What they all have in common is that they are great places to play golf. Some have long international championship pedigrees, others will never witness anything bigger than the annual club championship, but each course has fought its way into this book on merit against fierce competition. -- Back cover.

Success in the game he loved was killing him. In *Up and Down*, Bubba opens up about his debilitating anxiety attacks, the death of his father and namesake, adopting his children, and how reaching a breaking point professionally and personally drew him closer to his family and God. Golf is what Bubba Watson does, but it is not who he is. Through his story, you'll learn how Bubba: Overcame his anxiety and feelings of inadequacy Found his true identity not in the standards of the world, but in the God who already knows he is enough Learned to trust God with his gifts, family, and biggest dreams Became the husband, father, friend, and mentor he was called to be Life, like golf, is filled with ups and downs. *Up and Down* is the inspiring story of an imperfect man striving to become the best person he can be—wherever the course may take him.
