Shani Chalisa is a Hindu devotional hymn dedicated to Lord Shani, one of the nine planets or grahas in Vedic astrology. The word Chalisa means forty in Hindi, and the Shani Chalisa consists of forty verses or chaupais, which are believed to appease Lord Shani and bring relief from the malefic effects of Saturn in one's horoscope. Lord Shani is often feared and worshipped in Hinduism as the planet Saturn is known for its tough and challenging influence on one's life. According to Hindu mythology, Lord Shani is the son of Lord Surya (the Sun) and is depicted as a dark, lean, and imposing figure, carrying a sword and riding a vulture or a crow. He is believed to govern justice, discipline, hard work, and discipline, and is also associated with the negative effects of Saturn, such as delays, obstacles, and suffering. The recitation of Shani Chalisa is a common practice among Hindus, especially those going through the Sade Sati period, a seven-and-a-half-year phase when Saturn transits over one's moon sign. It is believed that reciting the Shani Chalisa with devotion and sincerity can reduce the adverse effects of Saturn, such as financial losses, health problems, relationship issues, and mental stress, and bring blessings of wealth, health, prosperity, and peace of mind. The Shani Chalisa is composed in Awadhi, a dialect of Hindi, and is written in the poetic meter of Doha and Chaupai. Each verse of the Shani Chalisa praises Lord Shani and his divine qualities, such as his impartiality, wisdom, and compassion, and seeks his blessings and forgiveness for any sins or wrongdoings. The Shani Chalisa also highlights the importance of faith, devotion, and surrender to Lord Shani, and encourages the devotees to live a righteous and ethical life. Here is the English translation of the first few verses of the Shani Chalisa: Jai Ganesh Girija Suvan, Mangal Mul Sujan, Kahu Shani Karahu Sunai, Mahima Aprampaar. Victory to Lord Ganesh, the son of Goddess Parvati, Who is wise and auspicious, I pray to Lord Shani to listen to me, And acknowledge his limitless glory. The Shani Chalisa is often chanted on Saturdays, which is considered to be the day of Lord Shani and is accompanied by the lighting of a lamp, offering of flowers, and the recitation of other mantras and prayers. It is also believed that reciting the Shani Chalisa before embarking on a new venture or undertaking a major life event can bring good luck and success. In conclusion, the Shani Chalisa is a powerful devotional hymn that can help one overcome the challenges posed by Saturn and lead a more fulfilling and prosperous life. However, it is important to remember that the recitation of the Shani Chalisa should be accompanied by good deeds, ethical conduct, and a positive attitude toward life. By doing so, one can not only appease Lord Shani but also earn his blessings and grace.

My Hanuman Chalisa Devdutt Pattanaik, 2017 Reflecting on one of Hinduism's most popular prayer for positive

energy Acclaimed mythologist Devdutt Pattanaik demystifies the Hanuman Chalisa for the contemporary reader. His unique approach makes the ancient hymn accessible, combined as it is with his trademark illustrations. Every time we experience negativity in the world and within ourselves, every time we encounter jealousy, rage and frustration, manifesting as violation and violence, we hear, or read, the Hanuman Chalisa. Composed over four hundred years ago by Tulsidas, its simple words in Awadhi, a dialect of Hindi and its simple metre, musically and very potently evoke the mythology, history and mystery of Hanuman, the much-loved Hindu deity, through whom Vedic wisdom reached the masses. As verse follows verse, our frightened, crumpled mind begins to expand with knowledge and insight and our faith in humanity, both within and without, is restored.

Lal Kitab - a Rare Book on Astrology U. C. Mahajan, 2004-08-22 The Lal Kitab, a rare book in Urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand.

Gaṇeśapurāṇa Greg Bailey, 2008 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesha's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesha's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

The Message of Holy Mother Advaita Ashrama, This small booklet published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is a compilation from the teachings of the Holy Mother Sri Sarada Devi, the divine consort of Sri Ramakrishna Paramahansa. Simple, yet sublime, these teachings of the Holy Mother are an invaluable guide to spiritual aspirants.

Secrets of Lord Shani Guru Arya, 2020-03 There is a lot of lack of information about Shani Dev, due to which there is a lot of confusion among the seekers. Lord Shani Dev is called the God of Justice and it is also true that for anyone who needs justice, it is very fruitful to go under the protection of Shani Dev. Through this book, I would like to tell all the seekers, what are the secrets of Shani Dev, which we all need to, understand. And by understanding those secrets, how we can understand Shani dev properly. In this book, I have tried to throw light on many mysteries, such as why Shani Dev is called Shani, what is the color of Shani Dev and why Shani Dev is considered the God of justice. Generally everyone has read or heard about Shani Dev somewhere. I see that people have less information and more misunderstanding about god Shani dev. Mostly astrologers are making lots of confusion or fear towards the god shani dev, like Sade Sati, Bad position of Shani dev in Birth Chart. Most of people thinking that Shanidev is always going to do punished. I say that Shanidev always supports justice, and destroys injustice. One thing we should keep in mind is that whenever Shani Dev punishes someone, they do so only to complete the account of his deeds. The special kind of secrets that I am trying to reveal through this book, the only purpose is that the seekers and human beings understand their deeds and be ready for the fruit that comes from them and any kind of fallacy that can be made towards Shanidev. I could finish it. In today's time, every person tries to worship Shani Dev and get his blessings but I believe that whenever you worship any Shakti Devi or deity or have reverence towards them, then you have complete knowledge about them. It is very important that if you do not have complete information, then you must have basic information so that you can get full results. The secrets of Shani Dev, which I have discussed in this book, are somewhere related to his personality and karma, through which the seeker and common man can easily understand and can do worship of them. At the same time, I also believe that when a man or a seeker will understand and know their secret, then he will become close to Shani dev. Some of the special mysteries I will talk about, why is his name Shani? What is the meaning of Shani? What is required of him in heaven? Why is their color black? Why is his symbol black? Why is Mustard oil offered to Shanidev? Why is Shani Dev the god of Kalyug? I will discuss other topics in detail.

Tantric Visions of the Divine Feminine David Kinsley, 2023-07-28 The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic, social, and meditative meanings. David Kinsley's new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as antimodels for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding goddesses. The Mahavidyas seem to function as awakeners—symbols which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the Mahavidyas and is also an overview of Hindu tantric practice.
