

Sniper

Brandon Webb,Glen Doherty

To Be a Military Sniper Gregory Mast,Hans Halberstadt,2007-12-15 The training and character that make for success in one of the most challenging and mysterious jobs the military has to offer, clearly described and illustrated.

American Sniper Chris Kyle,Scott McEwen,Jim DeFelice,2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review Jaw-dropping...Undeniably riveting. —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

American Sniper (Enhanced Edition) Chris Kyle,Scott McEwen,Jim DeFelice,2012-01-03 NOW A BLOCKBUSTER MOTION PICTURE DIRECTED BY CLINT EASTWOOD—NOMINATED FOR SIX ACADEMY AWARDS, INCLUDING BEST PICTURE This special enhanced edition features more than 10 exclusive videos with Chris Kyle and an additional 15 images and descriptions of the weapons used by the armed forces in their fight against terrorism overseas. From 1999 to 2009, U.S. Navy Seal Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time. Please note that due to the large file size of these special features this enhanced e-book may take longer to download than a standard e-book.

American Sniper Chris Kyle,Scott McEwen,Jim DeFelice,2017-01-03 The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Sniper Peter Brookesmith,2001-04-22 Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

The 21st Century Sniper Brandon Webb,Glen Doherty,2010-09-15 Twenty-first-century sniping tactics by Navy SeAL military sniper Brandon Webb.

The Master Sniper Stephen Hunter,2010-08-18 In the death throes of World War II, one man is still at war, and he's got got the world's deadliest weapon in his hands . . . With a sniper's rifle he has calmly executed hundreds of enemy soldiers in a single battle, and gunned down thousands of innocent civilians in a single day, waiting patiently for the barrel of his gun to cool before resuming his craft . . . It is the spring of 1945. And Repp, the master sniper, is about to carry out his final mission—even as Germay's enemies overrun it, even while a tired, disorganized team of American and British agents tries everything in its power to stop him. Because for Repp, this is the one job at which he cannot fail. For this time, he possesses the ultimate killing tool. And with it, he will commit the ultimate crime. . . . Praise for *The Master Sniper* "Mesmerizing suspense."—Kirkus Reviews "Hunter is a deft craftsman with a sure sense of pace and scene. He also knows about irony and sprinkles just a bit over every corpse."—The Washington Post "Stephen Hunter is the best writer of straight-out thrillers working today."—Rocky Mountain News

Sniper Gina Cavallaro,Matt Larsen,2010-09-01 Heart-pounding real-life tales from the military's most experienced snipers, the best of the best snipers in action today. Gunfights, long distance shots, stalking, and more.

The Sniper at War Michael E Haskew,2012-07-18 The Sniper at War looks at the impact and role of the sniper from the American Revolutionary War to the present day. Packed with first hand accounts from snipers and those who have faced them, this is the definitive guide to these secretive and deadly individuals and the role they have played in battle over the last three centuries.

Stalkers and Shooters Kevin Dockery,2007-07-03 Now in paperback! From the author of the Navy SEALs Oral History series-an intimate look at the world's most efficient and deadly warriors. Snipers have a rich history. This fascinating book follows their tasks and techniques from the Revolutionary and Civil Wars through both World Wars, to the Korean War and Vietnam-the genesis of modern sniping-to the current conflicts in the Middle East. Also, readers will see how sniping has evolved on the civilian side in law enforcement. Readers will learn about the tools of the trade, but most importantly, they will hear from the experts themselves: military snipers, as well as civilian police and SWAT snipers. Capturing the suspense and action of the hunt, the words of these men draw readers into the close-knit, little-known world of men who need only one bullet to get the job done.

Sniper Martin Pegler,2011-08-20 Following the success of *Out of Nowhere: A History of the Military Sniper*, sniper expert Martin Pegler gives us an in-depth study of the emergence of American rifleman, sharpshooter and sniper, examining the evolution of the rifle in America from the earliest firearms of the 15th century to the highly accurate sniping rifles of the 21st century. Pegler analyses the technological development of the rifle, sighting systems and ammunition and uses contemporary accounts to describe how the use of the rifle during the Revolutionary War, Civil War and the conflicts of the 20th and 21st centuries have impacted on US military history. This detailed account concludes with a study of the American sniper in modern warfare, including Afghanistan and the ongoing conflict in Iraq, providing an overview of the march of weapons technology, as well as an unusual insight into the lives and the motives of the men who used them.

