The Accidental Demon Slayer Angie Fox,2016-05-27 A New York Times bestselling, breakout novel! My name is Lizzie Brown, and demon slayer wasn't my first career choice. It didn't even crack the list. I had a good thing going as a preschool teacher until my long-lost Granny blew into my life riding a Harley and raving about a demon on my toilet. Why did she have to be right? He was from the seventh layer of hell, and I killed his ass faster than you can say flush. Now Grandma insists I'm a demon slayer, destined to ride with her geriatric gang of biker witches. Do I even own a leather jacket? Crazier still, this new job comes with my own personal protector: Dimitri Kallinikos, a devastatingly hot shape-shifting griffin with beautiful eyes and a not-so-secret plan to seduce me. I could get on board with that. But I can't get too involved because Dimitri needs me to take care of some hellish personal business for him, and I'm not about to let a guy I barely know take me anywhere near the underworld. At least not on the first date. But there's a bigger danger brewing than either of us can imagine—and if I can't stop the rise of Hell on Earth, no one can. "Fabulously Fun" —The Chicago Tribune

Aliens Laura Cremonini,2020-05-14 Analysis and criticism of the film. This book is the assembly of various texts that are freely available on the web, especially from Wikipedia. The next obvious question is: why buy this book? First because it is free, second because it is in eBook format, third because there are images that you cannot find on wikipedia.

PinBall Andrew Rickis,2005-07 A novel about an advertising executive framed for murder! When, Joe Fox, a former stockbroker, discovers his second wife the world famous model, Talisa, has been unfaithful to him, the thirty-five year old millionaire divorces her, sells his charter sailing business in Jamaica and buys a small lucrative advertising agency in South Florida. One of the employees at the agency is his former father-in-law, Nelson Baker, from Joe's first marriage, who despises his ex son-in-law for dumping his little girl. With the agency's accountant, Erin Palmer, who is also his mistress, the pair concocts an elaborate plot to frame their boss for the murder of his secretary, enabling them to gain control of the agency.

Pinball Jon Chad,2022-04-05 In 1976, champion player Roger Sharpe stepped up to a pinball machine in a Manhattan courtroom. He was there to challenge the citywide ban on pinball by proving this was a game of skill, not chance. Sharpe pulled back the plunger and released, and the fate of this industry and artform hung in the balance.0Thus opens Jon Chad's comprehensive graphic guide to the history of the captivating, capricious-and at times infuriating!-game of pinball. Tracing pinball's roots back to the Court of King Louis XIV and right up to the present day, Chad captures not just the history of the game but also the artistry, cultural significance, and even the physics.
