Rumors of villages destroyed by Dark Creatures echo across the land. The downtrodden survivors turn to the remnants of Moonken warriors at Crescent Isle, but their pacifist ways do not allow them to intervene. Raziel Tenza and Rin Torra are likely the worst Moonken to ever train at the monastery on the mystical shores of Crescent Isle. But when an insurgent gang of miscreants (The Red Cobras) threaten to run them out of town, they decide to team up and stand their ground. The only problem is... they stink at kung fu!With no fighting ability whatsoever, (but a whole lot of gusto!) they embark on an epic martial arts adventure in search of a shortcut to the ultimate badass Kung Fulio power of their ancestors. In their desperate struggle, they accidentally unleash raging Darksprites, get wrapped up in a legendary mystical heist, and discover secret powerful artifacts that will shape their destiny, and determine the fate of the Monks of Twilight.This book is part 1 of a series of Kung Fu action-adventure fantasy novels.

Drawing Ideas Mark Baskinger,William Bardel,2013-11-19 A primer for design professionals across all disciplines that helps them create compelling and original concept designs by hand--as opposed to on the computer--in order to foster collaboration and win clients. In today's design world, technology for expressing ideas is pervasive; CAD models and renderings created with computer software provide an easy option for creating highly rendered pieces. However, the accessibility of this technology means that fewer designers know how to draw by hand, express their ideas spontaneously, and brainstorm effectively.In a unique board binding that mimics a sketchbook, Drawing Ideas provides a complete foundation in the techniques and methods for effectively communicating to an audience through clear and persuasive drawings.