The Sniper Encyclopaedia John Walter,2019-08-23 A complete guide to snipers, rifles, techniques, battles, and campaigns throughout history and around the world, by the author of *The Hand Gun Story*. The work features hundreds of snipers, including not only the best-known—world renowned gurus such as Vasiliy Zaytsev and Chris Kyle—but also many crack shots overlooked by history. Among them are some of more than a thousand Red Army snipers—men and women, who amassed sufficient kills to be awarded the Medal for Courage and the Order of Glory. Also included are some of the best-known sniper victims, and the veracity of the most popular myths. The book thoroughly examines the history and development of the many specialist sniper rifles—some

more successful than others—that have served the world’s armies from the nineteenth-century American Wars to today’s technology-based conflicts. Attention, too, is paid to the progress made with ammunition—without which, of course, precision shooting would be impossible. The development of aids and accessories, from camouflage clothing to laser rangefinders, is also considered. Finally, The Sniper Encyclopedia examines significant locations and specific campaigns—the way marksman have influenced the course of the individual battles and places which have played a crucial part in the history of sniping, from individual sites to sniper schools and training grounds. The book contains authors’ biographies, a critical assessment of the many books and memoirs on the world of the sniper, and a guide to research techniques. “A remarkable work of research and an endless treasure trove of information for anyone with an interest in the subject.” —Martin Pegler, author of Out Of Nowhere: A History of the Military Sniper

I, Sniper Stephen Hunter, 2009-12-15 Bob Lee Swagger, former Marine Corps sniper, is back. And this time Swagger's facing an adversary whose trigger finger may be even faster than his own. When four famous 1960s radicals are gunned down, including the wife of an international media mogul, it would appear to be an open-and-shut case. A wealth of evidence ties the chief suspect, retired Marine sniper Carl Hitchcock, to the murders. Holder, until recently, of the record number of kills in Vietnam and anxious to reclaim his title, Hitchcock's subsequent suicide would seem to confirm his guilt. But FBI assistant director Nick Memphis has his doubts – and calls on former Marine Corps sniper Bob Lee Swagger to investigate. As Swagger digs deeper, it becomes clear that matters are more complicated than would initially appear. The shots were not executed with the scope of a 1972 rifle, Hitchcock's weapon of choice, but by a high-tech scope used by active Marines. But as Swagger starts to unravel the tangled web of connections surrounding the murders, he finds his own days may be numbered. Because he's about to face one of his most ruthless adversaries yet – a sniper whose keen intellect and pinpoint accuracy rivals his own. The end result will be a bloody confrontation that only one of them can survive. What people are saying about I, Sniper: 'Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger ... remains one of crime fiction's most engaging heroes' Irish Independent

Navy SEAL Sniper Glen Doherty, Brandon Webb, 2017-01-03 The sniper is a battlefield threat second to none. Mastering the art of marksmanship is critical but is only part of what makes a Navy SEAL sniper. Snipers must be able to apply the craft in an urban environment or alone on a hostile mountain top with equal effectiveness. Today’s sniper must not just leverage technological advances but also have the foreknowledge to select the best rifle and gear for the mission. Increasingly, he must have the mental toughness to adapt to a constantly changing environment, gather intelligence, and truly act as a force multiplier. In this comprehensive look through the eyes of former Navy SEAL sniper instructor Brandon Webb and fellow Navy SEAL snipers Chris Kyle and Glen Doherty, the authors reveal not just the fundamentals of marksmanship but also the science of shooting, stalking, and camouflage and how technological advances have changed the training and increased the effectiveness of the modern sniper. Including maritime, helicopter, and urban sniper operations, this updated edition also goes into detail on the latest research, development, testing, and evaluation of weapons and optics. From the basics like compensating for wind and bullet drop, to camouflage and placing yourself or your team in the best position to take a photo or pull a trigger, Webb and Doherty cover the critical elements that comprise the twenty-first century sniper.

