Sit Up Straight Vinh Pham,Jeff O'Connell,2022-05-10 Futureproof your body and relieve chronic pain resulting from sitting, slouching, and other bad lifestyle habits with this easy-to-perform set of daily stretching and movement routines—from an innovative physical therapist and social media star who coaches dozens of celebrity clients. What if we could easily acquire long-lasting protection for our bodies and escape the chronic pain caused by our sit-all-the-time, slouch-too-much lifestyles? Vinh Pham is a world-class physical therapist who has worked with a broad range of clients—from Olympians to NBA stars to MMA fighters to Golden Globe and Grammy Award-winning artists. Early in his career, he discovered a disappointing truth: most of his patients came to him already in pain. They had lifestyle habits that misaligned their joints and tightened their muscles. And the recent epidemic of prolonged sitting—which represents an all-day assault on the body—has only made things worse. If you're sitting for more than thirty minutes at a time without getting up, you may be heading toward a world of hurt. Vinh's answer to the host of muscle maladies that ails us has been a revolutionary concept: why not futureproof? Instead of reacting to chronic pain after it flares up, what if we focused on a "movement discipline" that not only prevents injuries but leads to longer lives, healthier bodies, and a clearer mind? A precise and simple toolkit for tweaking the way we move (or refuse to move), Sit Up Straight outlines a process that starts with a daily posture regimen. Performed correctly, Vinh's twelve simple movements, which can be done in twenty minutes, will lock in protection for the rest of the day. But Vinh goes further. He provides stretching and exercise routines for many of the specific ailments that affect us—from hamstring pulls to sciatica to rotator cuff problems—and, best of all, he offers a series of customized movements based on age, gender, and the kind of work we perform. "No fancy equipment required...full of good and clear tips and wisdom" (Booklist), Sit Up Straight shows that the solution to becoming pain-free is easier than we think.

Hero Maker: 12 Weeks to Superhero Fit Duffy Gaver,2020-04-21 A breakout training and fitness book by Hollywood trainer and former Navy SEAL, Duffy Gaver, featuring the tried and true workouts used by movie stars like Chris Pratt and Brad Pitt. Former Marine sniper and ex-navy Seal, Duffy Gaver is the unsung hero of Hollywood. As a master trainer to the stars, he has transformed the bodies of actors such as Chris Hemsworth, Chris Pratt, Scarlett Johanson, Brad Pitt and many others. He is a Hero-Maker. He gets the most out of his clients by making them rethink their lives. For Duffy, the fitness industry sells a myth: it's all about the latest and greatest fads. Back in 1965, Larry Scott won the first Mr. Olympia. There was no Nike. No thermogenic products. No supplement industry. How did he do it then? With his will, his discipline, his desire. The things that big businesses can't manufacture. The first four minute mile, the first iron man triathlon, and the first world's strongest man all took place before 99% of today's companies even existed. What does this prove? None of this stuff is necessary. Inside Hero Maker, Duffy Gaver shares the knowledge and motivational sit-downs that get his stars to take hold of their own bodies. None of these stars bought their way to their impressive physiques; they earned it with old fashioned work and dedication. He will tell you what you need to do to look super heroic, and he will show you how you too can do this if you put yourself to the task. Inside, you will also find some of his game-changing workouts to help get you there.
