Fast Sketching Techniques David Rankin, 2011-05-30 It can happen at any moment - A powerful light effect. A telling gesture. A unique posture. When you're struck by an image or impression you want to use in your art, you must record it - quickly! - before it's gone. But what's an artist to do when there's no time for a carefully rendered drawing or even a good photo? Some quick field sketching, that's what! This book will revolutionize the way you sketch. David Rankin reveals the simple secrets to creating quick, impressionistic field sketches from life - and how to work with them once you're back in the studio. With the tools and methods described here, you'll be surprised how easy it is to draw rapid visuals of landscapes, animals, figures, crowds, any subject. So the next time you're taken by a sudden, fleeting inspiration, you can capture it. And make the most of it in your art.

SketchBook Pro Digital Painting Essentials Gil Robles, 2013-10-25 This book is an example-based guide that will help you create professional grade paintings using Sketchbook Pro. As you progress from one chapter to another, you will learn how to virtually draw visually stunning paintings that are digitally drawn but look exactly like orthodox artwork. If you have had prior experience in developing digital artwork and are looking to add to your knowledge, Sketchbook Pro Digital Painting Essentials is a guide that will help you seamlessly translate what you do with traditional media to digital media.

Yoganotes Eva-Lotta Lamm, 2019-03-03 Learn how to sketch simple yoga 'stick figures' to capture and plan your yoga sequences with this simple, step-by-step system that can be quickly learned, even without any drawing or sketching skills. Also available as an e-book: www.yoganotes.net The first part of the book explains the basic principles of sketching and constructing the yoga stick figures and combining them into sequences. The second part contains step-by-step instructions for sketching over 80 of the most common asanas and their variations. Who is this book for? For Yoga Teachers & Coaches: If you teach yoga classes or work with your own private clients, sketching is a great way to plan out sequences and practice plans in a visual way. You can use them as a visual overview during class (if you haven't fully memorised the sequence yet). They also make great handouts for your students after a workshop or as personalised practice plans for your one-on-one clients. For Teacher Training Attendees: If you are learning to be a yoga teacher there is a lot of information to take in and to process. Taking visual notes and using sketches to capture the details about postures, alignment and anatomy will help you to get the most out of your training. The notes you create will be clearer, more engaging and actually fun to look at and revise again later. For Students & Practitioners: If you study or practice yoga, you can sketch out your favourite sequences to use as a guide during your home practice or for when you are travelling. Sketch out that great class you attended at your yoga studio or the nice one you found on YouTube. The sketched overview will be the perfect cheat sheet to keep by your mat during your own practice.