The Sniper Encyclopaedia John Walter, 2019-02-28 The Sniper Encyclopaedia is an indispensable alphabetical, topic-by-topic guide to a fascinating subject. It is intended as a companion volume to John Walter's Snipers at War (Greenhill Books, 2017) and is another addition to the Greenhill Sniper Library which includes a series of first-person memoirs. This is a comprehensive work that covers virtually every aspect of sniping. The work contains personal details of hundreds of snipers, including world-renowned gurus such as Vasiliy Zaytsev and Chris Kyle as well as many crack shots generally overlooked by history. Among them are some of more than a thousand Red Army snipers, men and a surprising number of women, who amassed sufficient kills to be awarded the Medal for Courage and, later, the Order of Glory. Some of the best-known victims of snipers are identified, and the veracity of some of the most popular myths is explored. The book pays special attention to the history and development of the many specialist sniper rifles - some more successful than others - that have served the world’s armies since the American Wars of the nineteenth century to today’s technology-based conflicts. Attention, too, is paid to the progress made with ammunition—without which, of course, precision shooting would be impossible and the development of aids and accessories, from camouflage clothing to laser rangefinders. Finally, The Sniper Encyclopaedia examines place and specific campaigns - the way marksman have influenced the course of the individual battles and locations which have played a crucial part in the history of sniping, from individual sites to sniper schools and training grounds. The book contains authors’ biographies, a critical assessment of the many books and memoirs from the world of the sniper, and a guide to research techniques.

Sniper, 2nd Edition Peter Brookesmith, 2007-04-03 Tracing the role of the sniper from the time of the English Civil War and the American Revolution to the Gulf War and Bosnia, this book also goes behind the scenes at the world's top sniper schools and includes real-life anecdotes and detailed information on sniper rifles and ammunition. 100+ color and b&w photos.

Sniper Adrian Gilbert, 1996-02-15 From the evolution of the art, to firsthand accounts of legendary exploits, through the basics of sniper training, Sniper traces the development of these most feared hunters, marking their historical battles and their pivotal role in modern forces. Includes eight pages of authentic action photos.

Sniper's Honor Stephen Hunter, 2014-05-20 In this tour de force—part historical thriller, part modern adventure—from the New York Times bestselling author of I, Sniper, Bob Lee Swagger uncovers why World War II’s greatest sniper was erased from history...and why her disappearance still matters today. Ludmilla “Mili” Petrova was once the most hunted woman on earth, having raised the fury of two of the most powerful leaders on either side of World War II: Joseph Stalin and Adolf Hitler. But Kathy Reilly of The Washington Post doesn’t know any of that when she encounters a brief mention of Mili in an old Russian propaganda magazine, and becomes interested in the story of a legendary, beautiful female sniper who seems to have vanished from history. Reilly enlists former marine sniper Bob Lee Swagger to parse out the scarce details of Mili’s military service. The more Swagger learns about Mili’s last mission, the more he’s convinced her disappearance was no accident—but why would the Russian government go to such lengths to erase the existence of one of their own decorated soldiers? And why, when Swagger joins Kathy Reilly on a research trip, is someone trying to kill them before they can find out? As Bob Lee

Swagger, “one of the finest series characters ever to grace the thriller genre, now and forever” (Providence Journal-Bulletin), races to put the pieces together, Sniper’s Honor takes readers across oceans and time in an action-packed, compulsive read.

Sniper in Action Charles Stronge,2014-03-05 Packed with first hand accounts, Sniper in Action is the definitive guide to these secretive and deadly individuals and the role they have played in conflicts over the last three hundred years.

Out of Nowhere Martin Pegler, 2011-09-20 The sniper is probably the most feared specialist warrior and the most efficient killer on the battlefield. Endlessly patient and highly skilled, once he has you in his crosshairs, your chances of survival are slim. This revised edition of *Out of Nowhere* provides a comprehensive history of the sniper, giving insights into all aspects of his life; his training tactics, equipment and the psychology of sniping are examined in the context of the major wars of modern times – including the American Civil War, both world wars, the Vietnam War and the ongoing conflict in Afghanistan. First-hand accounts from veteran snipers demonstrate their skill and extraordinary courage and show why they are still such a vital part of any war.

Thank you for reading **Sniper**. Maybe you have knowledge that, people have search hundreds times for their favorite books like this Sniper, but end up in infectious downloads.

Sniper Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sniper has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sniper has opened up a world of possibilities. Downloading Sniper provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sniper has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their

work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sniper. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sniper. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sniper, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sniper has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sniper Books

1. Where can I buy Sniper books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sniper book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sniper books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sniper audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Sniper books for free? Public Domain Books: Many classic books are available for free as theyre in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
