Sports Illustrated Slide Show Editors of Sports Illustrated, 2009-05-05 If every picture tells a story, every slide tells an even deeper one. Tucked away in Sports Illustrated's photo archive sits 50 years worth of film, a frame-by-frame depiction of the history of sports over the last half a century. The stickers and scribbles along a single slide's border are like tags on a streamer trunk, telling the story of that photo's journey from the playing field to the magazine. This book selects the most colorful of these slides and presents the mounts as objects of art in an oversized 176-page collection, complete with behind-the-scenes vignettes of how the shots came to be. Some slides capture classic SI cover images (Dwight Clark's catch in the 1982 NFC Championship Game or Brandi Chastain ripping her shirt off at the 1999 World Cup) while others are simply great photos (Pete Rose running at full speed or Joe Namath lounging poolside before Super Bowl III). The images themselves are iconic, but by seeing them as slides you get that extra step back. You can see the history that has been made from these flashes of an instant.

Slide Show with Notes - Slavery, A Warrenton, Fauquier, Virginia, United States, Perspective Walt H. Sirene, 2023-10-03 This is part of a three document series. All with the same title and similar content. "Slide Show with Notes:" Which is this version, can be read as a stand alone, or as a reference for an educator projecting just the slide images for lecture, discussion and teaching. Parents may choose to read along with their children while explaining illustrations. The "Slide Show" version is for projecting just the slides from a PDF. Divided into Chapters (blocks of learning). The images are uniquely useful in stimulating further research and for enhancing visual learning. The "Document" is the original illustrated narrative version available as a stand-alone document. It is the unabridged version having more details than the Slide Show with Notes. Woven into this presentation about Slavery is the significance of the ideas and ideals set forth in our founding documents that establish the purpose of how we live together in our nation. Also, included are sections on the principles of character. known and unknown heroes that helped end slavery, and the symbolism of our flag that represents Freedom, Dignity and True Meaning of being an American. The two slide show versions were born with a question posed by Karen Hughes White, a founder of the Afro-American Historical Association of Fauquier, after reading the original document, she asked if I could give a talk about the subject, I said yes, I have experience and I use slides – which I had not thought of producing. All three versions are available for free on Google Books. Hope they are helpful.
