

Shrimad Bhagvad Gita

KJ Lindholm-Leary

Bhagavad Geeta Swami Mukundananda, Jagadguru Kripaluji Yog, 2013-04-05 Commentary on 'The Bhagavad Geeta' by Swami Mukundananda

Bhagavad-Gita as it is A. C. Bhaktivedanta Swami Prabhupada, 1986

The Bhagavad Gita Swami Sivananda, 1989 The Bhagavadgita is one phase of the Tripod of Indian philosophy and culture, the other two phases being the Upanishads and the Brahmasutras. While the Upanishads lay the foundation of the loftiest reach possible for humanity and the Brahmasutras logically elucidate the intricate issues involved in the Upanishads, the Bhagavadgita blends together the Transcendent and the Immanent features of the Ultimate Reality, bringing together into an integrated whole knowledge and action, the inner and the outer, the individual and the society, man and God, all which are portrayed as facets of a universal Operation, presenting entire life and all life as a perfectly complete organic wholeness, leaving nothing unsaid and attempting to solve every problem of life.

Srimad Bhagavad Gita Bhakti Rakshak Sridhar, 2015-01-10 Unique in its wide publication and extensive circulation, the Srimad Bhagavad-gita has appeared in various languages, both in India and other countries, along with the commentaries of former great saints as well as modern scholars. Although numerous editions of the Gita are presently available, few commentaries can be said to nurture pure devotion according to the teachings of a bona fide divine succession, which has given us the opportunity of service in producing this edition.

Bhagavad Gita, 2004 The Bhagavad Gita (Song of the Lord) is considered the most influential of all the Hindu scriptures and is one of the greatest spiritual classics of the world. Comprised of eighteen chapters taken from the great Sanskrit epic Mahabharata, the Gita presents a conversation that takes place on a battlefield just as two groups of relatives are about to wage war against one another. Facing the forces of greed, anger, and hatred, the warrior-prince Arjuna loses heart and refuses to fight his own kin. His friend and charioteer, Lord Krishna, who represents the Divine within, tells him: Your very nature will drive you to fight. In the ensuing dialogue, Krishna teaches Arjuna, and all of us, how we can face bravely the unavoidable challenges and conflicts of life-- and win the greatest of all battles, against the tumultuous emotions within our own hearts. Eknath Easwaran's eloquent translation and Diana Morrison's chapter introductions, which summarize major religious concepts, make this edition especially accessible for modern readers of any religion.

Shrimad Bhagavad Gita Maghar S. Manhas, 1997

Srimad Bhagavad Gita: Volume 3 Baba Hari Dass, 2014-12-31 In ancient India, when people wanted to teach spiritual lessons, they did so through symbolic stories. The Bhagavad Gītā is one such story. Gītā refers to poems that are sung and Bhagavad means God or the Self. So the Bhagavad Gītā is known as the Song of God. This version of the full e-publication of the Bhagavad Gītā has been divided into three separate e-books mirroring the three volumes of the original print. Volume 3, Chapters XIII-XVIII, focuses on Jñāna Yoga, the yoga of knowledge.

The Bhagavad Gita, 2014-05-01 Part of the ancient Hindu epic The Mahabharata, The Bhagavad Gita is one of the enduring religious texts of the world The Bhagavad Gita is an early poem that recounts the conversation between Arjuna the warrior and his charioteer Krishna, a manifestation of God. In the moments before a great battle, Krishna sets out the important lessons Arjuna must learn to understand his own role in the war he is about to fight. Krishna reveals to Arjuna his true cosmic form and counsels the warrior to act according to his sacred obligations. Ranging from instructions on yoga to moral discussion, the Gita has served for centuries as an everyday, practical guide to living well. Translated with an introduction by Laurie L. Patton

Srimad Bhagavad Gita Ramesh Menon, 2009 Sanskrit text with English verse translation.

Bhagavad Gita ,

Srimad Bhagavad Gita Pushpā Ānanda, 2000 Interpretation of Bhagavadgītā; translated from Hindi with text.

Srimad Bhagawad Geeta (Verses & Meaning) Swami Chinmayananda, SRIMAD BHAGAVAD GITA small size with Verses and short meaning Srimad Bhagavad Gita is unique among the body of scriptural literature for the simple, practical and relevant style with which it presents the essence of the Hindu way of life.

