MLS's remarkable journey.

The Sports Strategist Irving Rein PhD, Ben Shields, Adam Grossman, 2014-08-01 Today's high-performance sports business is more complex than ever before and presents new challenges to the industry at all levels. Sports organizations are fighting hard for the money and engagement of fans, media, and sponsors while facing unprecedented competition both domestically and internationally. The cost of doing business continues to rise, while traditional revenue streams are under increased pressure. In *The Sports Strategist: Developing Leaders for a High-Performance Industry*, authors Irving Rein, Ben Shields, and Adam Grossman demonstrate that relying too much on winning is a losing long-term strategy for dealing with these challenges. Instead, they argue that sports organizations must focus on identifying and maximizing key factors that, unlike winning, can be controlled and shaped. By building a more well-rounded business, sports strategists will position themselves and their organizations for sustainable success in the industry. Blending extensive industry experience and real-world case studies with their academic expertise, the authors arm students with the combination of the necessary tools to help them make better strategic decisions. Students will learn how to design identities, reinvigorate venue experiences, manage narratives, and maximize new technology in today's connected world. In addition, readers will explore how to implement business analytics, build public support, and apply ethics in decision-making. These techniques are vital to creating a successful sports organization that is ready to reap the benefits of winning when it does happen, without having to suffer when it does not. The demand for innovative leaders who can address these issues and make tough decisions on which challenges to prioritize has never been greater. *The Sports Strategist* is an essential resource for anyone looking to thrive in the sports industry.

Seattle Sounders FC Richard Morrison, Chad Mack, 2010 Relive the truly remarkable first season of the Seattle Sounders Football Club with this photographic journey through the team's home games. Both Avid Sounders fans, the authors capture the magnetic spirit of the game from the sidelines, as the city rallies around its new talented team. Starting with the first day of practice with the new coach, Sigi Schmid, through the first wins against the New York Red Bulls and Real Salt Lake andamp;– as Fredy Montero and Kasey Keller show their brilliant abilities on the field as play-makers and team members andamp;– the personality of this young soccer club shakes shape. Quickly, the fans solidify their loyalty to the team in expressive ways (banners, costumes, songs, and rallies in the streets outside the stadium). Commemorating the infectious inaugural season, the first joys of the club live on in this book.

Seattle Sounders FC Marty Gitlin, 2018 The Seattle Sounders were born in 2009. And they wasted no time becoming perhaps the greatest franchise in Major League Soccer. They have certainly been the most popular. The love from their fans has resulted in the largest attendance in each of their first eight seasons. Soccer is a passion in Seattle! That passion was rewarded in 2016. That is when the Sounders captured their first MLS crown. This book takes readers into the action. It places them on the field for a Fredy Montero goal and Kasey Keller save. It

brings them closer to the 40,000 fans that stream into CenturyLink Field for every home game. It allows them to feel the excitement of a Seattle playoff victory. Just as the Sounders have been a winner every season, the reader can be a winner by learning all about one of the finest sports franchises ever.

The Sound and the Glory Matt Pentz, 2019 Relates the story of the Seattle Sounders and their quest to win the league championship.

Seattle Sounders FC Our Moment, 2017-04-01

I Believe That We Will Win Phil West, 2018-05-08 Americans love to win. But when it comes to soccer, the world's most popular sport, the US women's team has delivered three World Cup victories in as many decades, while the men have not advanced past the quarter-finals in nearly ninety years. In October 2017, the US Men's National Team (USMNT) startled fans by failing to qualify for the upcoming World Cup, an episode that led both USMNT head coach Bruce Arena and US Soccer Federation President Sunil Gulati to step down from their positions, and which launched a new era of reckoning for US Soccer as a whole. As the 2018 World Cup commences with the US sidelined, fans are becoming impatient: What will it take for the USMNT to finally rise to an elite level and bring home the FIFA World Cup Trophy? In *I Believe That We Will Win*, veteran soccer journalist Phil West delivers a compelling assessment of the history and future potential of American soccer on the international playing field. With insightful commentary and endless enthusiasm, West examines every aspect of the USMNT and their competition, detailing how the US returned to the World Cup in 1990 after forty years without qualifying, delving into the growing symbiotic relationship between the USMNT and Major League Soccer, and exploring how the US is cultivating young talent through MLS academies and the US Development Academy—and how Latino outreach initiatives, like the Sueño Alianza competition that brought Jonathan González to prominence, can be better integrated into US Soccer's quest for talented players. Along the way, West touches on the controversial tenure of former coach Jürgen Klinsmann, the role of dual-national players, Christian Pulisic and the new wave of American players playing abroad, and other issues that have engaged American soccer fans in spirited debate. Punctuated with dozens of revealing interviews from players, coaches, and journalists, *I Believe That We Will Win* is both the definitive history of American World Cup play and an incisive and inspiring analysis of America's potential to win big in the near future.

Seattle Sounders Jim Whiting, 2018-08-28 A chronicle of the people, matches, and world events that shaped the North American men's Washington state soccer team known as Seattle Sounders FC, from its founding in 2009 to today.

Resurgence Steven Ager, Greg Nickels, Prost Amerika, Art Thiel, Ari Liljenwall, Steve Clare, Richard Flemming, 2017-07-28 Commemorative book covering the MLS Cup win in 2016 by Seattle Sounder FC.

American Soccer Gregory G. Reck, Bruce Allen Dick, 2015-01-12 This narrative of U.S. soccer's history and present-day status addresses the issues of socioeconomics. Emphasizing the differences between social classes in U.S. soccer past and present, as well as those between American soccer and international football, this work analyzes the role of class in American soccer's failure to carve out a more prominent place in the sports landscape. Contemporary soccer is explored from its beginnings in informal Parks and Recreation leagues to the development of formal club programs, and university, professional, and U.S. national teams. In recent decades, Hispanic leagues formed primarily by Mexican and Central American immigrants have reinforced the theme of a class-based, exclusionary space in U.S. soccer. A personal perspective based on the authors' experience coaching soccer at the informal level broadens the book's appeal.

Football FAQ Dave Thompson, 2015-02-01 FOOTBALL FAQ: ALL THAT'S LEFT TO KNOW ABOUT THE CLUBS THE PLAYERS AND THE RIVALRIES

We All Wore Blue Emerson Robbins, 2021-02-16 A racially diverse youth soccer team comprised largely of immigrant players from a myriad of different countries and religions come together to achieve the unthinkable in this entertaining true account of inclusion, acceptance and brotherhood on the tattered road to victory. A truly inspirational story for our country and world and a unifying message for these turbulent times.

Seattle Sports Terry Anne Scott, 2020-08-17 *Seattle Sports: Play, Identity, and Pursuit in the Emerald City*, edited by Terry Anne Scott, explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play. The work gathered here covers Seattle's professional sports culture as well as many of the city's lesser-known figures and sports milestones. Fresh, nuanced takes on the Seattle Mariners, Supersonics, and Seahawks are joined by essays on gay softball leagues, city court basketball, athletics in local Japanese American communities during the interwar years, ultimate, the fierce women of roller derby, and much more. Together, these essays create a vivid portrait of Seattle fans, who, in supporting their teams—often in rain, sometimes in the midst of seismic activity—check the country's implicit racial bias by rallying behind outspoken local sporting heroes.
