I run a Facebook page and a small stall making and selling custom props and toys and wanted to take things to the next level and having no experience in media production this sounded perfect. From my perspective the book is full of all the basic information I needed to get started making the most of my Facebook page and filming video, taking photographs and getting them out there on social media to get the most impact. Then the book is also full of everything else needed to take things even further, how to follow up on the social media interest and even loads of information coming from a business point of view which I’m sure I will use down the line as I take things further. Overall this book had everything I needed to get me up and running on social media, producing what I feel is way better quality content than I could have ever imagined I was capable of and all with a single piece of hardware, my Smartphone, it’s amazing.” Big Al Monkeytron Collective.

They are usually shorter, usually paying attention to the society of the regency and dialogue around action and sex (although Mary Balogh and other authors have introduced sex in this genre) it can be said that these romances should Much to authors as I arrived Georgette Heyer (one of the favorite writers of the SF, author of Lois McMaster Bujold) also to Jane Austen. This subgenre can deal with distressed characters, discovering the importance of family life, with heroines forced to sexual abuse, protagonists or women heroines forced to become prostitutes (Mary Balogh, *The Secret Pearl*). Some writers began writing these types of novels before entering historical romance. Notable names in this genre, especially the humorous regency are Emma Jensen, Barbara Metzger, Diane Farr, Marion Chesney and Kasey Michaels. Notable authors of more serious regencies include Mary Balogh, Carla Kelly, Joan Wolf, Patricia Oliver, Mary Jo Putney, Alison Lane, Elisabeth Fairchild and Jo Beverley.
