Red Army Order of Battle in WWII, April to June 1942 Maximino Argüelles

Martínez,2019-05-15 FRONTOVİK was the name that the veterans who served in the Soviet Armed Forces across the Great Patriotic War, between 1941 and 1945, were known. The purpose of this FRONTOVİK is to reflect the structure and deployment of the Red Army from January to March 1942. This work is part of a global monthly study from June 1941 to September 1945. The main sources for this study were the documents published by the Department of Military History of the Ministry of Defence of the Soviet Union in 1966, containing data from January 1 to December 1, 1941, and the works of Colonel David M. Glantz, along with numerous secondary sources. All the images, illustrations, tactical symbols and maps were made by the author as a personal tribute to the veterans that served in those units.