Srimad Bhagavad Gita - Volume 1 Baba Hari Dass, 2012-12-31 In ancient India, when people wanted to teach spiritual lessons, they did so through symbolic stories. The Bhagavad Gītā is one such story. Gītā refers to poems that are sung and Bhagavad means God or Divine Being. So the Bhagavad Gītā is known as the Song of God. This full e-publication of the Bhagavad Gītā - Volume 1 mirrors the three volumes of the original print version and uses the IAST transliteration format. Volume 1 contains chapters I-VI and focuses on Karma Yoga.

Srimad Bhagavad Gita - Essence DR. N.K SRINIVASAN, 2012-11-15 In this book, the author has chosen 90 verses of the Gita out of the total 700, which are purely subjective in nature. He, however, has included all the important ones for the sake of coherency of presentation. It is hoped that this small book will motivate the modern reader to study the full text with passion and devotion and pursue the spiritual goals towards eternal bliss. This abridged edition will give the complete message, which has inspired generations of students of the Gita all over the world. #v&spublishers

Srimad Bhagavad Gita Lord Krishna, 2011-10 The Bhagavad Gita is one of the great scriptures today, which guides the life and thought of people all over the world. It is believed to have been written by Lord Krishna. The Bhagavad Gita, also more simply known as Gita, is a 700-verse Hindu scripture that is part of the ancient Hindu epic, the Mahabharata, but is frequently treated as a freestanding text, and in particular, as an Upanishad in its own right, one of the several books that comprise the more general Vedic tradition. It is revealed scripture in the views of Hindus, the scripture for Hindus represents the words and message of god, the book is considered among the most important texts in the history of literature and philosophy. The teacher of the Bhagavad Gita is Lord Krishna, who is revered by Hindus as a manifestation of God (Parabrahman) Himself, and is referred to within as Bhagavan, the Divine One. The context of the Gita is a conversation between Lord Krishna and the Pandava prince Arjuna taking place in the middle of the battlefield before the start of the Kurukshetra War with armies on both sides ready to battle. Responding to Arjuna's confusion and moral dilemma about fighting his own cousins who command a tyranny imposed on a disputed empire, Lord Krishna explains to Arjuna his duties as a warrior and prince, and elaborates on different Yogic and Vedantic philosophies, and explains different ways in which the soul can reach the supreme being with examples and analogies. This has led to the Gita often being described as a concise guide to Hindu theology and also as a practical, self-contained guide to life. During the discourse, Lord Krishna reveals His identity as the Supreme Being Himself (Svayam Bhagavan), blessing Arjuna with an awe-inspiring vision of His divine universal form.

Srimad Bhagavad Gita Swami Swarupananda, 2016-05-16 This book published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India, is best suited for those who want to study Gita for the first time. It contains the original text in Devanagari and word-for-word English rendering followed by a running translation and notes based on Shankara's commentary. The clear and modern language of this translation conveys the inner meaning of India's timeless and practical scripture while enabling easy comprehension even for the beginners.

Srimad Bhagavad Gita: Volume 2 Baba Hari Dass, 2013-12-31 In ancient India, when people wanted to teach spiritual lessons, they did so through symbolic stories. The Bhagavad Gītā is one such story. Gītā refers to poems that are sung and Bhagavad means God or Divine Presence. So the Bhagavad Gītā is known as the Song of God. The full e-publication of the Bhagavad Gītā has been divided into three separate e-books mirroring the three volumes of the original print version. Volume 2, Chapters VII-XII, focuses on Bhakti Yoga, the yoga of devotion.

Bhagavad-gita As It Is His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, The largest-selling edition of the Gita in the Western world, Bhagavad-gita As It Is is more than a book. It is alive with knowledge and devotion; thus it has the power to change your life for the better. Bhagavad-gita is knowledge of five basic truths and the relationship of each truth to the other: These five truths are Krishna, or God, the individual soul, the material world, action in this world, and time. The Gita lucidly explains the nature of consciousness, the self, and the universe. It is the essence of India's spiritual wisdom, the answers to questions posed by philosophers for centuries. In translating the Gita, A. C. Bhaktivedanta Swami Prabhupada has remained loyal to the intended meaning of Krishna's words, and thus he has unlocked all the secrets of the ancient knowledge of the Gita and placed them before us as an exciting opportunity for self-improvement and spiritual fulfillment. The Gita is a conversation between Krishna and His dear friend Arjuna. At the last moment before entering a battle between brothers and friends, the great warrior Arjuna begins to wonder: Why should he fight? What is the meaning of his life? Where is he going after death? In response, Krishna brings His friend from perplexity to spiritual enlightenment, and each one of us is invited to walk the same path.
